## **2022 NEW ORLEANS SAINTS SEASON IN REVIEW**

### **2022 SEASON**

The New Orleans Saints finished the 2022 season with a 7-10 record following a year of challenging circumstances brought forth by extensive injuries on both offense and on defense. New Orleans was 4-5 at home (4-4 in the Caesars Superdome), 3-5 on the road and 2-4 in the NFC South.

**Dennis Allen** took the reigns in his first year as head coach of the Saints and guided New Orleans through the challenges of injuries to rally to win three of their last four games after a Week 14 bye and give up 20 or fewer points in the final eight games of the season, ten points apiece in each of the final three contests.

New Orleans began the season with the promise of a dramatic fourth quarter comeback from a 26-10 deficit to defeat the Atlanta Falcons 27-26 on Sept. 11 at Mercedes-Benz Stadium. However injuries at several key positions mounted up and New Orleans suffered a three-game losing streak.

A renewed emphasis on the run game and return to the Caesars Superdome helped New Orleans defeat 2022 playoff participant Seattle, 39-32 on Oct. 9, as TE **Taysom Hill** and RB **Alvin Kamara** combined for 316 total yards from scrimmage and three touchdowns. But extensive injuries to the club's wide receiving corps and an abdomen injury suffered by CB **Marshon Lattimore** weakened the Saints as they lost their next two.

Following a disappointing 42-34 loss at the Arizona Cardinals on Thursday, Oct. 20 to drop to 2-5, a contest,

where New Orleans turned the ball over three times and surrendered a season-worst point total, a renewed emphasis of taking care of the ball, improved situational awareness and attention to fundamentals on the defensive side of the ball, allowed for improved performances in all these areas as the Saints finished 5-5 and won three of their last four. The Saints' nine turnovers over the last ten games were the fifth-lowest total in the NFL, while their 14.5 points per game were the league's second-lowest total.

Quarterback **Andy Dalton** offered a steady hand after **James Winston** suffered multiple injuries early in the season. Dalton started 14 games, completing a career-high 66.7% of his passes, throwing for 2,871 yards and 18 touchdowns against nine interceptions.

Kamara became the first player in the league since Julio Jones to have six straight seasons of at least 1,300 yards from scrimmage, as he carried 223 times for a club-best 897 yards and caught 57 passes for 490 yards. Hill tied a career-high with nine total touchdowns and carried 96 times for 575 yards with seven of the scores on the ground. Wide receiver **Chris Olave** became only the second Saints rookie to lead the team in receptions (72), receiving yards (1,042) and receiving average (14.5).

Linebacker **Demario Davis** led the defense with 109 tackles-becoming only the third Saint to have at least 100 stops in five consecutive seasons - and defensive end **Cameron Jordan** led the way on the line with 8.5 sacks as he became the franchise's all-time takedown leader. Safety **Tyrann Mathieu** led the team with four takeaways in his first season playing for his hometown team.

### NFL OFFENSIVE ROOKIE OF THE MONTH SEPTEMBER: WR CHRIS OLAVE

In three contests in the month of September, Olave finished with 17 receptions for 268 yards in addition to one successful two-point conversion grab, leading league rookies in receiving yardage for the first month of the former Ohio State standout's career.

### NFL OFFENSIVE PLAYER OF THE WEEK FedEx GROUND PLAYER OF THE WEEK NICKELODEON NVP (Nickelodeon Valuable Player) WEEK 5: TE TAYSOM HILL

Finished with nine carries for career-high 112 yards and career-high three rushing touchdowns, including a 60-yard score in the fourth quarter. Recovered a blocked punt in the second quarter than led to his second rushing touchdown. First career game with three rushing touchdowns. Completed his lone pass for a 21-yard touchdown. Sunday's contest against Seattle was Hill's first career game with 3+ touchdowns. He's also the first player since the NFL merger to register a kick return, two rushing touchdowns and a passing touchdown in the same game. Hill became the second player in franchise history with at least three rushing touchdowns and a passing touchdown in the same game, joining Archie Manning. Hill's the third player ever to record at least 100 rushing yards, three rushing

