LAS VEGAS' TURNAROUND HIGHLIGHTED BY POINTS INCREASE

Las Vegas Lights FC reached the 50-point mark in a regular season campaign for the first time in its history on Sunday evening following a 3-0 victory against Birmingham Legion FC. The Lights are now also tied for the second-largest season-on-season points increase in the USL Championship's regular season with a 31-point improvement from the 2023 season, in which the club won three games and recorded 19 points. Las Vegas would equal the **Charleston Battery's** 34-point turnaround – recorded between the 2022 and 2023 campaigns – with a victory against Oakland Roots SC on Saturday.
