## FUTURE PAC-12 CONFERENCE BASKETBALL SCHEDULES ANNOUNCED

WALNUT CREEK, Calif.--The Pac-10 announced today the 2011-12 Pac-12 men's and women's basketball schedules and the ten-year rotation model for scheduling.

As in previous years, the conference schedule is comprised of 18 games for each institution and will maintain the travel partner in a non-divisional format. The annual schedule will include games against an institution's traditional rival both home and away. In addition, each institution will play six other opponents both home and away (for two consecutive years), and four opponents on a single-game basis - two at home and two away. The single-play opponents will rotate every two years.

The women's schedule is a mirror of the men's schedule. While opponents for both the men's and women's schedules have been established, game dates may be adjusted for television.

*(See attached men's and women's Pac-12 schedules and 10-year rotation model)*