touchdowns and a touchdown pass in a single game, joining **RONNIE BROWN** (September 21, 2008) and Pro Football Hall of Famer **LADAINIAN TOMLINSON** (September 25, 2005). Hill now has 21 career rushing touchdowns, seven career touchdown receptions and nine career touchdown passes. He joins Tomlinson as the only players since 2000 with at least 20 rushing touchdowns, five receiving touchdowns and five touchdown passes in their career. With his 20<sup>th</sup> and 21<sup>st</sup> career rushing touchdown, Hill joins Walter Payton as only the second player in the Super Bowl era with 20 rushing touchdowns (21), eight passing touchdowns (nine) and six receiving touchdowns (seven). Named NFC Offensive Player of the Week, joining RB Reggie Bush as only the second Saint to win a conference weekly award in multiple phases, having previously won NFC Special Teams Player of the Week (Week 14, 2018).

## TEAM NOTES

### 2023 OPPONENTS

The Saints finished third in the NFC South with a 7-10 record. In addition to playing each NFC South opponent twice, the Patriots will play one game against each of the AFC South and NFC North teams. As the third-place finisher in the NFC South, the Saints will also play the third-place team of the NFC East (New York Giants) and the NFC West (Los Angeles Rams), as well as a 17th game, hosting the third place team in the AFC East (New England).

**Home:** Atlanta, Carolina, Tampa Bay, Chicago, Detroit, Jacksonville, New York Giants & Tennessee.

**Road:** Green Bay, Atlanta, Carolina, Tampa Bay, Houston, Indianapolis, L.A. Rams, Minnesota & New England.

### BABY IT'S COLD OUTSIDE

With the Dec. 24 temperature at Cleveland's FirstEnergy Stadium at six degrees Fahrenheit at kickoff, New Orleans' matchup in Cleveland was the coldest starting temperature for a game in franchise history. Previously the lowest starting temperature for a Black and Gold contest was 24 degrees in a 37-26 loss at Philadelphia on Dec. 26, 1993. In a game, where the starting wind chill was -16 in a stadium draped over Lake Erie, New Orleans persevered in the elements and came back from a 10-0 deficit to prevail with a 17-10 victory. In recognition of the challenges faced organizationally, starting with the team to need to compress their practice schedule to travel on Dec. 22, two days ahead of the Christmas Eve contest to arrive prior to a blizzard on Dec. 23, Head Coach Dennis Allen awarded the equipment staff with a game ball for their efforts and forward thinking in outfitting the team for challenging conditions. In 2023, the Saints would have two potential cold weather games (schedule announced this spring) with road matchups at Green Bay and New England.

### BUCKING THE ODDS

The Saints have a long tradition of finding players as free agents signed after the draft that make an impact. Several currently on the 53-man roster play key roles on offense, defense and special teams.

Wide receiver/return specialist **Rashid Shaheed** came to

New Orleans as one of the all-time best Division FCS returners and after spending the first five weeks on the practice squad, made a quick impact, Oct. 16 vs. Cincinnati with a 44-yard rushing touchdown. He followed that up with a 53-yard touchdown reception on Oct. 20 at Arizona to become the only Saint to score a touchdown in each of his first two offensive touches. In the December 18 win over Atlanta, he finished with three receptions for 95 yards, with a 68-yard touchdown grab from Taysom Hill, the longest play from scrimmage of the season for New Orleans and the fifth-longest receiving TD by a Saints rookie all-time. On the Christmas Eve win at Cleveland in challenging conditions, Shaheed led the team in receiving with four grabs for 41 yards. In the January 1 victory at Philadelphia, he led the team in receiving for the third consecutive week, posting six receptions for 79 yards, including a 58-yard grab to set up a field goal. Tight end **Juwan Johnson** was signed by New Orleans out of Oregon, where he spent his graduate transfer season following the 2020 NFL Draft as a wideout. Recording four receptions for 39 yards seven contests, Johnson spent the majority of the season on the practice squad. After spending the last six weeks of the 2019 season and the first 16 weeks of the 2020 campaign on the practice squad, Linebacker **Andrew Dowell** was elevated to the club's active roster for the regular season finale. In two pre-season games in 2021, he posted five tackles, one forced fumbles and two coverage spots to secure a regular season roster spot. In Week 3 at New England, Dowell recorded the first blocked punt that an opponent had against the Patriots since the 2015 season. Dowell's five special teams tackles on Dec. 19 at Tampa Bay was the highest single-game total in the NFL in 2021 and he finished the season tied for fifth in the league with 14 coverage stops. On Oct. 16 vs. Cincinnati, he forced a fumble on punt coverage and he posted a tackle at Arizona on October 20. Dowell has had four stops in the last three games to end his season in a flurry with seven total tackles and two forced fumbles.

