2024 Pensacola Blue Wahoos Media Guide

QUINT STUDER

PRINCIPAL OWNER

Quint and his wife, Rishy, moved to Pensacola in 1996 and have been investing in the city's future since. A titan in the field of healthcare, he headquartered Studer Group before devoting his career to philanthropy and community building. The Studers have played an integral role in the re-invigoration of downtown Pensacola, building Blue Wahoos Stadium and Studer Children's Hospital and opening numerous businesses including the Bodacious Shops and Bubba's Sweet Spot on historic Palafox Street.

The Studers began their journey in baseball in 2002 with the purchase of the independent Pensacola Pelicans. Over the next seven years, they guided the team through multiple league changes and began construction on a downtown waterfront ballpark. In 2010, the Studers purchased the Carolina Mudcats Double-A franchise and moved them to Pensacola, re-naming them the Blue Wahoos.

Today, Studer is a best-selling author in both business and health care fields, and leads the Studer Community Institute, Studer Foundation, Studer Properties, Vibrant Communities, and the EntreCon and CivicCon conferences while continuing to invest in Pensacola.

RISHY STUDER

PRINCIPAL OWNER

Born and raised in Chicago as the fourth of six children, Rishy Studer quickly learned the meaning of sharing and giving, which she has carried throughout her life. Her mother was a school teacher in the Chicago public school system for more than 30 years. She attended the University of Wisconsin-Whitewater, the same alma mater as her husband, meeting post-graduation while both were working in nearby Janesville, WI. The couple has been married for 36 years and has five children and seven grandchildren. When the Studers moved to Pensacola, Rishy began working at the gift shop at Baptist Hospital where her husband was president and helped transport patients to Gulf Breeze Hospital. Upon formation of the Studer Group in 2000, Rishy handled finances and hiring for the company until 2010. She created the Bodacious Shops on Palafox and Main Street in downtown Pensacola and a similar brand of shops in Janesville. She serves as CEO of the businesses within that group. She also created the Five Sisters Blues Café on Belmont-DeVilliers Street and helped direct the Southtowne Apartments. Rishy also directs the Studer Foundation and the hundreds of benefactors of the organization.

JOHN LIST

MINORITY OWNER

John is an economist at the University of Chicago, recognized for his pioneering contributions to the field of economics. The author of over 200 academic publications, List served on the President's Council of Economic Advisors as a Senior Economist from 2002-2003 and has been elected to the American Academy of Arts and Sciences. He was a finalist for the Nobel Prize in economics in 2015 and is co-founder of the Thirty Million Words Center for Early Learning with Dana Suskind.

MINORITY OWNER

BUBBA WATSON

Growing up in the small community of Bagdad, FL, Bubba learned to play golf at a young age from his father, Gerry, who provided a cut-down club so his son could play in the backyard. Without ever taking formal lessons or having a golf coach, he rose to become one of the most remarkable success stories in professional golf history. After playing for Milton High School, where he followed fellow grads and eventual PGA Tour pros Boo Weekley and Heath Slocum, Watson turned pro in 2002 following graduation from the University of Georgia and qualified for the PGA Tour in 2006. He catapulted into world golf fame by winning the Masters Tournament in 2012 and 2014. Those major championships are part of 12 PGA Tour wins for Watson. As one of the few left-handed golfers in professional golf, Bubba has dazzled with his booming tee shots and imaginative shot-making skills. In 2014, Bubba and his wife, Angie, founded the Bubba Watson Foundation to improve and enhance their efforts to assist those in need. Since returning to Pensacola with his family, Bubba has invested heavily in the community, opening Bubba's Sweet Spot downtown, donating generously to the Studer Family Children's Hospital, and becoming a part-owner of the Blue Wahoos with business partner Randall Wells.

MINORITY OWNER

DERRICK BROOKS

Born and raised in Pensacola, Derrick went from youth football with the Pensacola Baby Rattlers to becoming a national High School All-American at Booker T. Washington. He was a two-time All-American linebacker at Florida State before being selected in the first round of the 1995 NFL Draft by the Tampa Bay Buccaneers. In 14 seasons, he was an 11-time NFL Pro Bowl selection and helping lead Tampa Bay to a Super Bowl title in 2003. He was chosen on first ballot to the Pro Football Hall of Fame in 2014 and is one of just 13 outside linebackers in NFL history to reach the Hall of Fame. He was recently named among the 100 greatest NFL players for the NFL's celebration of its 100th season. Since retiring in 2009, Brooks has made an equal name in the worlds of business and philanthropy. Through Derrick Brooks Charities, he has worked to reach socioeconomically challenged children in Tampa Bay with his Brooks Bunch Academies, Youth Programs, and Rites of Passage. He co-founded the Studer/55 Community Athletics program, bringing NFL Flag Football to Pensacola, and joined the Blue Wahoos as a minority owner in 2018.

