The National Baseball Hall of Fame Class of 2017 as elected by the BBWAA: Tim Raines, Jeff Bagwell, and Ivan Rodriguez.

FIRST BALLOT HALL OF FAMER

On January 18, former Rangers Catcher Ivan "Pudge" Rodriguez was elected to the National Baseball Hall of Fame in his first year on the ballot.

Rodriguez became the 52nd player to be elected by the members of the Baseball Writers Association of America in his first year on the ballot. He joined Johnny Bench, who was elected in 1989, as the only first ballot catchers so honored.

Rodriguez is one of three players selected by the BBWAA in the Hall of Fame class of 2017 with First Baseman Jeff Bagwell and Outfielder Tim Raines. That trio will join former Royals and Braves General Manager John Schuerholz and former Major League Baseball Commissioner Allan H. "Bud" Selig as Hall of Fame inductees on Sunday, July 30 in Cooperstown, New York.

Rodriguez received 336 of the 442 votes submitted by qualifying BBWAA members for 76.0%, four votes more than the 75% (332 of 442) needed for election. The margin of four votes matches Jackie Robinson in 1962 for the fewest ever for a player elected on the first ballot.

Overall, Rodriguez became the 18th catcher to join the National Baseball Hall of Fame, the 10th selected in BBWAA voting. Born on November 27, 1971, he will become the youngest current Hall of Fame member. Pitcher Pedro Martinez, who was inducted in 2015, was born on October 25, 1971.

Rodriguez became the sixth player who wore a Texas Rangers uniform to be elected to the Hall of Fame, joining Ferguson Jenkins (1991), Gaylord Perry (1991), Nolan Ryan

(1999), Rich Gossage (2008), and Bert Blyleven (2011). He will join Ryan, who pitched for Texas from 1989-93, as the only Hall of Famers with a Rangers cap adorning their plaques. Other Hall of Famers with Rangers connections are managers Ted Williams (1966) and Whitey Herzog (2010), and coach Nellie Fox (1987).

Rodriguez became the fourth native of Puerto Rico to be elected to the Hall of Fame, joining Roberto Clemente (1973), Orlando Cepeda (1999), and Roberto Alomar (2011). In addition, native Cuban Tony Perez (2000) has spent much of his life residing in Puerto Rico.

In addition, the Rangers will have a ceremony to retire Rodriguez' uniform number 7 on Saturday, August 12 prior to the club's game against the Houston Astros.

Rodriguez will become the third Ranger to have his uniform number retired by the club, joining Nolan Ryan's #34 in 1996 and former manager Johnny Oates' #26 in 2005. In addition, Major League Baseball retired the number 42 worn by Hall of Famer Jackie Robinson, the first African-American player in the Major Leagues, in 1997.

The Rangers will be the third Major League team to retire #7, joining the New York Yankees (Mickey Mantle in 1969) and the Houston Astros (Craig Biggio in 2008). Rodriguez will be the 11th catcher to have his number retired, including Carlton Fisk, who has received that honor from both the White Sox and Red Sox.

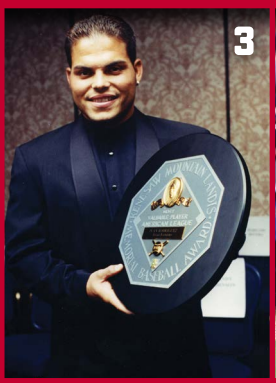

Rodriguez batted .296 with 311 home runs and 1332 RBI in 2543 Major League games with Texas (1990-2002; 2009), Florida (2003), Detroit (2004-08), New York-A.L. (2008), Houston (2009), and Washington (2010-11). He was a 14-time American League All-Star and a 13-time recipient of the Rawlings Gold Glove.

With the Rangers, Rodriguez batted .304 with 217 home runs and 842 RBI in 1,507 games. He ranks second on the team's all-time list with 1747 hits, 352 doubles, and 490 multi-hit games, is third in home runs, and fourth in games, runs (866), triples (28), RBI, total bases (2806), and extra base hits (597). He was elected to the Texas Rangers Hall of Fame in 2013. Following his retirement, he joined the Rangers as Special Assistant to the General Manager and is in his fifth year in that role.

Rodriguez' full bio can be found on page 183.

RANGERS & CITY OF ARLINGTON PARTNER TO BUILD NEW BALLPARK

A new ballpark for the Texas Rangers is coming to Arlington for the 2020 season.

The new facility, which is being built as a public-private partnership between the City of Arlington and the Rangers, will not only be the team's new home but also a multipurpose sports and entertainment venue that will include capabilities for hosting high school, college, and international sports as well as entertainment tours.