After splitting his rookie season in 2018 between the prac-

tice squad and active roster, defensive back **J.T. Gray** enjoyed a breakthrough campaign in 2019, when he was selected AP second-team All-Pro when he recorded 16 special teams tackles, one blocked punt and one coverage fumble recovery. In 2021, he was selected as a first-team All-Pro and to his first career Pro Bowl (starter), when he led the NFL with 19 special teams tackles (league-leading 16 solo). Gray led the team with 12 special teams stops in 2022, despite missing three games with a hamstring, the third time in four seasons, he has led New Orleans in coverage tackles.

Wide receiver/return specialist **Rashid Shaheed** came to New Orleans as one of the all-time best Division I-AA returners and after spending the first five weeks on the practice squad, made a quick impact on Oct. 16 vs. Cincinnati with a 44-yard rushing TD. With his 53-yard receiving touchdown on October 20 at Arizona, Shaheed become the only Saint to score touchdowns on each of his first two career offensive touches. In addition to finishing with 28 grabs for 488 yards (17.4 avg.) with two touchdowns, Shaheed has also handled return duties for New Orleans since being activated, bringing back 20 punts for 193 yards (9.7 avg.).

Sorensen has played in 128 games with 41 starts, posting 395 tackles, 4.5 sacks, 14 interceptions, four returned for touchdowns, 36 passes defended, four forced fumbles, three fumble recoveries, 37 coverage stops, one special teams fumble recovery and one blocked field goal. Ahead is a synopsis of several returning players and newcomers through the draft and free agency to the 2022 Saints offensive line:

**T/G James Hurst** - An eight-year NFL veteran who was signed as a free agent from Baltimore in 2020, Hurst has 135 career regular season appearances with 80 starts at three different positions on the inside and outside. His versatility came in handy in 2020, as he started two contests at left tackle and one at left guard and the Saints gained over 200 yards rushing each time. In 2021, Hurst moved into the lineup for eight games at left tackle in place of an injured Armstead, two at left guard in place of an injured Andrus Peat and three at right tackle for an injured Ryan Ramczyk, starting contests at three different positions. Hurst has started 15 games at left tackle and one at left guard in 2022.

### CONTINUED FROM PREVIOUS PAGE-HOLDING THE LINE

**RT Ryan Ramczyk** - The Black and Gold used their second first round selection in the 2017 NFL Draft to snag Ramczyk out of the University of Wisconsin, one of the best offensive linemen in the entire draft. After opening all 16 games and both postseason contests in 2017 and being selected as a PFWA All-Rookie, he has been selected as an *Associated Press* All-Pro selection three times since. After missing seven contests in 2021, Ramczyk rebounded to be open the first 16 games in 2022, also having been elected as a team captain for the first time.

**T/G Andrus Peat** - A first round selection (13th overall) in the 2015 NFL Draft out of Stanford, Peat was considered one of the top college linemen in 2014. In his first eight seasons, he's played in 91 regular season games with 86 starts, opening a contest at every position except center. In 2020, he opened 13 contests at left guard as he was part of the NFC Pro squad for the third consecutive season. In 2021, he opened the first six contests, where New Orleans got off to a 4-2 start before suffering a season-ending pectoral injury. In his return to the starting lineup in the 2022 season opener in Atlanta, New Orleans rushed for 151 yards. In back-to-back weeks, Peat was been a part rushing efforts of 200-yards plus by the club for the first time since 2020.

**C/G Erik McCoy** - New Orleans traded up in the second round of the 2019 NFL Draft to select this standout from Texas A&M, who was a three-year starter, anchoring the middle of the Aggies line. In 2018, he was a team captain who paved the way for the SEC's leading rusher and in 2019 was the first Saint in franchise history to start at center in Week One, opening all 16 contests. McCoy opened all 16 contests and both postseason games in 2020 for the NFL's sixth-ranked rushing offense. McCoy started 13 contests at center in 2021. In Week one, McCoy agreed to a five-year contract extension with the Saints.

