Cleveland, OH – The United Soccer League and our Cleveland City Stars have just released their 2007 regular season schedule for the USL Second Division. The Cleveland City Stars will play a 20-game regular season schedule with 10 matches at home and 10 on the road.

While competing with 9 other Teams for the 2007 USL Division 2 Championship, the Stars will play a home & away series with each team and an additional series (home & away) against the Cincinnati Kings.

The Cleveland City Stars will start their first season by playing on the road against the Cincinnati Kings. For their first Home Opener, the Cleveland City Stars will face the New Hampshire Phantoms at the Krenzler Field (CSU University) on Saturday, May 19th 2007 in heart of Downtown Cleveland.

The first five CCS matches will also serve as qualifiers for the Lamar Hunt U.S. Open Cup, the United States Soccer Federations' National Championship including all Major League Soccer (MLS) & USL Division 1 Teams.

Mark Geissbauer, CCS General Manager commented „We are very happy to announce our first regular season schedule. It will be a summer filled with exciting soccer and lots of fun for the whole family.
