In today's college athletics world, it is hard to imagine one person handling an athletics department's two most demanding positions.

But Dave Loos has helped APSU thrive as both its head basketball coach and the Athletics Director. In fact, it is nearly unheard of in the world of NCAA athletics an athletics director also coaching, especially a sport as prominent as men's basketball.

What is remarkable is Loos, who is the dean of Ohio Valley Conference basketball coaches, also is the longest-serving athletics director at his university—he currently is in his 10th season.

His double duties aptly point out the respect Loos earned both on and off campus. His common-sense approach to athletics director's duties have been with the same diligence that have been so representative of his APSU basketball tenure. What is even more remarkable is that Loos, who begins his 18th season as Govs head coach in 2007-08 now owns the mark for APSU's longest basketball coaching tenure and is the program's all-time wins leader, surpassing Dave Aaron in 2006-07. To honor such achievement, outgoing president, Dr. Sherry Hoppe, at the behest of several longtime basketball supporters, named the basketball floor Dave Loos Court.

Such acclaim didn't happen by accident. Loos not only has elevated APSU's program to the pinnacle of OVC prominence, but has done it as well with the dignity and class so reflective of the reputation he built as an athlete and as a high school/college coach.

He is only the second APSU coach to lead the Govs to an OVC regular-season co-championship and NCAA Division I tournament berth. His APSU teams have advanced at least to the OVC tourney semi-finals in 10 of the last 13 years. Loos has sustained his reputation of elevating his club's play during February-March, where the Govs own a .670 winning percentage over the last 12 seasons.

The Govs have owned a .500 OVC record or better OVC in each of the last 14 seasons and are second in winning percentage during that span. In fact, only one other coach in the nation has more conference and post-season league

tourney wins than Loos during the past five seasons.

Loos has resulted in Austin Peay winning the OVC tournament and gaining an NCAA tourney berth in 1996; APSU capturing a 1997 league co-championship—the first since 1977; shocking the league by winning both a regular-season co-championship and tourney title in 2003; posting an undefeated OVC campaign in 2004 and winning the 2006-07 OVC regular-season title by a convincing three games. Loos is the only APSU coach to earn multiple OVC Coach of the Year honors, in 1990-91, 1996-97, 2002-03, 2003-04 (an unprecedented 16-0 league campaign) and 16-4 in 2006-07.

As a result, Loos achieved one of his program's goals—the Governors reclaiming their spot among the OVC elite and annually competing for the title.

Loos became Austin Peay's 11th head men's basketball coach on July 14, 1990. The likeable veteran coach has proven to be a "perfect fit" for the APSU program.

In his initial season, not only did his Govs produce a winning (15-14) season after a previous 10-19 campaign, they displayed an exciting style as well.

The Govs struggled record-wise (11-17 and 7-20) the next two seasons as Loos was reinventing the soul of the program. The young 1993-94 team began 0-7 but finished strongly at 11-16. Picked to finish eighth in

preseason polls, the Govs battled for the title much of the season, finally settling for third.

Since then APSU has developed a rich tradition of excellence.

In 1994-95, the Govs finished the regular-season at 12-15 but pulled two upsets in the OVC tournament before falling to Murray State when star forward Bubba Wells suffered a leg injury that later turned out to be a surgery-necessitating right leg stress fracture.

In 1995-96, the Governors again peaked late. In February, the Govs fashioned an 8-2 record, including six straight victories. APSU entered the NCAA tourney with a four-game win streak before losing to Georgia Tech.

A year later, the Governors finished 17-14 overall with All-America forward Wells missing the season's first 12 games but won six of their final eight games, including a four-game winning streak that helped clinch a regular-season OVC co-championship.

In 1997-98, the Govs, despite a rebuilding season, ended the season with a surprising 17-11 record and a fourth-place OVC finish.

In 1998-99, the young Govs finished in a third-place OVC tie, although the 11-16 mark ended the string of winning seasons at three.

A year later, the Govs ended

18-11. The 18 wins represented the most regular-season wins by the Govs since 1976-77.

APSU topped that in 1999-00 with a 22-10 record the Govs' first 20-win mark since 1986-87.