**G/C Cesar Ruiz** - The hard-working, talented and intelligent lineman is a perfect fit for New Orleans' culture with the 24th pick in the 2020 NFL Draft out of the University of Michigan. The three-year letterman played in 36 games in college, starting his last 31 including the final 26 at center, earning All-Big Ten in 2019. Ruiz settled in at right guard in the last 15 games, with nine starts, as well as both post-season contests. When McCoy suffered a lower leg injury in the first quarter of the 2021 opening win over Green Bay, Ruiz transitioned over to his natural position, where the Saints did not give up a sack and started four contests in the middle. He returned to right guard on Oct. 25 at Seattle and was the only lineman in 2021 to not miss a start. Ruiz

opened 13 games at right guard and one at center in 2022 before suffering a season-ending foot injury Dec. 18, vs. Atlanta. The 46 consecutive starts for Ruiz at the time of his injury was the longest current streak for a Saint.

**T Landon Young** - A mainstay at left tackle for his entire college career at the Kentucky, Young played in 49 contests with 30 starts in his college career. The Lexington, Ky. native was selected by New Orleans in the sixth round of the 2021 NFL Draft and held up to the competition in training camp to snare a roster spot. Young opened one contest at right tackle in 2021 and serves as Ramczyk's backup on the right side, also playing jumbo tight end. On October 13 at Pittsburgh, he slide over to left tackle for the second half to replace Hurst (concussion) and opened this the November 20 win over the Rams at one of the league's most challenging positions. In the Jan. 1 win at Philadelphia, Young played the final three quarters in place of Ramczyk (hip) and then started the following week's season finale vs. Carolina.

**OL Calvin Throckmorton** - This 6-5, 309 pound former four-year starter on the Oregon line was signed as an undrafted free agent in 2020, possessing the flexibility to play all five positions along the offensive line. After spending his rookie season on the practice squad, Throckmorton increased strength in the 2021 offseason and made strides in training camp. In his NFL debut in the 2021 season opening-win, Throckmorton was called to play right guard following a lower leg injury to McCoy in the first quarter, subsequently starting four contests. He then moved into left guard, Oct. 25 at Seattle following a shoulder injury to Andrus Peat and opened the last ten, opening three in 2022 in place of an injured Peat and starting the Week 13, 16 and 17 contests at right guard.

**OL Lewis Kidd** - This 6-5, 311 pounder closed out his college career with 48 consecutive starts at Montana State, third in school history. Possessing the versatility to play guard and tackle, he was selected a consensus first-team All-American in the fall of 2021. Kidd was the only Saints undrafted free agent rookie to secure a roster spot in Week One of the regular season and made his first career NFL start, opening at left guard on November 13 at Pittsburgh.

**T Trevor Penning** - The club's second first round draft choice (19th overall) in 2022 out of Northern Iowa, the 6-7, 322-pound Penning competed with Hurst for the starting left tackle slot in the preseason before suffering a toe injury. The Clear Lake, Iowa native brings athleticism and extensive college experience to the tackle position, where he played in 37 games with 33 starts. Activated for the second half of the season, Penning served as the club's sixth offensive lineman in jumbo packages and started the season finale at left tackle. **CONTINUED ON NEXT PAGE**

## OFFENSIVE NOTES

### CONTINUED FROM PREVIOUS PAGE-HOLDING THE LINE

Through the 2022 Saints season, offensive line coach Doug Marrone and assistant offensive line coach Zach Strief have had to prepare nine different starting offensive line combinations. James Hurst and Ryan Ramczyk only missed one game apiece, but multiple combinations were often needed with several different contributors on the interior. Despite the injury issues the offensive coaching staff was able to successfully prepare ten different line combinations, including starting a different combination in each of the final eight weeks of the campaign, where the team still managed to post a 4-4 record, while protecting an offensive unit that was tied for the fifth-fewest turnovers in the league over that period.

