- Head Coach -

TONY SKINN

TONY SKINN ('06) was named the 12th head coach in the men's basketball program's history in April 2023.

The 2025 Atlantic 10 Coach of the Year, Skinn has put together arguably the best start to a coaching career in school history. He's set new program bests for overall wins (47), league wins (24) and overall winning percentage (.691) for a Patriot coach over his first two campaigns. What's more, Skinn's 66.7 A-10 winning percentage is first amongst active league coaches over their first two seasons in the conference.

Last season, Skinn guided the Patriots to the best season in the program's A-10 history. The Patriots earned a share of their first-ever A-10 regular season title, tallied the program's first NIT victory since 2004 and notched a school record-tying 27 overall victories. The Green & Gold set a new school record for Atlantic 10 league victories (15).

- Head Coach -

JOSH SCHERTZ

Josh Schertz was named Saint Louis University's head men's basketball coach in April 2024.

Schertz has had success at all three of his head-coaching stops. He went to 10 NCAA Division II Championships during an 13-year tenure at Lincoln Memorial. Schertz guided Indiana State to two postseason appearances in three years, including a magical run to the finals of the 2024 National Invitation Tournament.

Schertz ranks No. 8 among all active NCAA head men's basketball coaches with a career winning percentage of .773 [422-124 in 17 seasons].