It was a 14-18 mark in 2001-02 as the Governors possessed only one senior. That returning group completely turned around those losing fortunes in 2002-03. In going 23-8, the Govs won 15 of their last 16 regular-season games to win a share of the OVC title, the OVC tourney championship and a trip to the NCAA tourney. The 23 wins represented the third most in school history.

But the 2003-04 season saw the Govs make a remarkable run through the OVC, becoming only the fourth team in league history to go unbeaten in conference play. The Govs were just one of three teams in the country to finish league play without a loss.

Despite losing four senior starters, the Govs were in the 2005 OVC regular-season race until the final weekend and stunned Samford and top-seed Tennessee Tech in the OVC tourney before narrowly losing to Eastern Kentucky in the title tilt. The Govs finished 9-7 in the OVC. APSU owned an 11-9 league mark in 2006 with a 17-14 overall mark with a young team.

In 2006-07, the Governors, despite having no seniors on the roster, overcame a slow start to finish at 21-12 overall, the third 20-win season during Loos's tenure. More importantly, the Govs ran away with the OVC crown, going 16-4.

Loos was named OVC "Coach of the Year" for his efforts. In fact, Loos has earned seven "Coach of the Year" citations, five from his fellow OVC coaches and two from the Tennessee State Sportswriters Association.

He was named OVC "Coach of the

Year" after his first APSU season (1990-91) in leading the Govs to a much-improved 15-14 record. He then began building his own program with young men who reflected their coach both on and off the court and represented the University with great class.

In addition, Loos has earned respect from peers for his coaching ability and the manner he directs the program, resulting in his first-season OVC coaching honor. He was only the third APSU coach to earn such an award, the first to be recognized in his first Govs season.

Loos came to APSU after four seasons as Memphis top assistant. He joined Larry Finch in 1986 and helped direct his alma mater to an 85-43 record, including two NCAA tourney appearances and a Metro Conference tourney title during his tenure.

Prior to joining Memphis State, Loos enjoyed four successful head-coaching seasons at Christian Brothers College in Memphis. He took over that program in 1982-83, and after an initial 16-14 season, recorded three straight 20-win campaigns. In 1985, CBC captured its first Volunteer State Athletic Conference crown, the VSAC tourney title and second place in the National Catholic Tournament.

For his efforts, he earned VSAC, NAIA

District 24 and NAIA Area V Coach of the Year honors. He also was named the National Catholic Tournament Outstanding Coach.

Loos' move to CBC came after spending eight seasons as head coach at his prep alma mater, Mehlville High School in St. Louis. Taking over a program that

previously had endured 11 straight losing seasons, Loos led his team to five winning campaigns, including a state tourney berth. He left the school as its winningest coach.

The Missouri native played both basketball and baseball during his college days at Memphis State, where he was inducted into its athletic Hall of Fame in September 2002. Loos was the starting point guard for the 1968-69 Tigers, leading the team in minutes played. He also was an all-conference shortstop for the Tigers baseball team.

Upon completing his eligibility, he remained at Memphis as an assistant in 1970. Following his graduation (1970), he officially began his coaching career as an assistant basketball and head baseball coach at CBC.

He and his wife, Phyllis, have four children, David, who broadcasts Governors and Lady Govs sports; Todd, who is in the music business; Brad, the former Gov who is an assistant basketball coach at Central Missouri, and Nicole Peterson, who formerly was a member of the school's dance team and works in sports marketing at Middle Tennessee.

They also have three grandchildren: William Daniel, Olivia Joy and Katie Grace, children of David and Pam Loos.

Scott Combs begins his 11th season with the Austin Peay basketball program, his fifth as full-time assistant.

He came to APSU in 1996-97 as a player. Since then, he has been a fixture in the program, working his way up the coaching ladder.

Following his playing days, Combs assumed the role as administrative assistant while in graduate school. He and former high school and Govs teammate Joe Sibbitt were the first recipients of the Leon Bibb Hall of Fame Scholarship in 1999-00. In that role he served as the program's video coordinator along with helping in all day-to-day operations. He also served as administrative assistant to the athletics director that year.