## DEFENSIVE NOTES

### DEFENSIVE DRAFTS

Over the last eight drafts from 2015-22, the New Orleans Saints have shown a commitment to building up the team's defense, spending 21-of-33 picks on that side of the ball. With nine picks in 2015, the Saints picked six defensive players, the most taken since New Orleans chose nine in a 12-round selection meeting in 1990. Below is an overview of the defensive players on the 53-man roster selected from 2015-22 with the club:

**CB Paulson Adebo, Stanford (D3-21)** - Selected in the third round (76th overall) of the 2021 NFL Draft out of Stanford, Adebo finished his college career playing in 22 games with 21 starts and recording 97 tackles, 34 passes defended and eight interceptions, earning All-Pac-12 in 2018 and 2019. He started in the opener and became the first Saint to record an interception in his National Football League debut since 2002. With three picks, he became only the fifth Saints rookie to reach that level. Overall, he posted 63 tackles (54 solo), three picks and eight passes defended. After missing the first two contests of 2022 with an ankle injury, Adebo posted 60 tackles (51 solo) and seven passes defended.

**DE Marcus Davenport, Texas-San Antonio (D1-18)** - Davenport joined the Saints with the 14th overall pick in the 2018 NFL Draft after showing potential and production as a pass rusher at Texas-San Antonio. In four seasons, Davenport posted 22 sacks, including 8.5 in 2017 when he captured Conference USA Defensive Player of the Year. Davenport's strength on the line is a valuable asset for the Saints front, as he finished second on the team with a career-high nine sacks and added a club-best three forced fumbles and a fumble recovery in 11 games with nine starts in 2021, despite missing six games. In 13 contests in 2022, Davenport posted 29 stops and a split sack.

**LB Kaden Elliss, Idaho (D7-19)** - New Orleans selected this four-year starter from Idaho to compete at both linebacker and contribute on special teams. The Salt Lake City native finished his college career with 288 stops 47 tackles for loss and 17 sacks. After missing the bulk of his rookie year with a knee injury, Elliss showed promise with five stops on coverage units in 2020 and in 2021, his progress continued with 13 stops, one sack, one fumble recovery and one special teams tackle. In 2022, Elliss posted a career-high 74 defensive tackles (41 solo), a career-best seven sacks, second on the team, two passes defended, two forced fumbles and four special teams stops.

**CB Marshon Lattimore, Ohio State (D1a-17)** - The 11th overall selection in the 2017 NFL draft out of Ohio State possesses all the traits of a lockdown defender. With his agile, fluid style, Lattimore has the ability to shut down the best wide receivers. In 2017, he finished with 53 stops, five picks, to lead NFL rookies and the Saints, tying a team rookie record, a club-best 18 passes defended, a forced

fumble and a recovery. Lattimore was the first Saints corner selected to the Pro Bowl since 1995 and selected as AP Defensive Rookie of the Year. In 2021, he reached the Pro Bowl for the fourth time, finishing with 68 tackles, three picks, a career-high and league-best 19 passes defended and a fumble recovery to lead the team with four takeaways. The Saints immediately welcomed the return of Lattimore to the starting lineup on Jan. 1 at Philadelphia, when he returned an interception 12 yards in to the end zone to give New Orleans their first defensive touchdown of the season.

**DT David Onyemata, Manitoba (D4-16)** - Possessing a unique combination of size and speed, this Nigeria native had an impressive rookie year after becoming the first player from the University of Manitoba to be drafted into the NFL. Despite being new to football, the 2016 fourth round draft pick has become a critical member on the interior of the Saints defensive front in 2017, playing in 106 regular season contests with 68 starts, posting 259 career stops, 23 sacks for a loss of 148 yards, one interception, six passes defended, one forced fumble and two fumble recoveries. For the first time in his career, Onyemata recorded sacks in three consecutive contests in 2022 in three straight weeks, as he has anchored the middle of the line with 43 tackles (25 solo), five takedowns to lead the defensive tackles, a pass defense and a fumble recovery.

**CB Alontae Taylor, Tennessee (D2-22)** - A four-year starter at the University of Tennessee, this 6-foot, 193-pound defender possesses a combination of speed, instincts and versatility needed to excel on defense and special teams. After playing quarterback in high school and starting his college career at wide receiver, he took to the secondary quickly, finishing with totals of 162 tackles, a split sack, five stops for loss, three forced fumbles, one fumble recovery for a touchdown, four interceptions, one returned 56 yards for a touchdown, 17 passes defended and a blocked punt. Taylor's played an extensive role on defense and his 11 passes defended led the team to go with 45 tackles (38 solo).

