## MATCH STORYLINES & FAST FACTS

### **THORNS HEAD NORTH FOR CASCADIA RIVALRY**

Fresh off their first win of the season, Portland Thorns FC now gear up for an intense road battle against bitter rival Seattle Reign FC in the latest edition of the Cascadia Rivalry.

Portland is set to kickoff its match against Seattle on Prime Video beginning at 7 pm PT on Friday, April 18.

### **UNBEATEN RUNS VS SEATTLE**

The Thorns will enter this weekend's contest **undefeated in its last five matches againsts Seattle across all competitions (3W, 2D) and unbeaten in their last seven regular season meetings (3W, 4D) since October 2021.**

The Thorns have **only lost once since April 2022 in the last nine meetings across all competitions** when facing off against the Reign.

In addition, the Thorns will look to extend its current **5-match unbeaten run at Seattle's Lumen Field (1W, 4 D) which dates back to March 2022.**

### **ROB VS REIGN**

Thorns Head Coach Rob Gale enters this weekend's contest **undefeated in three matches against Seattle across all competitions (2W, 1D).**

Additionally, Portland have kept **clean sheets in all three matches against Seattle under the leadership of Rob Gale. (4-0, 0-0, 1-0 in Summer Cup).**

### **RIVALRY HISTORY**

There's no debating that the Cascadia Rivalry is the most historic rivalry in the NWSL, with the POR-SEA matchup being the most common matchup in league history with **41 previous encounters across all competitions.**

Since their inaugural meeting on April 21, 2013 (a match that the

Thorns hosted and won 2-1), the Thorns have gone on to **lead the series with a 16W-15L-10D record and outscoring the Reign 46-36.**

Two Thorns players sit amongst the top five scorers in the rivalry's history: **T-2nd, Christine Sinclair (2013-2024) with 5 goals and 5th Hina Sugita (2022-) with 3 goals.**

These two teams are **tied for most PK attempts in NWSL regular-season history with 47 each**, a stat that showcases the longevity of impact these two teams have had in U.S. pro women's soccer. To top that off, **Portland has made the most all-time PK saves in league history (11 of 32 faced, including two saved by Mackenzie Arnold since she joined the club last August).**

To cap off this section, **not one player has received a red card or scored a hat trick in the history of this rivalry.**

### **THORNS-ROYALS RECAP**

As previously mentioned, the Thorns recently picked up their first NWSL win of 2025 when they **defeated Utah Royals 1-0 on the road.**

Thorns forward **Reilyn Turner found the back of the net in 14'** with an open-net tap in following wonderful link up play between midfielder Hina Sugita (who got the assist) and forward Deyna Castellanos.

The Thorns defense also shined that night, **shutting out the Royals offense and limiting them to only one shot on target the entire night.**

In addition to that being **Portland's first ever win at Utah**, it was also **one of six road wins recorded in the NWSL that week**, a league record in single-week road wins.

### **BIXBY'S BACK!**

Last week's win against Utah saw the return of goalkeeper Bella Bixby in goal, **keeping a clean sheet in her first NWSL match since**

## MATCH STORYLINES & FAST FACTS

October 15, 2023 after missing 2024 on maternity leave.

That shutout vs Utah was Bixby's 25th clean sheet with Portland, second-most in club history behind AD Franch.

She's now one shutout away from tying the club record (26) and tying 6th in league history for most clean sheets with a single club.

### TURNER'S STRONG START

Reilyn Turner has found quite the confidence to start the 2025 season, having scored the last two goals for Portland to lead the team in goals.

Turner - who's started in 3 of the last 4 matches - now has 10 goals across all competitions since joining the NWSL last season. The only American with more goals for NWSL teams in that timespan? Sophia Wilson with 13.

Turner has attempted 14 shots with a total expected goals value of 3.11, both second best in the NWSL in 2025, while her 32 touches in the opponent's box are the most by any player this season.

### HINA CLIMBS ASSIST LEADERBOARD

Since joining the club in 2022, the Japanese international Hina Sugita has become a highly impactful figure for the Thorns.

With her game-winning assist against Utah, Hina Sugita tied for 5th-most assists in club history (13) alongside Sam Coffey and Allie Long plus leads the club in assists to start the season (2).

### ALIDOU'S ARRIVAL

Canadian international forward Mimi Alidou registered her Thorns and NWSL debut against Utah, coming into the match as a second half substitute. In 31 minutes played, she registered two shots (one on target) and 20 touches with a 5/7 (71%) accurate passes.

