## **CLEVELAND CITY STARS OFFER GREAT OPPORTUNITY FOR ALL COLLEGE AND HIGH SCHOOL SOCCER PLAYERS**

The Cleveland City Stars is pleased to announce its inaugural Reserve Team Program to begin May 2007!

The Cleveland City Stars Reserve Team Program will run from May through July 2007. This program will offer top collegiate players and graduating high school athletes the opportunity to train alongside the Cleveland City Stars First team, receive top professional coaching and participate in a two-week peace tour to Haiti. This is a great opportunity for players seeking a professional training environment and looking to sign a professional contract following college.

In association with the Cleveland City Stars First team, the Reserves will participate in an extensive inner city outreach program with area churches, conduct clinics/camps and play high level exhibition games. Each out of town player will be "hosted" by a family throughout the summer while being involved in this exciting new program!

Interested players should contact Kent Manson ([Kent@clevelandcitystars.com](mailto:Kent@clevelandcitystars.com)) or Reserve Team Head Coach Carlos Calderson ([Carlos@clevelandcitystars.com](mailto:Carlos@clevelandcitystars.com)) or call the CCS Front Office at 216-916-6586 for more information!

"This is a great opportunity for all aspiring soccer players in the US. We are looking forward to having some of the top talents in America and from abroad in our Reserve Team Program this year." commented Aaron Tredway, the Stars Executive Director.