A year later, he was elevated to assistant coach and has played an integral part in the Govs successes since, which has seen the Govs record 20 or more wins in three of the last five years and back-to-back OVC championships. The 2002-03 team advanced to the NCAA tournament while the 2003-04 club won a game in the NIT. Also during his coaching tenure APSU captured the 2000 Top of the World Classic championship.

In his current role, Combs helps in the daily operations of the program, working in all coaching aspects, in particular with player development, monitoring academic progress and scouting opponents. He also serves as the program's recruiting coordinator.

In addition, each June he serves as the director of the Dave Loos Basketball Camps.

A versatile front-liner who was known for his selfless play and other intangibles he brought to the floor, Combs played his final two seasons (1997-99) at APSU after transferring from Missouri, where he played his freshman (1994-95) and sophomore (1995-96) seasons. He was named honorable mention Big 8 all-Academic while at Missouri. In addition, he was a member of a Missouri squad that played in the 1995 NCAA tournament after beating Indiana the Tigers lost to eventual national champion UCLA on a last-second shot and the 1996 NIT.

The Indianan is one of the select few who has played and coached in both the NCAA and NIT tournaments.

Combs sat out

1996-97 at APSU as a transfer redshirt. After serving as a reserve guard and forward as a junior, Combs ended up being the Govs starting post player as a senior. He averaged 6.8 points, shooting a team-best 54.8 percent from the floor, and 5.3 rebounds per game. His rebound totals ranked 14th in the OVC.

On the floor, Combs earned CoSIDA District IV Academic All-District as a senior, when he posted a 4.0 GPA. He also served as president of the Student Athlete Advisory Council (SAAC).

Combs graduated in 1997 with bachelor's degrees in mathematics and education. He began his graduate work while completing his final season of eligibility, earning his master's in Sports Administration.

A Lebanon, Ind., native, he starred at Paoli High School, scoring a school record 1958 points, ranking him 31st all-time in the state. He was voted runner-up Indiana Mr. Basketball in 1994 and was selected to play on the prestigious Indiana All-Star team. His prep career followed an AAU one that saw him voted All-American six times.

In addition to coaching, Combs formerly served as a physical education teacher (2000-02) at St. Mary's Catholic School. He and former Govs teammate Mike Head, now a local prep coach, held local summer basketball camps in addition to working APSU camps. Currently, he serves as co-SAAC advisor.

Combs is married to the former Casey Jenkins, who is Internet Manager at Jenkins and Wynne-Ford-Lincoln-Mercury-Honda. He enjoys playing cards, water sports, playing the piano and golfing in his free time.

Leading scorer in Austin Peay men's basketball history is now part of elevating the program to even greater heights.

Charles "Bubba" Wells, the 1997 Ohio Valley Conference "Player of the Year" and two-time OVC "Male Athlete of the Year" who gained national attention for his miraculous return from a leg stress fracture, was hired in June 2005 as a full-time assistant.

Wells, who battled assorted leg problems throughout his college and pro careers, chose to take a different route with his basketball future—coaching. And he wanted to do it at the school where he built a reputation as not only one of the program's greatest players in history but as well in a conference where he was billed as one of the best during its nearly 60-year existence.

Considered by many the most popular player in OVC history, Wells finished his career with 2,267 points—the first APSU player to reach 2,000 points—ranking him third all-time in the OVC. He was a three-time first-team All-OVC choice after being named the league's "Freshman of the Year" in 1993-94. Wells was the 1997 OVC "Player of the Year" and the 1996 and 1997 OVC "Male Athlete of the Year." He also was two-time Tennessee Sportswriters College Basketball "Player of the Year."

Wells jersey (13) was retired Jan. 22, 1998 and he was inducted into the APSU athletics Hall of Fame, Feb. 8, 2003 after being two-time APSU Outstanding Male athlete (1995-96, 1996-97) and the 1997 Joy Award recipient as the most valuable senior athlete.

As a senior he was named third-team Preseason All-America by Athlon Magazine and all-district by both the U.S. Basketball Writers Association and National Association of Basketball Coaches (NABC). He was named to the Basketball Times All-South team. He also captured his second straight Tennessee Sportswriters College Basketball "Player of the Year" award.