Coming to Portland after spending her entire eight-year career

abroad in Europe - winning numerous domestic titles and competing in the UEFA Women's Champions League - Alidou will look to bring veteran experience and leadership on the front line for a Thorns squad that is the youngest in the league (25.10).

### THE TECHNICAL STAFF GROWS

It was made official on Monday this week that the Thorns had three new additions to its technical staff: first assistant coach Adam Day, goalkeeper coach Jordan Felgate and mental performance coach Dr. Rachel Hoeft.

It's no secret that Rob Gale and staff have been a bit short-handed in their department to start the season but as the technical staff continues to grow, so does the ability to better hone in on individual and team development and improve match planning and preparedness.

Adam Day joins having last served as the Assistant Coach for the Wales Women's National Team (2024-25) - which recently clinched qualification to its first major championship, the UEFA Women's Euro 2025 - and was Technical Assistant for the Canada Women's National Team (2021-23) where he helped Les Rouges clinch their historic Olympic Gold Medal in 2021 and a runner-up finish in the 2022 CONCACAF W Championship. He also has experience working at notable clubs like Arsenal, Charlton Athletic and Vancouver Whitecaps.

Jordan Felgate has already been making an impact since coming on ahead of the Angel City FC home draw, with the Thorns recording back-to-back clean sheets against North Carolina Courage and Utah Royals. Prior to joining the Thorns, Felgate was previously the U18 Goalkeeping Coach for the Football Association of Wales (2024-25). Felgate served as the Head of Academy Goalkeeping for Norwich City (2022-24) and Blackburn Rovers (2017-22) and has experience coaching senior and academy squads at clubs like Manchester United, Stockport County, Manchester City, Lancashire FA and Bolton Wanderers. With over nine years of experience, Dr. Rachel Hoeft will come in

ready to help the youngest squad in the NWSL better develop and utilize mental skills and strengths to optimize performance and empower rehabilitation.

## MILESTONE WATCH

### **Bella Bixby - Regular Season Clean Sheets**

Currently has 25 clean sheets and needs 1 more to tie AD Franch's club record of 26 as well as 6th-most in league history for a single club.

### **Team - Regular Season Clean Sheet Streak**

If the Thorns are able to keep a clean sheet against Seattle, it would be the first time that the Thorns record three straight shutouts in a single regular season since 2021 (July 24, 1-0 @ HOU; Aug. 1, 2-0 vs KC; Aug. 7, 0-1 @ WAS).

### **Sam Coffey - Regular Season Assists**

Currently has 13 assists and is 2 behind Sophia Wilson for 4th-most in Thorns history.

### **Sam Coffey - Regular Season Assists**

Currently has 13 assists and is 2 behind Sophia Wilson for 4th-most in Thorns history.

### **Olivia Moultrie - Regular Season Goals**

Currently has 11 goals and her next goal will tie her with Tobin Heath and Hayley Raso for 9th in club history.

### **Olivia Moultrie - Regular Season Goals by Teenager**

Currently has 11 goals and is 3 away from recording the most goals by a teenager in the NWSL. Moultrie has until her birthday in September to score 3 more times to beat the record currently held by North Carolina's Jaedyn Shaw who bagged 13 goals before turning 20 last November.

### **Hina Sugita - Regular Season Goals**

Currently has 13 goals and is 2 away from becoming the 8th player to reach the 15-goal mark as a Thorn.

## NOTABLE QUOTES

### **Head Coach Rob Gale**

#### ***On the team's performance vs Utah... (Post UTA)***

"You saw tonight, this is a difficult place to come, they throw a lot at you. When you've got something to protect like the lead, it provides us the energy and we're very good in those transitional moments. I thought probably both halves we could have been a little bit better at burying those [chances] and put the game to bed, but we restricted them to one shot on target tonight. Away from home, considering all the preparation for this game, which was basically 15 minutes of [11v11] on Thursday morning before travel and long-haul flights, I've got nothing but praise for the players today for the effort and the win."

#### ***On POR's performance against UTA in comparison to their preseason meeting... (Post UTA)***

"We showed maturity in game management. Changing the press and getting organized, you know they have a very big threat in Ally Sentnor. We knew we needed to press the 6's and take care of the opposite pocket and close the spaces because it's a team that when they get turned at you, they get a lot of shots... so I thought it was a mature performance from the group but especially given the preparation to this game. I can't speak highly enough of the players and to come back from international duty all over the world... and to come in here with the altitude and deal with a difficult opponent, it's hard to win here [and] - we always say - away from home in the NWSL. Really delighted for them... that's two clean sheets in a row, three games undefeated for this group."