MINORITY OWNER

DANA SUSKIND

A professor of Surgery and Pediatrics at the University of Chicago Medical Center, Dana is the co-founder and co-director of the Thirty Million Words Center for Early Learning. She is a popular author and the recipient of numerous awards including the 2017 Weizmann Women for Science and Vision and Impact Award. The founder of UChicago's Pediatric Hearing Loss and Cochlear Implant program, she is devoted to treating children born with hearing loss.

ADMIRAL FETTERMAN FIELD AT BLUE WAHOOS STADIUM

On September 23, 2015, the field at Blue Wahoos Stadium was officially renamed Admiral Jack Fetterman Field to honor the memory of Fetterman, a three-star Vice Admiral in the U.S. Navy who retired in Pensacola and became a prominent civic leader, dedicating himself, alongside his wife Nancy, to preserving Pensacola's history.

A Pennsylvania native, Fetterman graduated from college in 1954 and enlisted in the U.S. Navy. He made his first trip to Pensacola soon after to attend the Aviation Officer Candidate School at Naval Air Station Pensacola.

He rose in rank and was appointed Rear Admiral and then Vice Admiral, assuming command duties of the U.S. Naval Air Force Pacific Fleet in San Diego, a capacity he served in until 1990.

In 1991, Fetterman returned to Pensacola where his Naval career began and assumed duties as Chief of Naval Education and Training before retiring from active duty in 1993. During his illustrious Naval career, he formulated and produced the Core Values Training program, earning him the title of “Father of Navy Ethics.”

He then became president and CEO of the National Naval Aviation Museum at NAS-Pensacola. Under his leadership, the museum grew in capacity and scope, making the facility one of the largest air and space museums in the world.

In addition to his work at NAS-Pensacola and in other U.S. Navy positions, Fetterman served his community in roles that included Chairman of the Pensacola Mayor Community Core Values Board and Chairman of the Pensacola Chamber of Commerce.

STADIUM UPDATES

Prior to the 2019 season, the Blue Wahoos invested over a half-million dollars in improvements to Blue Wahoos Stadium, most notably by transforming their traditional concession stands into a series of restaurant-style, themed concession storefronts that drove industry-leading Net Promoter Scores for the team and took home Ballpark Digest's Best New Concessions Experience award.

Leading up to the 2020 season, the Blue Wahoos continued to invest in their ballpark, dramatically enhancing player amenities and fan safety including adding 250 feet of expanded protective netting and adding \$500,000 in renovations to the home clubhouse area. Player amenity renovations included expanding the clubhouse by 15 feet, all-new lockers, furniture, and carpet, transitioning a family waiting room into a dual-purpose dining room and classroom, and building a strength coach's office inside the weight room.

In advance of the 2022 season, additional significant investments were made in Blue Wahoos Stadium to ensure the ballpark is compliant with Major League Baseball facility standards and requirements for Minor League stadiums.

The playing surface at Blue Wahoos Stadium was transitioned from natural grass to synthetic field turf before the 2022 season. The Field Turf synthetic grass maintains the look and feel of natural grass while bringing the stadium into alignment with MLB facility standards and allowing Marlins prospects to prepare for the Major Leagues on a playing surface nearly identical to the synthetic field at loanDepot park in Miami.

Blue Wahoos Stadium was brighter than ever in 2022 thanks to newly-installed Musco LED stadium lights. The new lighting system improves visibility for players, fulfills MLB facility requirements, and offers the team the ability to add multi-colored lighting shows to fans at games and events.

As part of the team's 10-year beverage contract with Pepsi, the Blue Wahoos and Pepsi partnered to construct the Pepsi Pirate Deck in the centerfield seating area at Blue Wahoos Stadium in 2022. The 875-square-foot ship-themed party deck has capacity for approximately 50 fans on game days.

2024 Pensacola Blue Wahoos Media Guide

IN THE COMMUNITY

The mission of the Pensacola Blue Wahoos is to improve the quality of life in their local community. Each season, the team's staff and players participate in a robust community service program, making a profound difference in the lives of thousands across northwest Florida. For their efforts, the Blue Wahoos have won the Southern League Community Service Award five times as a franchise.

KAZOO'S READING PROGRAM

Kazoo's Reading Program reached thousands of elementary school students in local schools prior to the 2024 season, encouraging and rewarding literacy skills. During the course of the program, each school received a personal visit from Kazoo and participating students were given Blue Wahoos bookmarks. Students who read four or more books were rewarded with a free ticket to a Blue Wahoos game.

CHARITABLE DONATIONS

The Blue Wahoos made regular donations to local non-profits during the 2023 season. Beyond direct contributions, the team invites local non-profit organizations to fundraise at the stadium on a nightly basis through the team's concessions and parking programs as well as their 50/50 Raffle.