As a sophomore, Wells averaged 19.3 ppg and followed that up with a 26.3 ppg (third in nation) in 1995-96, earning the OVC Tourney MVP in leading the Govies to a championship and NCAA tourney appearance. Wells still owns several OVC tournament records.

But it was his senior year that drew nationwide attention. He missed the season's first 12 games with a stress fracture in his left tibia, requiring surgery to place a tibial nail in the lower leg. He underwent similar surgery following the 1994-95 season, needing five months to rehabilitate.

However, this time the rehab process took less than five weeks and in his debut game, he scored 39 points in 28 minutes. As a result, the performance and the surgery were featured in "USA Today." He went on to become the nation's unofficial scoring leader (he did not have enough games played to qualify for the official title), averaging 31.7 ppg, scoring 30 or more points 11 times including three 40-point games. His 1996-97 scoring mark also broke the legendary James "Fly" Williams (29.5 ppg) mark for single-season scoring average. He was called the "best offensive player" among draft-eligible seniors by NBA draft guru Marty Blake.

His performance also caught the attention of the Los Angeles Times in a front-page story about the "Man of Steel" and segments on both CBS NCAA College Basketball "at the Half" and a seven-minute feature "The Real Rod Man" on NBC's "Today" show. He was named InfoSport: Basketball's 1996-97 National Comeback Player of the Year. Prior to the season, he was featured in the Sporting News, Sports Illustrated and the Dick Vitale College Basketball Yearbook.

For his career, Wells averaged 21.6 ppg, 7.1 rebounds while shooting 52 percent from the floor.

He was drafted by the Dallas Mavericks in the second round of the 1997 draft and played one season before being traded to the Phoenix Suns and then to the Chicago Bulls. A torn achilles tendon and other leg/groin injuries slowed his professional career, although he played in the Philippines and the Euro League in Greece for two seasons. He then played for the Harlem Globetrotters the last two years.

Now Wells is using his playing experience, and his effervescent personality and ability to communicate with young people, at the coaching level.

On the floor, Wells works with the post players—he was one of the nation's best post-up players during his APSU career.

He was named APSU's "Outstanding Young Alumnus." in 2006.

In his free time, he likes to spend time with his daughter, playing golf, fishing and watching movies.

Wells has one daughter, Alyiah, age six.

In August, he married the former Tracee Jones, head women's basketball coach at Tennessee State. The previous summer Wells served as a supporter to Jones on NBC's hit TV show, "Deal or No Deal."

Career Review

Looking ahead to 2007-08: Looks to bounce from second knee surgery in as many seasons... missed season's final six games after suffering injury at Tennessee Tech...stayed in Clarksville all summer long, rehabbing knee and improving overall conditioning...has dropped more than 10 pounds...hard-nosed performer brings defensive mindset to floor, using his great athleticism and wingspan to smother opponents... plays with terrific passion on both ends of floor... also brings solid offensive game to court... streak shooter from the perimeter... uses athletic ability and aggressiveness to attack basket...numbers often times underestimate his value...glue-type individual.

