# MATCH PREVIEW

## MATCH STORYLINES & FAST FACTS

### **PORTLAND HOSTS ANGEL CITY**

After opening the 2025 NWSL season on the road, Portland Thorns FC are set to host Angel City FC for its Home Opener at Providence Park as the Thorns look to chalk up its first three points of the new campaign.

The Thorns are set to kickoff its match against Angel City on Prime Video beginning at 7 pm PT on Friday, March 21.

Providence Park will play host to the 7th regular season meeting between the two clubs and the 11th matchup across all competitions (4 previous meetings in the NWSL Challenge Cup).

### **BACK WHERE IT ENDED**

Portland's last competitive home match was a 3–0 victory over Angel City in the 2024 regular-season finale on November 1.

That was the third time Portland defeated Angel City by at least three goals in all competitions (all at home), its most three-goal wins against any opponent since Angel City joined the NWSL in 2022.

Additionally, it was the final home game for Portland legend and NWSL OG Christine Sinclair. The Canadian international star opened the scoring with her game-winning goal in the 16'.

That 3-0 win in their last meeting also snapped Portland's then 3-match winless streak against Angel City in all competitions.

### **HISTORICAL STRONG HOME STARTS**

Since its inaugural 2013 season, Portland has won 10 of its 11 all-time regular season home openers, with the streak coming to an end after a 0-1 loss to Gotham FC last season on March 24.

### **HOME FORTRESS VS ANGEL CITY**

In addition to its strong home opener record, Portland is undefeated at home against Angel City FC across all competitions (4W-0L-1D).

### **SEVERAL DEBUTS**

Portland saw 3 rookies make their professional debuts in Week 1: defender Jayden Perry (who started and played the full match) and forwards Caiya Hanks and Pietra Tordin (who came on as second half substitutes).

2 other players made their club debuts against Kansas City: defender Kaitlyn Torpey and forward Deyna Castellanos (both started the match). Both joined the NWSL in 2024, with San Diego Wave FC and Bay FC, respectively.

4 players are still in line to make their debuts for their club: rookie midfielder Carissa Boeckmann, defender Daiane, defender Sam Hiatt and goalkeeper Morgan Messner.

### **THE YOUNG VET**

Portland's lone goal in its 2025 season opener at KC came minutes into the second half from 19-year-old Olivia Moultrie.

The young attacking midfielder is now in her fifth season as a professional before the age of 20 and has continued to show excellence and maturity in her game.

With her goal against KC, she became the teenager with the most goal contributions (25) in NWSL history (across all competitions) with 12 goals and 13 assists.

Heading into the match against Angel City, Moultrie has the opportunity to inch herself and the Thorns closer towards some major league and club milestones and no doubt that'll add some fuel to her fire.

### **FIRST HOME OPENER**

The 2025 Thorns Home Opener will be the first home opener for Head Coach Rob Gale since he assumed the role early on last season, initially as interim manager before earning the full-time gig in July.

# MATCH PREVIEW

## MATCH STORYLINES & FAST FACTS

Gale's tenure as head coach for the Thorns actually began at Providence Park, helping the Thorns post a strong 4-1 win against the Houston Dash. He won his first four home matches (vs HOU, WAS, SEA, NC) and ended 2024 with a 7W-5L-1D home record.

Now in the head seat fresh off his first offseason to structure and rebuild the Thorns culture and philosophy on and off the pitch, Gale and staff will look to learn from last week's trip at KC and set Portland up with its best chance of success to start its 2025 home campaign in front of fans on the right foot.

The match will serve as the first official home match for the following players who joined Portland in the offseason: goalkeeper Morgan Messner, defender Daiane, defender Sophie Hirst, defender Oira Kelley, defender Jayden Perry, defender Kaitlyn Torpey, midfielder Carissa Boeckmann, forward Deyna Castellanos, forward Caiya Hanks and forward Pietra Tordin,

Additionally, this match will be the first official home opener for the following Thorns players who joined throughout the 2024 season: goalkeeper Mackenzie Arnold, forward Alexa Spaanstra, forward Reilyn Turner, midfielder Sophie Hirst.

### **A YOUNG, NEW SQUAD**

This is the first season in Thorns history with no field players age 30 or older. The only player over that age is goalkeeper Mackenzie Arnold who is 31. The club has the youngest roster (based on average age) in the NWSL heading into opening weekend at 24.90 — but Portland is one of just five clubs with no U-18 players.

### **MISSING IN ACTION**

As previously mentioned, the 2025 season marks the first year that the Thorns will be without global women's soccer icon Christine Sinclair (who was with the club since its inaugural 2013 season) as well as USWNT and NWSL veteran Becky Sauerbrunn (POR, 2020-24). The two were major veteran leaders in the locker rooms and were synonymous with success in Portland (as well as trailblazers for the growth in popularity of women's soccer on an

international scale), but both hung up their boots at the end of last season, at ages 41 and 39 respectively.