**DE Payton Turner, Houston (D1-21)** - Selected 28th overall in the 2021 NFL Draft, the Texas native comes off a senior campaign where he posted 10.5 tackles for loss and five sacks in only five contests. During four college seasons, Turner notched totals of 115 tackles, ten sacks, 25 tackles for loss, one interception, a forced fumble, ten passes defended and a blocked punt. After having his rookie campaign cut short by a shoulder injury, Turner came back strong in the 2022 season opener at Atlanta with his blocked field goal on the last play of the game securing a dramatic come-from behind 27-26 victory for New Orleans. Oct. 30 vs. Las Vegas, he had his first multiple sack game.

## DEFENSIVE NOTES

The Indianapolis native finished his college career playing in 47 games with 35 starts, recording 185 tackles, 16 stops for loss, four sacks, 11 passes defended, four forced fumbles and two recoveries. Werner helped power the Buckeyes to the College Football Playoff championship game as a senior in 2020, when he was voted by Big Ten coaches as a first-team All-Conference selection and a Butkus Award semifinalist, posting 54 tackles, 2.5 stops for loss, one sack and two forced fumbles. After a rookie campaign with 59 tackles, in 2022, Werner, finished third on the team with 79 stops (55 solo), two forced fumbles, three passes defended and a coverage tackle despite missing five contests with injuries.

**DB P.J. Williams, Florida State (D3b-15)** - Williams' career was initially limited by missing all but two games his first two seasons, but he's become an integral member of the secondary. An experienced starter from Florida State, who developed into one of the nation's top cover corners, Williams has developed the ability to play any position in the secondary. He finished tied for the team lead with three picks in 2021 and added 42 tackles (36 solo), two sacks, four passes defended and one forced fumble, playing in 16 games with four starts. In 2022, Williams played multiple positions and had 26 stops and two passes defended.

A converted quarterback from college who ended up playing both safety and linebacker at Utah, Hansen was originally signed by New Orleans as a free agent in 2019 NFL Draft. After spending the bulk of 2019 and 2020 on the Saints practice squad, Dowell recorded his first career blocked punt on Sept. 26, 2021 at New England. He ranked second on the team with 14 stops and was tied for fifth in the National Football League after having a career-high five tackles (four solo) Dec. 19 at Tampa Bay, the highest single-game total in the NFL in 2021. Oct. 16 vs. Cincinnati, Dowell posted a tackle and a forced fumble, recovered to set up a touchdown. Dowell had four stops and one forced fumble in the last three games for seven on the season.

Sorensen's a ninth-year NFL veteran who signed with New Orleans as an unrestricted free agent from Kansas City, where he spent his first eight NFL seasons, posting 29 coverage stops, one special teams fumble recovery and one blocked field goal to go with 395 defensive tackles, 4.5 sacks, 14 interceptions, 36 passes defended, four forced fumbles and three fumble recoveries. Sorensen finished with eight coverage tackles in 2022 for New Orleans, making a big impact in both phases late in the season, adding picks in two of the last three contests.

**IRON MAN**

Davis who had never missed a game in his career until December 27, 2021 vs. Miami due to COVID-19 protocols, ranks as one of the league's most durable defenders, while playing one of the game's most physically demanding positions. His 158 consecutive games played streak was the longest in the NFL by a position player and his 79 straight games started were the most at his position. In 2022, Davis was one of three Black and Gold starting defenders to open every contest, joining S Tyrann Mathieu and DT David Onyemata. More impressive, he was the only linebacker in the NFL to play in every defensive snap for his teams.

**PETE WERNER**

- New Orleans selected this three-year starter from Ohio State in the second round of the 2021 NFL Draft. The Indianapolis native finished his college career playing in 47 career games with 35 starts, recording 185 tackles (111 solo), 16 stops for loss, four sacks, 11 passes defended, four forced fumbles and two fumble recoveries. Werner helped power the Buckeyes to the College Football Playoff championship game as a senior in 2020, when he was voted by Big Ten coaches as a first-team All-Conference selection and a Butkus Award semifinalist, posting 54 tackles, 2.5 stops for loss, one sack and two forced fumbles. Werner made his second career start Oct. 3 vs. the Giants and recorded a ten tackles. With 13 stops in Week Five at Washington, he became the first Saints rookie defender to reach double-digit totals in back-to-back games. He ranked fifth on the team with 59 tackles.