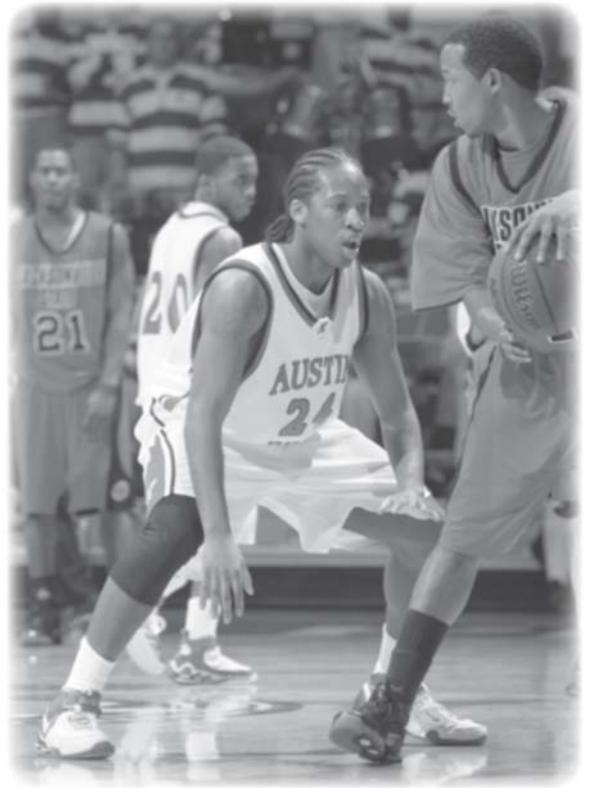

As a sophomore in 2006-07: After comeback from off-season knee surgery and other medical troubles, got off to slow start...scored only two points through the first three games before recording seven against Tennessee Wesleyan... Came up with eight points and five rebounds at Morehead State...tallied six points at Memphis and seven against Evansville before carding only four against Middle Tennessee...broke loose against Marian, connecting on five-of-eight field goals, including his first two three pointers, for season-best 12 points...scored four points and grabbed four rebounds (three offensive) in only 11 minutes against UT Martin, sitting out all of second half with hip pointer...sealed OT win at Eastern Illinois with pair of free throws in closing seconds...had solid effort against SEMO, scoring eight points to go with team-best eight rebounds... collected seven points and three steals at UT Martin...was perfect from floor (3-3) against Samford and had five rebounds...had six rebounds and produced outstanding defensive performance against Samford's Randall Gulina in Govs road game in Birmingham...was on way to outstanding game at Tennessee Tech, going four-of-five from floor and scoring nine points before being injured... finished season averaging 4.3 points and 3.4 rebounds per game...

As a freshman in 2005-06: Moved into starting lineup in Game 7 with fellow freshman Drake Reed and never relinquished it...developed into team's defensive stopper...scored eight points in first game as starter against Morehead State...before knocking down career's first double-figure contest against Eastern Kentucky when he scored 12 points on

five-of-seven shooting...also had seven rebounds in contest...was perfect six-for-six from floor, including two three pointers against UT Martin for career-high 18 points...scored nine points and delivered three assists while blocking two shots at home against SEMO... also helped to hold OVC leading scorer Roy Booker to just 5-of-20 from the floor...had 10 points on four-of-five shooting against Tennessee State...collected career's first double-double with 10 points and 11 rebounds at home against Samford...was perfect six-for-six from the line...also had 10 rebounds at Eastern Kentucky before fouling out in game's final minutes... finished seasons averaging 5.9 points and 4.1 rebounds per game...

In high school: Played guard/forward for Scott White at Ben Davis High School... averaged 15 points, eight rebounds per game as a senior along with 2.5 steals... selected first-team All-Metropolitan Interscholastic Conference... also honorable mention Marion County... named by Hoosier Magazine as one of Indiana's Top 100 as well as one of High Potential Recruiting Top 40 seniors... played on the Indiana Select AAU team as well as for the county team in the Jermaine O'Neal Super Shootout.

DUNN CENTER/DAVE AARON ARENA

The Winfield Dunn Center became home of the Governors and Lady Gops indoor athletics in 1975 after ground was broken for the \$5.3 million, 9,000-seat structure in February 1973.

The 132,000 square-foot complex, officially named the Winfield Dunn Health and Physical Education Building and Convocation Complex in honor of Governor Dunn, is a dominating edifice with 78 feet separating the top of the building from its maplewood playing surface. The Dunn Center replaced the Memorial Gymnasium, affectionately called "The Little Red Barn," which served as the Governors' homecourt from 1952 until the Dec. 1, 1975 tip-off.

On Jan. 16, 1988, the basketball arena was named Dave Aaron Arena in honor of the school's former athletics director, football coach and all-time winningest basketball coach.

Several improvements and modifications have taken place in recent years, including the addition of new scoreboards. Also, the floor lighting has been replaced to allow fans to better see Lady Gops and Governors events and also accommodate photography needs. An elevator was installed in the late 1990s to better accommodate the handicapped.