#### ***On Bella Bixby's return... (Post UTA)***

"When you go through that experience in life and to give birth, to be a mom and deal with everything and the changes in your body - emotional, physical, hormonal - and you've always been recognized as an elite athlete and then your body changes and you have to work continuously hard whilst still trying to be a mom... she's got a great support system [Lauren obviously earlier] and for the family to be there and enjoy that, I was really proud of her. I told my daughter the lineup today earlier and she goes 'Oh, Bella is my favorite! She's going to keep the clean sheet.' I told Bella that before the game as well that she's my daughter's favorite and she cemented that position tonight."

#### ***On Hina Sugita becoming 5th all-time in regular season assists... (Post UTA)***

"Hina is terrific. We love her, she's got great quality. I'm not surprised that she's up there in the assist leaders, really pleased for her."

#### ***On Mimi Alidou's debut... (Post UTA)***

"I thought Mimi was very effective when she came on, almost setup the second goal. She'll get used to the speed of play, tempo and physicality of the league. She got ran over a few times, but you can see that she's a threat. Again, she's just met the team properly on Thursday, so to come into the game like that...we're glad to get her out there. She's going to be a great addition, and it gives us more options. She's versatile in those attacking threats and you caught a good snapshot of that. With her experience too at 29 years old, we've added a little bit of experience to the group and that frontline, which we need."

#### ***On preparation for the Cascadia Rivalry... (Pre SEA)***

"The focus is on us. There are lots of similarities to Utah, but [Seattle] is a bigger threat with better quality... got to be diligent. We got to make the right matchups, right decisions, not sag off and know when to build and initiate pressure in the right areas and stop them from playing the game they want to play at home. We're going to have to be at our best for sure because it's a very different Seattle team than it was last year."

#### ***On who's been speaking up in the locker room ahead of the Cascadia Rivalry... (Pre SEA)***

"There have been important reminders [internally] because of what it means to fans, the rivalry and history of that. Bella [Bixby] of course, who is the Portland native we have here and Sam Coffey gave a good reminder. The leaders understand what's on the line in a derby and how that can get heightened."

### **Goalkeeper Bella Bixby**

#### ***On her return to NWSL action... (Post UTA)***

"It's been 18 months since I last played in a match and that can feel like a long time. I really went into this game trying to keep it simple and focus on what makes me "me" and not anyone else. It can be overwhelming when you're out for so long and so many injuries that keep you out for a long time; maternity leave keeps you out even longer... It was going into the game not trying to focus on what was going to happen in the end. It was more like one action at a time. [I was] so fortunate to have my

family be here with me with my daughter up in the suite and think about her when I felt the nerves creeping in. It's no secret that it's a lot of work to come back from having a baby. You spend nine months growing her and that feels like you can't do anything... it feels like it's been so long but at the same time, it was like riding bike out there. Other moms in the league know how hard it is to go back out there and I'm proud of myself and I know my family is proud of me."

### ***On her 25th clean sheet for POR... (Post UTA)***

"Clean sheets are 100% a team effort. It's not just any one person so big shoutout to the backline. The team really stepped up all over the field to just get in these gritty tackles and put their bodies on the line. The clean sheet is a testament to the effort that was out there. It's not easy to come into altitude in an away game and continue that into a 90-minute performance so it was really professional of the team to make that defensive effort for 90 minutes."

### **Forward Reilyn Turner**

#### ***On the win against UTA... (Post UTA)***

"We hadn't had a win yet, so I think playing simple and calm was the biggest focus for us going into this game. We had a majority of the possession, and I feel like we were able to keep them back in the first half. Second half was more of a defensive effort but overall, it was a good performance and it's something to build off moving forward."

#### ***On her game winning goal... (Post UTA)***

"I definitely didn't do all the work, I would call it a tap in. Like I said before, it was a team effort... we were able to combine around the box and that just goes along with patience, playing together not forcing things. Things fell in line with each other, and I was able to be there at the right time. It's nice getting a goal in our first win this season."

### **Forward Mimi Alidou**

#### ***On what she hopes to bring to the Thorns... (Pre SEA)***

"What I can bring as a player in environment is playing front footed, joining the attack. I have played in different positions in the final third so I've played attack in mid inverted winger, false 9. So I feel like whatever role they will ask me to play, I'll be able to help the team and that aspect and I really like joining the attack like on late runs and stuff to score or assist."