To add to the list of those who will not be available for the Thorns, Morgan Weaver, Marie Müller and Nicole Payne will be unavailable in 2025 due to season-ending right knee injuries sustained in the preseason. Olivia Wade-Katoa remains on the SEI list following her right knee injury last season and Sophie Hirst will also miss the start of the year with a thigh injury.

Perhaps the biggest person that Rob Gale and staff will miss to navigate the 2025 season is star forward Sophia Wilson, who announced at the beginning of March that she was pregnant and would be unavailable for 2025 on maternity leave. Since her arrival to Portland in 2020, Wilson has recorded a combined 44 goals and 15 assists for the Thorns. She was crowned the youngest ever NWSL MVP in league history when she posted a career-high 14 goals on Portland's path to becoming 2022 NWSL champions and winningest team in league history. After an impactful 2024 season in which Wilson registered 12 goals and career-high 6 assists, as well MVP nominations in the last three seasons, the Thorns will need to adapt without one of its major offensive contributors.

### **READY TO LEAD**

Early in March, the Thorns announced that Sam Coffey and Mackenzie Arnold would lead as captains in 2025. Experienced internationals for their countries (United States and Australia, respectively), both will look to fill in the massive leadership voids left behind by Sinclair and Sauerbrunn while also carving their own paths as leaders and helping the Thorns regain their footing as one of the strongest competitors in the NWSL.

### **PORTLAND GK SCORING HERITAGE**

Portland's Bella Bixby became only the second goalkeeper in NWSL history to score a goal when she did so in the dying seconds of the match against Angel City FC on April 29, 2023, rescuing a point in a 3-3 draw to keep Portland's undefeated

home streak going against Angel City. The only other goalkeeper to score in the NWSL was Michelle Betos on June 19 2015 for Portland, also scoring a late equalizer off a corner to post a 1-1 draw at home vs FC Kansas City.

## MILESTONE WATCH

### **Bella Bixby - Regular Season Club Shutouts**

Currently has 24 shutouts and is 1 away from becoming the 7th goalkeeper in NWSL to reach 25 for one club. If she reaches the milestone, she would be the second Portland keeper to do so after AD Franch who recorded 26 as a Thorn.

### **Sam Coffey - Regular Season Club Assists**

Currently has 13 assists and is 2 behind Sophia Wilson for 4th-most in Thorns history.

### **Olivia Moultrie - Regular Season Club Goals**

Currently has 11 goals and her next goal will tie her with Tobin Heath and Hayley Raso for 9th in club history.

### **Olivia Moultrie - Regular Season Goals by Teenager**

Currently has 11 goals and is 3 away from recording the most goals by a teenager in the NWSL. Moultrie has until her birthday in September to score 3 more times to beat the record currently held by North Carolina's Jaedyn Shaw who bagged 13 goals before turning 20 last November.

### **Olivia Moultrie - Regular Season Club Assists**

Currently has 9 assists and is 1 away from becoming the 10th player in Portland history to record at least 10 assists.

### **Hina Sugita - Regular Season Club Goals**

Currently has 13 goals and is 2 away from becoming the 8th player to reach the 15-goal mark as a Thorn.

### **Hina Sugita - Regular Season Club Assists**

Additionally, currently has 12 assists and is 1 behind Sam Coffey and Allie Long for 5th-most in Portland history.

## NOTABLE QUOTES

### Head Coach Rob Gale

*On his thoughts of the match vs KC...*

"Naivety at the start cost us. The disappointing thing is we didn't make them earn their goals; we gifted them. After that, I thought we settled in well moving the ball as the better football team, but naivety again. We're 3-0 down after four shots and everything we worked on all week was to not let KC get up and get the crowd going to stay in the game longer. A backline average age of 23, center back pairing average age of 22.5, hard professional lessons for them, a couple of them making their debuts for us. They've got to learn those lessons quick. Second half, KC didn't have a shot on target, and we get back in it. The disappointing thing though really is the manner in which we conceded and didn't make them earn it. We got caught in possession and got punished by some quality players."

*On what needs work ahead of the Thorns Home Opener...*

"We've got to be brave and play our way. That was the only disappointing thing in the first half was, we had players shy away from the ball. I had the most experienced lineup available to me... and I need them to be braver and get on the ball. We got to be braver, be more aggressive like we were in the second half. We won the second half, they didn't get a shot and those are the things to take in. Lessons learned for the youngsters and now it'll be a very different game when we're at home and buoyed by our crowd. We'll make sure we're ready on the front foot."

*On the professional debuts of Thorns rookies...*

"We've got a lot of first-year or new players. They're good enough to play and you can see that. I have full faith in them, but we will develop and improve them. They're ready to go as a team and the togetherness is there...there's a lot more to come from this team."