But in Fall 2004, some major upgrades occurred, with new cushioned telescopic seating on the lower level east and west north end-zone areas. In addition, two new state-of-the-art indoor Light Emitting Diode (LED) large display screens were hung in the southeast and northwest corners. It is a fully integrated sports solution that includes a control system to operate and integrate the displays of video replays plus a package of many custom animations, including sponsored game elements and crowd interaction plus much more.

In Summer 2007, it was announced more renovations and upgrades would take place, with new telescopic cushioned seating being added to the second level.

In addition, former President Sherry Hoppe announced the playing surface would be named "Dave Loos Court."

The Dunn Center is home of Governors basketball and Lady Gops volleyball and basketball. It also serves as a multipurpose practice facility for track, baseball and softball indoor workouts.

The Dunn Center also houses the University's training facility where trainers Joni Johnson, Shaun Duhe and Seth Billings administer treatment and rehabilitate injured athletes.

It also is home to the new David P. Roe Academic Services Center located on the second level.

Austin Peay athletics also work out in the newly renovated weight room, conveniently located in the Dunn Center's lower level south end. They also have access to dressing rooms, also subject to major renovations in Summer/Fall 2004.

Entering the facility's front lobby, visitors are impressed by the Hall of Fame area, honoring APSU's greatest former athletes, administrators and supporters.

APSU's athletic offices are located in the Dunn Center with the exception of tennis and baseball. The men and women's tennis office are located in the Governors Tennis Center, behind the right field fence at Lady Gops softball field.

In Winter 2004, the Governors baseball offices were moved to the former home of the student newspaper, The All-State, to be closer to Raymond C. Hand Park.

The new LED video boards have added immensely to the Dunn Center atmosphere.

CENTURY GAMES

With the return of the 45-second clock and the three-point shot in the past decade, 100-point games have been on the upswing in college basketball.

For Austin Peay, in fact, the cycle took a definite swing with four 100-point games in 1986-87, the Govs winning three of them; five in 1987-88, APSU winning just one, and six in 1988-89, the Govs winning five.

With a change of coaches, also involved a style change during 1990-91. Dave Loos' team played in six 100-point games. The Govs scored the most single-game points in Dunn Center history with a 122-96 win against Milligan. APSU and Morehead State set a Dunn Center mark for combined points scored (237) in the Govs' 124-113 double-overtime loss. Morehead also set an arena mark for most points scored by the opposition.

In 1991-92, the Govs participated in five 100-point games. The two wins came back to back, a 102-100 decision against Morehead State and 103-97 verdict against SEC foe Mississippi State. In total, the Govs have played in 26 games in which at least one team scored 100 points, including last season's 106-83 win against Lee and a

107-100 double overtime loss to Eastern Illinois.

Over the years, the Govs have been involved in 119 games where at least one team scored 100 points, with 12 of those both clubs scoring 100 or more. Austin Peay has won 58 of the century games. Of the 12 which both teams scored 100 or more, the Govs are 5-7. The Dunn Center/Dave Aaron Arena has held 33 100-point contests, with APSU holding a 29-4 edge.

Only one century-mark game occurred while Austin Peay was a junior college, and Freed-Hardeman won that one, 104-30, during the 1934-35 season. An opponent of the 100-point mark was David Aaron (1946-62), who purposely passed up scoring opportunities to avoid his team hitting the century figure and causing opposition possible embarrassment. The long-time successful coach was forced into the situation during the 1958-59 season when Harry Gallatin made his college coaching debut for Southern Illinois. The Govs won the game 106-100 in Memorial Gymnasium (Little Red Barn).

DUNN CENTER/DAVE AARON ARENA

The Winfield Dunn Center became home of the Governors and Lady Gops indoor athletics in 1975 after ground was broken for the \$5.3 million, 9,000-seat structure in February 1973.

The 132,000 square-foot complex, officially named the Winfield Dunn Health and Physical Education Building and Convocation Complex in honor of Governor Dunn, is a dominating edifice with 78 feet separating the top of the building from its maplewood playing surface. The Dunn Center replaced the Memorial Gymnasium, affectionately called "The Little Red Barn," which served as the Governors' homecourt from 1952 until the Dec. 1, 1975 tip-off.

