NEWS & NOTES

ON DEFENDING CHAMPIONS...

The defending-champion Owls are off to a slow start - their slowest start to begin a season in club history. What's more, Omaha's 1-3-2 start to 2025 is the worst start to a season by a defending champion through six matches in league history.

First six matches to open Union Omaha regular season:

- **2025: 1-3-2 (5 pts., 13th)**
- 2024: 4-1-1 (13 pts., 3rd)
- 2023: 2-1-3 (9 pts., 7th)
- 2022: 1-1-4 (7 pts., 10th)
- 2021: 3-1-2 (11 pts., 3rd)
- 2020: 3-0-3 (12 pts., 3rd)

First six matches of USL League One defending champions' regular season:

- **OMA (2025): 1-3-2 (5 pts, 13th)**
- TRM (2023): 3-3-0 (9 pts, 3rd)
- OMA (2022): 1-1-4 (7 pts, 10th)
- GVL (2021): 4-1-1 (13 pts, 2nd)
- NTX (2020): 1-2-3 (6 pts, 9th)

On a positive note, though, four teams have enjoyed hot starts to the regular season and may have some history on their side when it comes to their quest for a title. All six previous League One title winners have had three things in common through the first six matches of their title-preceding regular season: 11 or more points, three or more wins and one or fewer losses. Four teams this season meet that criteria: Naples, Knoxville, Spokane and Charlotte.

First six matches to begin USL League One champions' regular season:

- OMA (2024): 4-1-1 (13 pts., 3rd)
- NC (2023): 4-1-1 (13 pts., 1st)
- TRM (2022): 3-1-2 (11 pts., 2nd)
- OMA (2021): 3-1-2 (11 pts., 3rd)
- GVL (2020): 5-0-1 (16 pts., 1st)
- NTX (2019): 5-0-1 (16 pts., 2nd)

Teams to start 2025 regular season with 11 or more points, three or more wins, one or fewer losses, through first six matches:

- NAP: 4-0-2 (14 pts, 1st)
- KNX: 3-0-3 (12 pts, 4th)
- SPK: 3-1-2 (11 pts, 2nd)
- CLT: 3-1-2 (11 pts, 5th)

FIRST WIN IN TEXAS

With its first win in club history over the weekend, Texoma made history in more ways than one. The first-year side constructed just the eighth instance of an expansion team defeating a defending champion in USL League One history.

USL League One expansion teams to defeat defending champions:

- **Texoma 2** - 1 Omaha (5/17/25)
- South Georgia 1 - **3 Knoxville** (9/1/23)
- **Lexington 2** - 1 South Georgia (4/15/23)
- Omaha 0 - **2 Central Valley** (10/15/22)
- **Northern Colorado 2** - 1 Omaha (9/21/22)
- **Charlotte 2** - 1 Omaha (4/29/22)
- **Fort Lauderdale 3** - 2 North Texas (8/19/20)
- **Omaha 1** - 0 North Texas (8/1/20)

STILL GOING STRONG

A busy weekend for goalscorers, young and old, [Player of the Week](#) and Greenville Triumph SC forward Leo Castro officially surpassed former Chattanooga forward Éamon Zayed as the oldest goalscorer in league history. In the same match, 20-year-old AV ALTA FC forward and Philippines international Javier Mariona became the youngest goalscorer this season, while in Texas, two-time USL Championship Player of the Year Solomon Asante contributed to Texoma FC's first victory in club history to jump into the top five oldest goalscorers in league history.

Oldest goalscorers in league history:

1. **Leo Castro (GVL - 2025) - 36 years, 6 days**
2. Éamon Zayed (CHA - 2019) - 35 years, 11 months, 2 days
3. Don Smart (LEX - 2023) - 35 years, 9 months, 5 days
4. Gabriel Obertan (CLT - 2024) - 35 years, 6 months, 12 days
5. **Solomon Asante (TXO - 2025) - 35 years, 2 months, 12 days**
6. Steevan Dos Santos (OMA - 2024) - 34 years, 11 months, 22 days
7. Mechack Jérôme (OMA - 2024) - 34 years, 5 months, 11 days
8. Connor Tobin (MAD - 2021) - 34 years, 5 months, 6 days
9. Aaron Walker (TRM - 2024) - 34 years, 4 months, 6 days
10. Jake Keegan (NCO - 2024) - 34 years, 1 month, 13 days

TO THE FINISH LINE

While the 2025 campaign is still young, the Race to the Playoffs - along with the Golden Boot, Golden Glove and Golden Playmaker races - will start to heat up soon, especially with fewer regular season matches due to USL Jägermeister Cup play.
