The Winfield Dunn Center became home of the Governors indoor athletics in 1975 after ground was broken for the \$5.3 million, 9,000-seat structure in February 1973.

Austin Peay volleyball has called the Dunn Center home since its inception. With the playing surface centered within Dave Aaron Arena, the Lady Gobs enjoy the most spacious playing facility in the Ohio Valley Conference. Austin Peay has used that space to its benefit, posting a 226-130 record (.635 win percentage) in the building since 1980.

The 132,000 square-foot complex, officially named the Winfield Dunn Health and Physical Education Building and Convocation Complex in honor of Governor Dunn, is a dominating edifice with 78 feet separating the top of the building from its playing surface. The Dunn Center replaced Memorial Gymnasium, affectionately called “The Little Red Barn,” which served as the Governors basketball team’s homecourt from 1952 until the Dec. 1, 1975 tip-off.

On Jan. 16, 1988, the basketball arena was named Dave Aaron Arena in honor of the school’s former athletics director, football coach and then all-time winningest basketball coach.

Nearly 20 years later, the floor was named in honor of current men’s basketball coach Dave Loos, who became Austin Peay’s all-time wins leader during the 2006-07 season.

The Dunn Center is home of Governors basketball and Lady Gobs volleyball and basketball. It also serves as a multipurpose practice facility with track, baseball and softball utilizing the facility for indoor workouts. Several of APSU’s athletic offices are located in the Dunn Center.

Austin Peay’s student-athletes also take advantage of the facility for improving themselves off the field of play. The David P. Roe Academic Services Center, constructed in 2006, is located on the second level’s south end. Student-athletes also work out in the newly renovated weight room conveniently located in the southwest corner of Dunn Center.

Entering the facility’s front lobby, visitors are impressed by the Hall of Fame area, honoring APSU’s greatest former athletes, administrators and supporters. Stepping just inside

the Dunn Center visitors can observe APSU’s retired jerseys located on both the north and south end zones.

The north end houses the Governors Club, Austin Peay’s booster club, which also uses the third level for many of its booster-club activities, including pre-game and halftime hospitality during the basketball season.

The Dunn Center has received major upgrades since 2000. New seating was installed throughout the facility beginning with the lower level in 2004 and followed by the second level in 2007. The first generation of LED displays were installed as part of the 2004 renovation.

Most recently, the original playing surface was replaced during 2012 with a state-of-art maple hardwood surface. One year later, the University made a \$1.9-million dollar investment in the facility with the installation of new scoreboards and LED displays as well as new tables on each side of the court.

OHIO VALLEY CONFERENCE CHAMPIONSHIP

For the second year in a row, the Ohio Valley Conference Men's and Women's Basketball Championships will be held at the Ford Center in Evansville, Indiana. It marks just the third time over the past 25 years that the event has not been held in Nashville.

The Ford Center, which opened in 2011, is a 10,000-seat arena located in the core of Evansville's downtown district. The 290,000-square foot facility serves as home of the University of Evansville's men's and women's basketball teams as well as the Evansville Thunderbolts of the Southern Professional Hockey League.

The Ford Center has served as host to numerous sporting events and concerts on an annual basis.

For the eighth year in a row all eight men's and all eight women's teams that qualify for the tournament field gather at a single site for the entire tournament (instead of first round games being played on campus sites).

Future OVC Basketball Tournament dates include March 4-7, 2020.

MATT FIGGER

Position: Head Coach • Alma Mater: Eastern Kentucky, 1995

Experience: Second Season • Career Record: 19-15

at Austin Peay: Second Season • Career Record: 19-15

2017-18 Ohio Valley Conference Coach of the Year Matt Figger enjoyed an outstanding first season in Clarksville.

Under Figger's tutelage, the Governors made one of the NCAA's largest defensive turnarounds in 2017-18; Austin Peay went from allowing 83.8 points per game (ppg) the previous season to 71.2 ppg in 2017-18, with the -12.6 drop in points per game the second-largest in the nation behind only Central Michigan (-16.1 ppg). Some of those single-game milestones included holding Alabama A&M to 47 points on Dec. 2—the first time APSU held an opponent below 50 points since Brescia in 2010 and the first Division I foe the Govs held below 50 since 2008 against Samford.

Overall, Figger's defensive unit held seven opponents below 60 points during the regular season, winning all seven contests; Austin Peay had held just seven opponents below 60 points in the previous four seasons combined.

The Govs under Figger proved to be a pesky defensive unit, winning the turnover margin by double-digits on three occasions and forcing an average of 23.6 turnovers per game from Nov. 16 (Oakland City) to Dec. 6 (Illinois). And when injuries and illness took a toll, Figger proved he could do more with less, winning late-January contests against Eastern Kentucky and Morehead State despite dressing just nine players.

