NEWS AND NOTES

CHARLESTON BATTERY CONTENTS FOR BIGGEST SEASON TURNAROUND

The Charleston Battery clinched their return to the USL Championship Playoffs on Saturday night with a 2-1 win against San Diego Loyal SC, taking the side past 50 points in the regular season for the third time in the USL Championship era.

The Battery's 52 points so far this season marks a 27-point turnaround from last year, when the side only won six times and ended the year with 25 points. With five games to go in the season, the Battery have a chance to surpass the greatest increase in points from one season to the next across full seasons in the USL Championship's regular season history, with its current mark of +27 tied for third currently.

The two highest marks come from two teams that ended the second season in the sequence on top of their respective conferences. In 2017, Real Monarchs SLC went from 36 points to 67 points to finish top of the Western Conference, while the following year FC Cincinnati went from 46 points to a then-league record 77 points to finish top of the Eastern Conference.

(An honorable mention should go to **Colorado Springs Switchbacks FC**, which recorded a 36-point increase in its point total (13pts to 49pts) from the abbreviated 2020 season to the 2021 campaign. With adjustment for games played, the Switchbacks' equivalent over a full season would have registered at 23 points.)

Largest Season-on-Season Point Increases in USL Championship regular season history

- T-1. FC Cincinnati – 31 points (2017 to 2018 season)

TAMPA BAY'S JENNINGS CONTINUES SCORING STREAK

The Tampa Bay Rowdies' Cal Jennings extended his goalscoring streak to five games on Saturday night with a pair of goals in his side's 2-1 victory against Louisville City FC at Al Lang Stadium. The streak is the longest of Jennings' career, surpassing a four-game goalscoring streak that included eight goals in his final four games for Memphis 901 FC at the end of the 2020 USL Championship season.

Jennings is now tied for the 11th-longest goalscoring streak in league history. The longest goalscoring streak in league history is held by 2021 Championship MVP Hadji Barry, who recorded goals in eight consecutive appearances for Sporting Kansas City II during the 2018 season. Jennings has equaled the longest scoring streak by a Tampa Bay Rowdies player since the club joined the USL Championship for the 2017 season, with Sebastian Guenzatti having scored in five consecutive games in the 2021 season.