- Werner enjoyed a standout 2022 season, appearing in 12 games with 11 starts at weakside linebacker and ranked third on the team and second at the linebacker position, despite missing five games, with 79 tackles (55 solo), three stop for loss, three passes defended, two forced fumbles and one special teams tackle.

**KADEN ELLISS**

- A seventh round draft pick of the Saints in 2019 out of Idaho, through hard work in the weight room, classroom and practice fields, Kaden Elliss has developed into an integral part of the 2022 New Orleans defense. Elliss has played in all 17 games with 10 starts at both the strongside and weakside positions, posting 74 tackles to rank fourth on the club, seven sacks for a loss of 41.5 yards, second on the team, two passes defended and two forced fumbles to tie for the team lead. Since moving into the starting lineup on November 13, due an ankle injury suffered by Werner, Elliss responded to his opportunity for a more significant role on defense, by ranking second on the team with 57 tackles (32 solo) and being tied for the team lead with another young upstart from the 2019 draft class, defensive end Carl Granderson in sacks (five) and tied with Jordan with two forced fumbles. Overall in 2022, Elliss played in all 17 games with ten starts and finished with 74 stops (41 solo), seven takedowns to rank second on the team, two passes defended and two forced fumbles.

**SECONDARY****S TYRANN MATHIEU**

- This versatile, hard-hitting, playmaking safety and New Orleans native returned home, signing after the draft and brings extensive experience to the secondary. Mathieu was selected by the Arizona Cardinals in the third round (69th overall) in the 2013 NFL Draft out of LSU and has played

for the Cardinals (2013-17), Houston Texans (2018), Kansas City Chiefs (2019-21) and now the Saints. In ten NFL seasons, he has played in 146 regular season games with 137 starts and has posted career totals of 697 tackles (584 solo), 42 stops for loss, ten sacks for a loss of 78 yards, 29 interceptions for 379 returns yards, three brought back for touchdowns, 90 passes defended, four forced fumbles, seven fumble recoveries and five special teams stops. Mathieu has been selected to three Pro Bowls, three *Associated Press* All-Pro teams and the Pro Football Hall of Fame's 2010's All-Decade Team.

**NOSE FOR THE BALL**

Saints safety Tyrann Mathieu came to New Orleans after starting all 16 games he played in for Kansas City in 2021 and recording 76 tackles, one sack, a career-high three fumble recoveries, one sack and two interceptions to earn his second consecutive Pro Bowl selection. With a team-leading three picks and one fumble recovery, adding up to a team-best four takeaways to go with a career-high 91 tackles (club-best 64 solo) to rank third on the team and first in the secondary.

Mathieu's 29 picks since coming into the league in 2013 are ranked fourth in the National Football League. 2022 marked the fourth consecutive season that Mathieu led the team he played for in picks.

• In 2020, he posted a career-high 62 tackles (52 solo), two interceptions and 11 passes defended as he was voted to the Pro Bowl for the third time. High expectations follow in 2021 as he signed a long-term contract extension to lock up the lockdown corner in the New Orleans secondary.

• After signing a contract extension at the start of the season, Lattimore posted 68 stops, three picks, a career-high 19 passes defended, ranked third in the NFL and one fumble recovery, being selected to his fourth Pro Bowl.

• After missing ten games with an abdomen injury, Lattimore returned to action Jan. 1 at Philadelphia and made an instant impact, tying for the team lead with six solo tackles, a team-high two passes defended and returning an interception 12 yards for a touchdown for New Orleans' first defensive score of the season. He finished the season, starting all seven games he appeared in and posting 21 stops, the pick for a score and four passes defended.

The Texas native finished his college career playing in 22 games with 21 starts for Stanford and recording 97 tackles, 34 passes defended and eight interceptions, earning All-Pac 12 honors in both 2018 and 2019.

• Adebo showed his development by opening opposite Lattimore in the 2021 regular season opening win vs. Green Bay and returning a pick 33 yards in the third quarter to become the first Saints defender to have an interception in his NFL debut since LB James Allen vs. Tampa Bay on September 8, 2002. He then added a second pick in the Week Five win at Washington.