On Thursday, April 6, 2017, Figger was introduced as the 12th head men's basketball coach in Austin Peay State University history, coming to Austin Peay on the heels of a whirlwind Final Four run as the associate head coach and recruiting coordinator under Frank Martin at South Carolina. The Gamecocks were the East Region champion, taking down Marquette, Duke, Baylor and Florida on the way to Phoenix.

After arriving at South Carolina in 2012, Figger assisted Martin in the revival of a program that hadn't enjoyed a 20-win season since 2008-09, had not advanced to an NCAA Tournament since 2003-04 and had not won an NCAA Tournament game since 1973. After winning 14 games the first two seasons in Columbia, Figger and Co. broke .500 for the first time in 2014-15, finishing 17-16, then won 25 games and reached as high as No. 19 in the Associated Press Top-25 poll last season.

In case you somehow missed it, the Gamecocks became NCAA Tournament darlings in March 2017. After bowing out to Alabama in the SEC Tournament quarterfinals, the seventh-seeded Gamecocks thrashed Marquette, 93-73, in the opening round of the NCAA Tournament, erased a double-digit lead to score a mighty upset of second-seeded Duke to advance to the Sweet 16 and toppled Baylor 70-50 to advance to the East Region championship game against fellow SEC foe Florida.

Trailing at halftime for the third time during the NCAA Tournament, the Gamecocks shut down the Gators three-point assault in the second half and fed SEC Player of the Year Sindarius Thornwell—a find of Figger's in his capacity as Martin's recruiting coordinator—for a game-high 26 points and East Regional Most Outstanding Player honors. The Gamecocks were finally knocked out of the tournament by West top seed and top-ranked Gonzaga in the Final Four.

Two players on the Gamecocks Final Four squad got their NBA chance in June 2017—Thornwell, the 48th overall selection in the NBA Draft, with the Los Angeles Clippers via draft night trade with Milwaukee, and PJ Dozier, who inked a free-agent deal with the Los Angeles Lakers.

Figger served on Martin's staff dating back to 2007, Martin's first season at Kansas State. In his decade on Martin's staff, Figger served in a variety of roles, assuming the associate head coach role in 2013-14 upon Brad Underwood's departure for Stephen F. Austin.

At Kansas State, Figger was on a staff that secured at least 21 wins and finished fifth or better in the Big 12 each season. In his first season on staff, Kansas State won its first NCAA Tournament game since 1988 after posting a 20-win season—just its fourth since 1990. The 2009-10 team won a school-record 29 games and appeared in the program's first Elite Eight in over two decades, defeating six ranked opponents along the way and finishing the year ranked seventh in both the Associated Press and ESPN/USA Today Coaches Top-25 polls.

At both Kansas State and South Carolina, Figger served as recruiting coordinator. He inked two McDonald's All-Americans at Kansas State, including Michael Beasley, who would earn National Freshman and Player of the Year in 2008 before becoming a first-round pick in the NBA Draft. Beasley was one of four All-Americans—along with Denis Clemente, Jacob Pullen and Bill Walker—tutored by Figger at Kansas State.

Figger's first Division I coaching experience came with John Pelphrey at South Alabama, helping lead the Jaguars to a Sun Belt Tournament title in 2006 and a regular-season championship in 2007. After building through recruiting the first three years under Pelphrey, the Jaguars broke through in 2006 with 24 wins, a 14-game improvement that was the biggest turnaround in the NCAA that season. Figger helped the Jaguars advance to their first NCAA Tournament since 1998, where they bowed out to eventual national champion Florida in the first round.

RICK CABRERA

Position: Assistant Coach • **Experience:** Second Season

Alma Mater: Tennessee Tech, 2001

After serving on the staff of his alma mater since 2012-13, Rick Cabrera was head coach Matt Figger's first hire at Austin Peay and instrumental to the Govs success in Figger's first season.

A former guard for Ohio Valley Conference foe Tennessee Tech, Cabrera spent five seasons on the sidelines in Cookeville, ascending to associate head coach duties in 2015-16 under Steve Payne. Cabrera spearheaded recruiting during his second tenure on the sidelines for Tennessee Tech, helping land All-OVC performers such as Ryan Martin and Torrance Rowe.

Cabrera got his coaching start at his alma mater, spending a season as a graduate assistant under Jeff Lebo and earning his master's in instructional leadership in 2001. From there, Cabrera spent a season as head coach at Miami (Fla.) Killian High School and two seasons as an assistant at Keystone College before ascending to the head coaching job at Lackawanna Junior College.

During his time at Lackawanna, Cabrera accumulated a 100-28 record and two region titles, earning two region Coach of the Year honors (2005-06); he coached three NJCAA All-Americans and eight All-Region performers.