*On Sam Coffey's leadership as captain...*

"It's not new to her, it's not a new role. She's a leader... always has been a leader for us and we have full trust in her."

### Midfielder Olivia Moultrie

*On her maturity with the team despite still being a teenager...*

"I've always been the person saying if you're good enough, you're old enough. There's no such thing as an age requirement for any of this. Obviously, with my history with this league and for me personally, I've grown as a player and as a person as I've been with this team. These things are natural evolution for me. It's like, 'How can I help my team?' or 'How can I do what I need to do for us to win games?' That's what's happened for me."

*On her thoughts of the improvements in second half vs KC...*

"We came into halftime knowing we needed to take back control of the momentum. We can't keep allowing them to play the long balls, get on the end of it and use their speed. We need to get [the ball] out of there and grab the game back. We came out there like 'we will give away no more goals... and we got to get after it and push everything we have forward.' We came out with a renewed energy. Obviously, that's how we got to start but it's a good lesson for us to learn in a place where they do have a crowd, and they do have that support behind them. We now understand how that feels, and we'll be ready for the next one."

*On attacking versatility being demanded across the team...*

"The way we want to play, goals will come from multiple places. The way we interchange, rotate and move, being free with how we play... I do believe the goals will be shared a little bit this year and everyone is looking to step up to fill anything that's been lost."

*On what to clean up ahead of Portland's 2025 Home Opener...*

"I'm a strong believer in being free and not being in a set role. I do believe Rob feels the same way, so that's how we play. I might start in a different spot or XYZ might start in a different spot, but our freedom to try and fill the gap and spaces that are needed, it's more about that as opposed to 'we need a winger here and we need a forward there.' It doesn't matter who does it going into next week. I think the lessons learned this week are obvious: we got to start the game strong, and we got to be ready... and I absolutely think being at home next week will give us that momentum and pick us back up for the year."

# 2025 TECHNICAL LEADERSHIP

## JEFF AGOOS, PRESIDENT & GENERAL MANAGER OF SOCCER OPERATIONS

Jeff Agoos was named President and General Manager of Soccer Operations for Portland Thorns FC on January 7, 2025. A legendary figure in American soccer, Agoos brings unparalleled expertise and an extensive track record of success to his leadership role with the Thorns.

Agoos is one of the most accomplished players in Major League Soccer (MLS) history, with a career that spanned more than a decade at the highest levels of the game. As a standout defender for the U.S. Men's National Team, Agoos earned 134 caps and represented his country in three FIFA World Cups—1994, 1998, and 2002. His defensive prowess and leadership on the international stage were integral to the success of the U.S. during his tenure, and he remains a central figure in the country's soccer history.

A key contributor to the dominance of MLS in its early years, Agoos played for two of the league's most successful franchises—D.C. United and the San Jose Earthquakes. During his career, he amassed five MLS Cup championships, the most by any player in league history. His time with D.C. United saw him win MLS titles in 1996, 1997, and 1999, while his later years with San Jose were highlighted by additional titles in 2001 and 2003, cementing his place as one of the league's most decorated players. In recognition of his extraordinary career, Agoos was inducted into the National Soccer Hall of Fame in 2009.

Following his retirement from playing in 2005, Agoos transitioned to executive leadership, where he has continued to shape the landscape of American soccer. He served as Technical Director for the New York Red Bulls, a role in which he was responsible for overseeing player development, team operations, and strategic direction. Most recently, Agoos held the position of Senior Vice President of Competition, Operations, and Medical at Major League Soccer. In this capacity, he played a pivotal role in the league's growth, overseeing key areas such as competition integrity, operations, and player welfare, all while enhancing MLS's global standing.

## MIKE NORRIS, TECHNICAL DIRECTOR

Mike Norris was named Technical Director of Portland Thorns FC after serving as the team's fifth head coach. In his new role, Norris will focus on scouting, talent acquisition, and player development. As head coach, he posted a record of 10-7-8 in 25 NWSL matches.

Before joining the Thorns, Norris spent eight years with Canada Soccer, where he served as the set play and goalkeeper coach for the Canada Women's National Team from 2019 to 2021. During that time, Canada won a gold medal at the Tokyo 2020 Olympics.

Born in Ashington and raised in Newcastle upon Tyne, Norris brings a wealth of experience in soccer both internationally and domestically to his role with the Thorns.

## ROB GALE, HEAD COACH

Rob Gale was appointed Head Coach of Portland Thorns FC in July 2024.

Gale joined the Thorns in March 2023 as an assistant coach under Mike Norris. He became the first Zambian-born individual to coach an NWSL team and win a league match.

Before his time with Portland, Gale built a strong coaching background at both the youth and professional levels. He began as a youth coach in NYCFC's academy system before becoming head coach and general manager of Valour FC in the Canadian Premier League. Additionally, he worked as a youth coach for Canada's national team programs, contributing to the development of emerging players.