#### ***On her time as a Thorn so far... (Pre SEA)***

"Everyone has been really welcoming and that's something I felt also before coming here, speaking with the staff that everyone was so enthusiastic and welcoming. I felt that like the first day... so that's definitely something that is helping me adjust pretty quickly. I can feel the atmosphere that everyone bleeds Portland Thorns and that really that really excites me as a player to play an environment where people love their club and will do anything for the badge."

#### ***On settling in and exploring Portland... (Pre SEA)***

"I have had the chance to walk a little bit in the city center and by the water. I've been here for a couple days only and I have other things to kind of focus on but to explore, I think definitely in the coming weeks, I will go and find maybe a coffee shop that I like. I don't even know where to go do my groceries yet but I feel like I kinda need to be settled down first. But so far, it's pretty and the last time that I came to visit I was able to see the cherry blossom tree and it was really pretty."

#### ***On what brought her to Portland and the NWSL... (Pre SEA)***

"I think I was at the stage in my career where I needed more challenge on the pitch for games and trainings. The style of play is really different for sure. It's mainly possession, sometimes transitional, but it's the speed of play and everything that is not the same. Here you get less time on the ball... so I think playing here in the NWSL is going to be really big for me and I'm going to learn so much surrounded by a lot of good players."

#### ***On the anticipation ahead of her first Cascadia Rivalry... (Pre SEA)***

"Everyone is firing up this rivalry, you can feel it since the beginning of the week... we need to be warriors... it's gonna be really combative game. Sam Coffey has been really pushing everyone and reminding people that it's a game that we will have to go to war."

# 2025 TECHNICAL LEADERSHIP

## JEFF AGOOS, PRESIDENT & GENERAL MANAGER OF SOCCER OPERATIONS

Jeff Agoos was named President and General Manager of Soccer Operations for Portland Thorns FC on January 7, 2025. A legendary figure in American soccer, Agoos brings unparalleled expertise and an extensive track record of success to his leadership role with the Thorns.

Agoos is one of the most accomplished players in Major League Soccer (MLS) history, with a career that spanned more than a decade at the highest levels of the game. As a standout defender for the U.S. Men's National Team, Agoos earned 134 caps and represented his country in three FIFA World Cups—1994, 1998, and 2002. His defensive prowess and leadership on the international stage were integral to the success of the U.S. during his tenure, and he remains a central figure in the country's soccer history.

A key contributor to the dominance of MLS in its early years, Agoos played for two of the league's most successful franchises—D.C. United and the San Jose Earthquakes. During his career, he amassed five MLS Cup championships, the most by any player in league history. His time with D.C. United saw him win MLS titles in 1996, 1997, and 1999, while his later years with San Jose were highlighted by additional titles in 2001 and 2003, cementing his place as one of the league's most decorated players. In recognition of his extraordinary career, Agoos was inducted into the National Soccer Hall of Fame in 2009.

Following his retirement from playing in 2005, Agoos transitioned to executive leadership, where he has continued to shape the landscape of American soccer. He served as Technical Director for the New York Red Bulls, a role in which he was responsible for overseeing player development, team operations, and strategic direction. Most recently, Agoos held the position of Senior Vice President of Competition, Operations, and Medical at Major League Soccer. In this capacity, he played a pivotal role in the league's growth, overseeing key areas such as competition integrity, operations, and player welfare, all while enhancing MLS's global standing.

## MIKE NORRIS, TECHNICAL DIRECTOR

Mike Norris was named Technical Director of Portland Thorns FC after serving as the team's fifth head coach. In his new role, Norris will focus on scouting, talent acquisition, and player development. As head coach, he posted a record of 10-7-8 in 25 NWSL matches.

Before joining the Thorns, Norris spent eight years with Canada Soccer, where he served as the set play and goalkeeper coach for the Canada Women's National Team from 2019 to 2021. During that time, Canada won a gold medal at the Tokyo 2020 Olympics.

Born in Ashington and raised in Newcastle upon Tyne, Norris brings a wealth of experience in soccer both internationally and domestically to his role with the Thorns.

## ROB GALE, HEAD COACH

Rob Gale was appointed Head Coach of Portland Thorns FC in July 2024.

Gale joined the Thorns in March 2023 as an assistant coach under Mike Norris. He became the first Zambian-born individual to coach an NWSL team and win a league match.

Before his time with Portland, Gale built a strong coaching background at both the youth and professional levels. He began as a youth coach in NYCFC's academy system before becoming head coach and general manager of Valour FC in the Canadian Premier League. Additionally, he worked as a youth coach for Canada's national team programs, contributing to the development of emerging players.