He joined John Shulman's staff at Chattanooga in 2008, serving four seasons under the former Tennessee Tech assistant. He got his first taste of NCAA success with the Mocs, winning Southern Conference North Division titles in 2009 and 2011 and reaching the 2011 NCAA Tournament with a SoCon Tournament win.

As a player, Cabrera spent his first two seasons at Vincennes University, where Figger was an assistant coach, playing alongside future pros Tyrone Nesby and Clarksville native Shawn Marion. He finished up his collegiate career at Tennessee Tech, earning Team MVP as a senior and his multidisciplinary studies degree in 1999. He added a master's degree in Instructional Leadership from Tennessee Tech in 2001.

His father, Hugo Cabrera, Sr., was voted as the Dominican Republic's "Player of the Century" and is in that country's Basketball Hall of Fame. Rick has also played professional basketball in the Dominican Republic

DALONTE HILL

Position: Assistant Coach • **Experience:** Second Season

Alma Mater: Charlotte, 2001

A former staffer at Maryland who earned a reputation as one of college basketball's finest recruiters, Dalonte Hill reunited with APSU head coach Matt Figger on Austin Peay's coaching staff.

Hill earned a reputation as an ace recruiter during his time at Kansas State and Maryland, helping the Terrapins rebuild with back-to-back top-25 signing classes (2012-13)

He joined the collegiate coaching ranks in 2003 at his alma mater Charlotte after two seasons as head coach for highly-regarded AAU program DC Assault. Under Bobby Lutz, Hill helped guide Charlotte to a 61-30 mark and three consecutive postseason appearances, including back-to-back NCAA Tournament trips (2004-05). Hill coached two All-Americans and a Conference USA Player of the Year during his time in Charlotte.

Hill and Figger served on staff at Kansas State from 2006-11 for Bob Huggins and Frank Martin, aiding Martin as he built the Wildcats from a lightly-regarded squad to a Big 12 power; after Huggins left following Hill's first season, Martin promoted him to associate head coach.

During Hill's time on campus, Kansas State won 20 games in four of five seasons. Hill helped land a pair of national top-10 recruits in Michael Beasley and Bill Walker in 2006, earning the nation's top-rated signing class by Scout.com and Rivals.com. During his time at Kansas State, Hill brought four McDonald's All-Americans to Manhattan.

He worked his magic back home at Maryland as well, pulling in local standouts such as Melo Trimble to help Mark Turgeon bring the Terrapins back to prominence.

Hill had returned to the AAU ranks but was lured to Clarksville with the promise of helping Figger rebuild Austin Peay into an OVC power.

As a player, Hill helped Charlotte to three postseason appearances—the 49ers advanced to the NCAA Tournament Round of 32 during Hill's freshman season. He played his senior season at Bowie State before returning to Charlotte to complete his bachelor's degree in sociology in 2001.

SERGIO ROUCO

Position: Assistant Coach • **Experience:** Second Season

Alma Mater: Nova Southeastern, 1987

An ace international recruiter with deep ties around the globe, Sergio Rouco has been a welcome addition to the Austin Peay family since joining the basketball coaching staff in 2017.

Rouco was last at South Florida, where he spent three seasons as an assistant for Orlando Antigua and Murry Bartow. It was just the latest stop in a 25-year career spanning the prep, collegiate and international professional scene.

Rouco broke into collegiate coaching at Florida International as an assistant, serving four seasons (1987-91) and returning to FIU as an assistant from 2000-2003.

He spent a season with Billy Gillespie at UTEP in 2003-04, helping the Miners win 24 games and advance to the NCAA Tournament.

Rouco parlayed that success into a return trip to Miami for the head coaching position at FIU, which he held from 2004-09. During Rouco's tenure as the head coach of the Panthers, FIU made a semifinal appearance in the Sun Belt Championship, the program's longest postseason run since 1998, and mentored four All-Sun Belt players.

Prior to his tenure at South Florida, Rouco spent three seasons at Ole Miss (2011-14), helping lead the Rebels to a school record-tying 27 wins and an SEC Tournament title in 2012-13. Rouco's tutelage turned Marshall Henderson into SEC Player of the Year, while Murphy Holloway (first-team All-SEC) and Reginald Buckner (All-Defensive Team) also garnered postseason honors.

In his first season with Ole Miss, Rouco helped the Rebels win 20 games and earn an NIT bid. Long known for preaching defensive tenacity, Ole Miss became one of the SEC's stingiest squads in 2011-12, ranking third in the league in field-goal percentage defense (.405), while Buckner was named to the SEC All-Defensive Team.

Born in Cuba and raised in Miami, Rouco was a successful prep coach in the Miami area at Loyola (1986-87) and Norland (1991-95); he led Miami Norland to 29 victories and spot atop the state rankings for a portion of the 1994-95 campaign.