The design for the new ballpark, which will be built on what is now a team parking lot south of Randol Mill Road, will include a retractable roof for climate control and shelter for fans during the hot summer months. The new venue –

designed with a street-side that is different than anything in baseball – will complement and enhance the fabric of the surrounding Texas Live! development – a $250 million mixed-used entertainment district featuring dining, entertainment, a hotel and a convention center, which is expected to open in 2018 and is being developed by The Cordish Companies.

While designs and costs have not been finalized, a new ballpark and related infrastructure is estimated at $1 billion. The master agreement for this public-private partnership calls for a 50-50 split between the Texas Rangers and the City of Arlington, with the City's financial contribution capped at $500 million.

The Texas Rangers' 30-year lease on the City-owned Globe Life Park in Arlington was set to end in 2024. With the new master agreement, the Rangers' partnership with Arlington extends until January 1, 2054.

The Rangers and the City of Arlington announced the master agreement for the ballpark partnership on May 20, 2016 with unanimous approval for the agreement coming from the Arlington City Council on May 24, 2016. Arlington's ballpark bonds to finance the project were approved by voters in a City referendum on November 8, 2016.

On January 5, 2017, the Rangers announced that HKS had been selected to design the new ballpark to be built in Arlington. A nationally renowned sports and entertainment design firm which has its main headquarters in Dallas, HKS served as architect-of-record on then The Ballpark in Arlington (now Globe Life Park in Arlington), which opened in 1994.

HKS, ranked as one of the top sports and entertainment design firms by BD World Architecture, has ushered in a new generation of multi-revenue-generating, world class sports facilities. The group's ballpark portfolio includes Miller Park in Milwaukee, Wisconsin; U.S. Cellular Field renovations in Chicago, Illinois; and Dodger Stadium renovations in Los Angeles, California. The firm is also well-known for its designs of the new NFL U.S. Bank Stadium in Minneapolis, Minnesota; the top-grossing AT&T Stadium in Arlington, Texas; and the Indianapolis Colts' Lucas Oil Stadium in Indianapolis, Indiana. These venues are known for enhancing and leveraging team brand, delivering an enhanced fan experience and serving as destination environments.

The design phase of the ballpark is currently underway with construction expected to be begin later in the year.

Texas Live! is being developed by The Cordish Companies, whose origins date back to 1910 and encompass four generations of privately-held, family ownership. During the past 10 decades, The Cordish Companies has grown into a global leader in Real Estate Development, Gaming & Hospitality, Entertainment Management and International Urban Planning & Development. One of the largest and most respected developers in the world, The Cordish Companies have been awarded an unprecedented seven Urban Land Institute Awards for Excellence for public-private developments that are of unique significance to the cities in which they are located. Prime examples are The Cordish Companies' prominent role in the redevelopment of Baltimore's world famous Inner Harbor; Philadelphia, PA; Atlantic City, NJ; Charleston, SC; Houston, TX; Louisville, KY; Kansas City, MO and St. Louis, MO. In addition, The Cordish Companies has developed and operates multiple highly acclaimed entertainment destinations throughout the United States which welcome over 50 million visitors per year and are the most visited destinations in their respective regions.

Fans can follow the updated developments on the new ballpark at RangersNewBallpark.com or through the new ballpark's social media platforms:

BOB R. SIMPSON

CO-CHAIRMAN

Bob Simpson is currently Chairman of MorningStar Partners, the manager of Cross Timbers Energy, LLC, a 50/50 joint venture between ExxonMobil and MorningStar Partners. Cross Timbers is focused on conventional oil and gas exploration and production onshore in America. Previously, Mr. Simpson was Chairman of the Board and Founder of XTO Energy Inc.

XTO began as Cross Timbers Oil Company in 1986 by Mr. Simpson and two partners after Southland Royalty Company was acquired through a hostile takeover. One of the first acquisitions made by the new company was a bronze by artist Jack Bryant purchased at a charity fundraiser. The statue, entitled "I'll Be Back", depicting a retreating cowboy shaking a defiant fist, seemed to sum up his corporate philosophy. Under Mr. Simpson's leadership, XTO became the largest producer of natural gas in America. In June of 2010, ExxonMobil acquired XTO Energy for $41 billion.

Mr. Simpson and XTO Energy have received many honors and accolades for the success of the company. From 2005 through 2008, Mr. Simpson was named by Barron's in their "30 Most Respected CEOs in the World". Oil and Gas Investor magazine named Mr. Simpson their "Executive of the Year" in 2006. Institutional Investor magazine named him their "Best CEO" among Oil and Gas Exploration and Production Companies in April 2009. He continues to be recognized for his contributions and leadership – in addition to the Cornerstone Award he has been honored by the National Historic Trust at their Restore America Gala for his contributions to historic preservation and Texas Wesleyan University has named him as their 2007 Executive Man of the Year for their Business Hall of Fame. He has also purchased the grand champion steer at the Fort Worth Stock Show and Rodeo, from 2005 - 2008, with the proceeds going to educational scholarships.