HOME RUN FOR LIFE

Each month, the Blue Wahoos partner with Sacred Heart Hospital to grant a local child battling severe medical issues an inspirational Home Run For Life at Blue Wahoos Stadium. During the ceremony, the game is paused midway to allow the participant to take a home run trot around the bases and high five the full roster of both teams while their story is told to the fans. Since 2013, more than three dozen children have participated, raising awareness for Sacred Heart's pediatric specialty care.

NPO FUNDRAISING

In addition to their standard in-stadium fundraising, the Blue Wahoos offer local non-profits opportunities to raise money through volunteer opportunities in the concessions at Blue Wahoos Stadium. Local charities joined Blue Wahoos staff to serve fans and customers at the ballpark during the 2023 season.

BRAIN BAG INITIATIVE

The Blue Wahoos implemented a new fundraising system in their box office in 2019, allowing fans to donate a portion of their ticket purchase to the Studer Community Institute to support their Brain Bag Initiative, raising \$1,500. Each year, 5,000 new mothers in Escambia County receive an early literacy gift bag from SCl that includes educational resources to help develop their child's brain before they become school-age, significantly improving the child's educational outcomes later in life.

FIELD RENOVATION

Each season, the Blue Wahoos partner with Waste Management to provide a full field renovation to a local ballpark. In early 2024 Blue Wahoos staff renovated the Gulf Point Resource Center in Pensacola, helping ensure youth athletes have great places to play in the community.

PRO BASEBALL IN PENSACOLA

The Pensacola Blue Wahoos follow a proud tradition of professional baseball in Pensacola dating back to the 19th century. First recorded in the area in 1867 as a growing leisure activity, the sport saw early clubs like the Mallorays, Hope, Pastimes, Harwells and Dudes play in Seville Square and other open spaces near downtown. Other "city league" teams, like the East Ends, Eddys, Rounders, Warringtons and Orioles, played regularly against area clubs. Barnstormers, from the famed House of David team to MLB clubs like the New York Yankees, also passed through town regularly to play the various local teams. The Pensacola Flyers, birthed in 1909 just months after the first military flight, found success playing other city teams in the region. The era of modern professional baseball began in earnest with the 1913 Pensacola Snappers, who played one season in the Cotton States League. Below is a wide-ranging list of the professional baseball teams that called Pensacola home prior to the Blue Wahoos:

Maxent Park was renovated and renamed Legion Field in 1928. Pelican Park was renamed Jim Spooner Field in 2008.

MILITARY BASEBALL

In addition to early military teams at Fort Pickens, Fort Barrancas and the Pensacola Navy Yard, the baseball talent at Naval Air Station Pensacola in the early 1940s rivaled that of contemporary MLB clubs. As America went to war, many professional baseball players enlisted in the armed forces and formed amateur clubs while in Pensacola for training. The Bronson Bombers, led by Ted Williams, played in front of large crowds and won the 1944 league championship. Pensacola's Air Base All-Star Team, comprised of the best players from auxiliary base squads, played a traveling series against Corpus Christi's Naval Air Station team to benefit morale for military personnel and local fans.

The Blue Wahoos have honored this history in recent years, playing a "Turn Back the Clock" game in 2022 and unveiling a concourse graphic showing Pensacola's Navy baseball history. In 2023, the Blue Wahoos wore special NAS Pensacola jerseys and gave away a bobblehead featuring Ted Williams in his Bronson Bombers uniform.

SPRING TRAINING

In an era before the Grapefruit and Cactus Leagues, clubs were free to host their Spring Training camps in any warm-weather areas that suited their needs. With a combination of high-quality baseball diamonds and large, open fields built for military use, many teams chose Pensacola as their Spring Training home:

PENSACOLA SEAGULLS

In response to the exclusion of black players from white professional baseball, several Negro Leagues were formed across the United States in the 19th and 20th century. Clubs called the Onwards, Giants, Nine Devils, Pirates, Light Crust Dough Boys, Clowns, Arthur Giants and Pepsi-Cola Stars all played to large crowds of both black and white fans in the Pensacola area.

Perhaps best known were the Pensacola Seagulls, who played at Legion Field as a feeder team for the Negro Southern League in the 1940s and continued as a semipro integrated team until the 1970s. Since 2021, the Blue Wahoos have honored the Seagulls with alternate "turn back the clock" replica uniforms.

PENSACOLA POK-TA-POK

Native Americans historically wintered in the temperate climates of the Pensacola area, and were documented by anthropologists as playing the mesoamerican ball game known by many tribes as "Pok-Ta-Pok."

In 2023, the Blue Wahoos launched an alternate identity to pay tribute to the first sport played in the region. The Pensacola Pok-Ta-Pok are the first club in MiLB's "Copa de la Diversión" Hispanic event series to honor pre-Columbian indigenous culture.
