## Keys to the Match

- HEADS UP: It hasn't been the greatest start to the season for Le Rouge who still have yet to pick up a win but City has led in two of the three matches, scoring first against Kalamazoo and Racing Louisville at Keyworth.
- FAITH IN DEFENSE: One of the highlights of this Detroit City FC team thus far has been its backline. The centerback trio of Gardner, Baeron and Tremonti looks like its firing on all cylinders and great performances out of Gabby Schriver and Bethany Kopel in net don't hurt, either.
- FRESH LEGS: After playing three matches in a week the Detroit City FC women's side has had some time off heading into their contest with Midwest United FC, Le Rouge will be looking to take advantage of this.

## THE THIRD YEAR OF THIS MATCHUP

Detroit City FC is quite familiar with its opponents heading into this matchup as this is the fifth time that these two sides will have met in the span of three years. Midwest United FC has gotten the better of Le Rouge on all five occasions with the most exciting matchup between the two coming on June 19, 2021 at Keyworth Stadium where a late comeback by Detroit City FC fell just short and the visiting Midwest United FC took all three points by a score of 3-2. This match was highlighted by an inspired performance out of forward Ellie Pool who netted a hat trick for MUFC.

## LAST TIME OUT

The last time that Le Rouge took the pitch was on 5/15 on the road against Racing Louisville FC. It was a very hot and humid day on the outskirts of downtown Louisville and the play on the pitch reflected the weather. It was an intense affair when both teams took the field just days after they had done previously against each other at Keyworth Stadium, that match

ending in a 0-0 draw. Early on both teams showed more attacking intent than they did a few days prior, it was #1 Bethany Kopel who would be called into action multiple times for Le Rouge when the score was locked at 0-0.

The score would remain knotted up at 0-0 until the 39th minute when Madison Duncan, off of a corner routine, picked out a genuine goal of the season contender to put Le Rouge up 1-0. This lead would last throughout the rest of the first half and most of the second but then the hosts began to pick up some steam.

This would lead to two quickfire goals from the hosts out of defender Emily Madril who found the back of the net in minutes 82 and 86 to give Racing Louisville all three points at home.

"It's clear that the time is right for Detroit City FC to move forward by joining the USL Championship," said Detroit City FC Co-Owner and Chief Executive Officer Sean Mann. "This puts us on track to accomplish many of our shared objectives such as fielding a professional women's side, enhancing our academy program, upgrading our facilities, and expanding our reach. Since 2012, our vision for Detroit City FC has been to become Detroit's soccer club for all time. We strive to be the most inclusive, community-focused, and supporter-driven club in the USA."

## **ABOUT DETROIT CITY FC**

Founded in 2012, Detroit City FC has established itself as one of the most talked about soccer teams in North America. Our club motto, Passion for Our City, Passion for the Game, evokes the three ideas the grassroots organization was built upon: to satisfy the demand for soccer in downtown Detroit, represent the city in a positive light, and build community through "the beautiful game."

The seed of DCFC was planted in 2010, on the soccer pitch at Belle Isle in downtown Detroit. That grass – the very same that was transported from the Pontiac Silverdome after the 1994 World Cup – was the original home of the Detroit City Futbol League (DCFL), a co-ed, recreational league that pitted players from teams representing the many historic neighborhoods of Detroit.

Founded as a community organizing endeavor aiming to bring city residents together, the league was wildly successful, quickly drawing over 1000 players a week to the games and after parties at bars across the city. Inspired by the success, DCFL founder Sean Mann pitched four friends an idea to further tap into the growing interest in the sport by founding a minor league soccer team to play in downtown Detroit. Ten years later, Detroit City FC has climbed the U.S. Soccer pyramid from an amateur success story to the second division of professional soccer.

## **USL W LEAGUE OVERVIEW**

The league covers 20 states, including 44 teams in its inaugural season, bringing women's soccer to communities across the U.S., creating more opportunities to play, watch and work in the women's game.

## **USL W PLAYOFFS**