The Texas native, youngest of four brothers, grew up on a Cisco ranch and was salutatorian of his high school graduating class. He attended Baylor University on a bank scholarship where he earned a BBA degree in Accounting with honors and then an MBA. Mr. Simpson served in the Texas Army National Guard after graduation and then earned his CPA designation.

JON DANIELS

PRESIDENT, BASEBALL OPERATIONS/GENERAL MANAGER

Jon Daniels was promoted to President, Baseball Operations & General Manager in March 2013. He became the eighth General Manager in Texas club history on October 4, 2005. His 11 full seasons at the helm are the most ever for a Rangers General Manager, one more than Tom Grieve (10, 1985-94).

Under Daniels' leadership, the Rangers have advanced to the postseason five times in the last seven years, matching St. Louis' John Mozeliak and Dave Dombrowski of Detroit (4) and Boston (1) for the most playoff appearances for any Major League GM in that span. Daniels also has the most playoff appearances ever for a Texas General Manager (Doug Melvin-3). In 2015-16, Texas recorded consecutive A.L. West Division titles for the second time in Daniels' tenure (also 2010-11).

The Rangers have posted a 941-842 (.528) regular season record in Daniels' 11 seasons leading the club's baseball operation. Over the last eight years (2009-16), Texas has the fourth highest winning percentage in the majors at .545 (707-590), winning at least 87 games seven times.

In 2016, the Rangers posted the best record in the American League at 95-67 while leading the A.L. West Division for the season's final 126 days. Daniels made several major moves at the August 1 non-waiver deadline when the club acquired catcher Jonathan Lucroy and reliever Jeremy Jeffress from Milwaukee and outfielder-DH Carlos Beltran from the New York Yankees. The club added more depth with the signing of outfielder Carlos Gomez later in the month.

The club's memorable run to the 2015 A.L. West Division championship began when Daniels hired Jeff Banister as the 18th full-time manager in Rangers' history in October 2014. Banister would go on to be honored by the Baseball Writers Association of America as the 2015 A.L. Manager of the Year. Daniels fortified the 2015 Rangers with a number of key acquisitions in late July and August as the club added pitchers Jake Diekman, Sam Dyson, and Cole Hamels, infielder Mike Napoli, and outfielders Drew Stubbs and Will Venable.

Texas went to the postseason in three consecutive years from 2010-12 after making just three total playoff appearances in the franchise's first 49 seasons. With consecutive World Series appearances in 2010-11, the Rangers join Blue Jays (1992-93), Yankees (1998-2001), and Royals (2014-15) as the only franchises to win back-to-back American League pennants in the last 25 years. Daniels joins the Yankees' Brian Cashman (6), the Giants Brian Sabean (4), the Royals Dayton Moore (2), and Mozeliak (2) as the only General Managers to make more than one World Series appearance with his current team.

The Rangers accomplishments earned Daniels *Baseball America's* 2010 Major League Executive of the Year. He was also selected as the 2011 Major League Executive of the Year by the Boston chapter of the Baseball Writers Association of America.

The three playoff appearances represented the culmination of a dramatic seven-year period in which the club completely overhauled its farm system and developed an organizational philosophy based on strong scouting and player development. That has been supplemented by acquiring a talented group of players through trades and free agency.

Success at the minor league level has been a priority for Texas. Three of Texas' affiliates qualified for postseason play in 2016 with High Desert winning the California League championship, the organization's first High-A crown since 2002.

During Daniels' tenure, the organization has stressed a "People First" mentality, prioritizing family, as well as personal development in addition to on-field production. In addition, the Rangers have placed a greater emphasis on international scouting, added to the player development, amateur, and professional scouting staffs, and stabilized the leadership in each department. The emphasis has been reinforced by the signing of several highly-touted players in Latin America, and more recently the Pacific Rim. The most recent to make a major impact is outfielder Nomar Mazara, who led all A.L. rookies in several offensive categories in 2016.

In addition, the Rangers were selected as the 2012 Topps Organization of the Year that annually highlights the Major League team that has shown outstanding performance, depth, and talent throughout it major and minor league teams. It marked the first time the Washington/Texas franchise has ever been so honored in the 47-year history of the award.

Daniels joined the Texas organization in 2002 as a baseball operations assistant. He was promoted to Director of Baseball Operations in October 2003 and Assistant General Manager in July 2004. He spent the 2001 season working for the Colorado Rockies' Baseball Operations Department.