He boasts professional head coaching experience for Club Mauricio Baez (1995) and Los Minas (1996) in the Dominican Republic, helping both squads reach the semifinals of the playoffs. In 1996-97, he was the head coach of the Trotamundos de Carabobo in Venezuela, and he returned to that country in 2010 to coach Marineros de Anzoategui.

He also spent three years as an associate director at the Boys & Girls Club of Miami, where his duties included supervising athletic programs, 30 employees and 8,000 youth, as well as spearheading fund-raising efforts and payroll budgeting.

A 1987 graduate of Nova Southeastern with an education degree, Rouco and his wife, Kelly, have two sons - Sergio Alessandro and Fabian.

RYAN MCINTYRE

Position: Director of Operations • **Experience:** Second Season

Alma Mater: West Virginia, 2016

Ryan McIntyre, who was with Austin Peay State University head coach Matt Figger as a graduate assistant at South Carolina during its 2017 Final Four run, came along when Figger was hired at Austin Peay to serve as Director of Operations.

A 2016 graduate from West Virginia, where he worked as student manager and ascended to head manager for Bob Huggins, McIntyre will oversee the day-to-day operations of the program, coordinating travel schedules, assisting in community service initiatives, overseeing student managers and serving as director of video services and basketball camps.

At South Carolina, McIntyre served in a variety of roles, helping the Gamecocks to the program's first Final Four in 2017-18. He also aided in the development of Sindarius Thornwell, the 48th-overall selection in the 2017 NBA Draft by the Milwaukee Bucks before a draft-night trade to the Los Angeles Clippers, and PJ Dozier, who inked a free-agent deal with the Los Angeles Lakers.

In addition to serving under Huggins and eventually ascending to the head managerial role at West Virginia, McIntyre has learned at the feet of some of the nation's finest coaches via the summer camp circuit. He served on the camp staffs for Mark Turgeon (Maryland), Shaka Smart (VCU), John Thompson (Georgetown), Josh Pastner (Memphis), Fred Hoiberg (Iowa State) and John Groce (Illinois).

TREIS HUGGINS

Position: Video Coordinator • **Experience:** Second Season

Alma Mater: South Carolina, 2017

A longtime asset to head coach Matt Figger at South Carolina, Treis Huggins served as Austin Peay's graduate assistant coach for the 2017-18 campaign and remains on staff as video coordinator for the 2018-19 season.

Huggins spent the previous two seasons as the head student manager at South Carolina, supervising 10 other managers and assisting the coaching staff with camps, recruiting visits, film, gameplans, travel and practice operations. Huggins was part of the staff that went to the 2017 NCAA Tournament and advanced to the Final Four, working with Gamecock standouts Sindarius Thornwell, PJ Dozier and Michael Carrera, among others.

On the summer camp circuit, was on the camp staff at South Carolina, Syracuse, North Carolina State and Georgia State, assisting campers and learning from Division I head coaches.

JONI JOHNSON

Position: Head Athletic Trainer • **Experience:** 28th Season

Alma Mater: Evansville, 1991

Joni Johnson is in her 28th year working in APSU's athletic training room and 11th as head athletic trainer.

She officially became head trainer in May 2007 after serving six months as interim trainer following the retirement of Chuck Kimmel. In doing so she became only the third fulltime athletic trainer in APSU history.

The Advance, Ind., native has been a part of the APSU training staff since 1991-92 when she served as graduate assistant. Johnson was elevated to a full-time position the following year. She is responsible for treatment, prevention and rehabilitation of APSU athletes in all sports. Johnson manages a team of four full-time staff athletic trainers, two intern athletic trainers and three graduate assistants. She also oversees the department's drug-education and testing programs.

Johnson specifically has worked with the men's basketball team in the winter months and tennis in the spring, but also worked directly in the past with softball and soccer while also assisting with football for 12 seasons. She also has served in no less than secondary contact in the remaining sports. She also oversaw athletics insurance claims for 10 years.

Johnson came to APSU in 1991 after attaining her undergraduate degree in sports studies with a specialty in management along athletic training and business minors from the University of Evansville. While at Evansville, she received the Catherine Wolffe Scholarship for the Health and Physical Education students. She received her Master's of Science in Health and Physical Education with a Public and Community Health Emphasis in May 1992.

She is a certified member of the National Athletic Trainers Association (NATA). For the past 14 years she has volunteered for the NATA Office at the NATA Annual Symposium, assisting with on-site meeting coordination. She served as drug testing site coordinator for the first and second rounds of the 2000 NCAA Division I men's basketball tournament in Nashville.

In 1995-96 she was awarded the Southeast Athletic Trainers Association (SEATA) Backbone of the Year Award, annually presented to the top assistant trainer of the year.

In addition, she received the Order of Nanook Award, presented to the outstanding trainer at the 2000 Top of the World Men's Basketball Classic in Fairbanks, Alaska.