On Jan. 16, 1988, the basketball arena was named Dave Aaron Arena in honor of the school's former athletics director, football coach and all-time winningest basketball coach.

Several improvements and modifications have taken place in recent years, including the addition of new scoreboards. Also, the floor lighting has been replaced to allow fans to better see Lady Gops and Governors events and also accommodate photography needs. An elevator was installed in the late 1990s to better accommodate the handicapped.

But in Fall 2004, some major upgrades occurred, with new cushioned telescopic seating on the lower level east and west north end-zone areas. In addition, two new state-of-the-art indoor Light Emitting Diode (LED) large display screens were hung in the southeast and northwest corners. It is a fully integrated sports solution that includes a control system to operate and integrate the displays of video replays plus a package of many custom animations, including sponsored game elements and crowd interaction plus much more.

In Summer 2007, it was announced more renovations and upgrades would take place, with new telescopic cushioned seating being added to the second level.

In addition, former President Sherry Hoppe announced the playing surface would be named "Dave Loos Court."

The Dunn Center is home of Governors basketball and Lady Gops volleyball and basketball. It also serves as a multipurpose practice facility for track, baseball and softball indoor workouts.

The Dunn Center also houses the University's training facility where trainers Joni Johnson, Shaun Duhe and Seth Billings administer treatment and rehabilitate injured athletes.

It also is home to the new David P. Roe Academic Services Center located on the second level.

Austin Peay athletics also work out in the newly renovated weight room, conveniently located in the Dunn Center's lower level south end. They also have access to dressing rooms, also subject to major renovations in Summer/Fall 2004.

Entering the facility's front lobby, visitors are impressed by the Hall of Fame area, honoring APSU's greatest former athletes, administrators and supporters.

APSU's athletic offices are located in the Dunn Center with the exception of tennis and baseball. The men and women's tennis office are located in the Governors Tennis Center, behind the right field fence at Lady Gops softball field.

In Winter 2004, the Governors baseball offices were moved to the former home of the student newspaper, The All-State, to be closer to Raymond C. Hand Park.

The new LED video boards have added immensely to the Dunn Center atmosphere.

CENTURY GAMES

With the return of the 45-second clock and the three-point shot in the past decade, 100-point games have been on the upswing in college basketball.

For Austin Peay, in fact, the cycle took a definite swing with four 100-point games in 1986-87, the Govs winning three of them; five in 1987-88, APSU winning just one, and six in 1988-89, the Govs winning five.

With a change of coaches, also involved a style change during 1990-91. Dave Loos' team played in six 100-point games. The Govs scored the most single-game points in Dunn Center history with a 122-96 win against Milligan. APSU and Morehead State set a Dunn Center mark for combined points scored (237) in the Govs' 124-113 double-overtime loss. Morehead also set an arena mark for most points scored by the opposition.

In 1991-92, the Govs participated in five 100-point games. The two wins came back to back, a 102-100 decision against Morehead State and 103-97 verdict against SEC foe Mississippi State. In total, the Govs have played in 26 games in which at least one team scored 100 points, including last season's 106-83 win against Lee and a

107-100 double overtime loss to Eastern Illinois.

Over the years, the Govs have been involved in 119 games where at least one team scored 100 points, with 12 of those both clubs scoring 100 or more. Austin Peay has won 58 of the century games. Of the 12 which both teams scored 100 or more, the Govs are 5-7. The Dunn Center/Dave Aaron Arena has held 33 100-point contests, with APSU holding a 29-4 edge.

Only one century-mark game occurred while Austin Peay was a junior college, and Freed-Hardeman won that one, 104-30, during the 1934-35 season. An opponent of the 100-point mark was David Aaron (1946-62), who purposely passed up scoring opportunities to avoid his team hitting the century figure and causing opposition possible embarrassment. The long-time successful coach was forced into the situation during the 1958-59 season when Harry Gallatin made his college coaching debut for Southern Illinois. The Govs won the game 106-100 in Memorial Gymnasium (Little Red Barn).
