Born and raised in Redondo Beach, California, Wolfgang Prentice developed a love for the game by playing alongside his older sister.

While playing collegiate soccer with California State University, Northridge, Prentice earned a spot on the Big West Conference All-Freshman team in 2018.

Outside of soccer, Prentice enjoys spending time at the beach and skateboarding along the strand, embracing the laid-back coastal lifestyle while simultaneously resisting the urge to pull off a kickflip. His goals include playing at the highest level possible, and building a happy, well-rounded life with a family of his own.

Playing in a professional system so close to home means everything to Saldaña, because it allows his family and friends to support him in person. Off the field, he enjoys gaming — mostly Fortnite — and golfing, a hobby he picked up in 2021 with his brother. Though he admits he's not a pro, he enjoys the challenge.

His main goal in life is to positively impact those around him throughout his career, and hopes that his play brings joy to those who watch him. Sanchez wants to leave a legacy as a player who was creative on the pitch, and gave back to his community.