At the time of his appointment as Rangers' General Manager, Daniels was 28 years, 41 days old, the youngest general manager in Major League Baseball history.

A 1999 graduate of Cornell University in upstate New York, Jon earned his degree in applied economics and management. He is a native of New York City.

Jon and his wife, Robyn, were married in November 2003. The couple resides in Southlake with their son, Lincoln (10) and daughters Harper (9) and Charlotte (5).

The citizen approval will allow the Rangers and City to build a state-of-the-art, retractable roofed ballpark in Arlington, with a value estimated at $1 billion, and to extend the lease agreement between the partners until January 1, 2054.

In September of 2016, the same partnership announced an expanded $250 million first phase of the project, which increased the total development to more than 500,000 square feet. ON THE LEADER BOARD: His 3.31 career ERA and .239 opponents batting average both rank as the 6th lowest among active pitchers (1500.0+ IP)…is 6th among active pitchers in strikeouts (2122)…over the last 11 seasons (2006-16), is 3rd in the majors in quality starts (226) and strikeouts (2122), ranks 4th in starts (338) and innings (2214.1), and has the 9th lowest ERA (3.31)…from 2011-16, places 6th in strikeouts (1225), 7th in innings (1269.0), and 8th in ERA (3.15/700.0+ IP) from 2011-16.

200/200: Combined to post at least 200.0 innings and 200 strikeouts in a season for the 5th time in his career in 2016, doing so in 4 of the last 5 years, joining David Price (4) and Max Scherzer (4) as only pitchers with as many instances since 2012…became the 7th pitcher (8th instance) in Rangers history with a 200/200 season, joining Yu Darvish (2013) and C.J. Wilson (2011) as the only Texas pitchers to do it since 1991.

START ME UP: Has made at least 30 starts in each of the last 9 seasons beginning 2008, matching the 2nd-longest active streak in the majors: 10—James Shields; 9—Cole Hamels and Jon Lester…the 2016 campaign marked his 7th straight season with 200.0+ innings (8th career), the longest active streak in MLB…his 200.2 IP in '16 ranked 9th in the A.L., this after 212.1 total innings in 2015 ranked 12th overall in the majors…his lone career regular season relief appearance was a 3.0 inning stint on 9/28/11 at ATL as a warm-up for the playoffs…has made 158 consecutive appearances as a starter since that time.

ALL I DO IS WIN: His 15 wins in 2016 were T2nd-most in his career (17 in 2012, 15 in 2007)…has gone 22-6 (.786) over 44 starts since the 7/31/15 trade to the Rangers, best win pct. in A.L. — The Rangers were 24-8 in his 32 starts this season, winning final 4 straight and 7 of last 8…the club posted wins in 14 consecutive regular season starts from 8/17/15-4/20/16, T2nd-longest streak in club history (15 straight Ferguson Jenkins starts in 1978-79 - STATS LLC).
— Has been the winning pitcher in each of the Rangers' division-clinching victories the past 2 seasons: 10/4/15 vs. LAA and 9/23/16 at OAK.

ALL I NEED IS THREE: Since Hamels took a 4-3 loss on 8/7/15 at SEA in his 2nd start as a Ranger, he has gone 20-0 over his last 32 starts when receiving 3+ runs of support, and the team has a 29-3 record in those games…of his 338 career starts has received 3 runs of support or more in 190 of them, going 121-16 (.883) in those games.

ALL-STAR/HONORS: Worked scoreless 3rd inning in A.L.'s 4-2 win in All-Star Game on 7/12/16 in his hometown of San Diego…also pitched a scoreless inning in relief for the N.L. RICHARD DURRETT HARDEST WORKING MAN AWARD

In November 2014, the Dallas-Fort Worth Chapter of the Baseball Writers Association of America announced a new annual Texas Rangers award in the memory of Richard Durrett. The Richard Durrett Hardest Working Man will be presented annually to a player who demonstrates significant improvement over the previous season or seasons through hard work. The award is named for Richard Durrett, who covered the Rangers for over a decade with the Dallas Morning News and ESPNDallas.com before his sudden passing on June 17, 2014 at the age of 38.

Robinson Chirinos was the first winner of the award in 2014, Rougned Odor was honored in 2015, and Elvis Andrus was selected as the 2016 recipient. All players were presented with their awards by Richard's wife, Kelly, at the annual Texas Rangers Dr Pepper Awards Dinner.

TEXAS RANGERS RULE 5 DRAFT HISTORY, 1971-2016

The Rangers have selected 17 players in the Major League Baseball Rule 5 Draft, which takes place annually at the winter meetings, since the franchise moved to Texas after the 1971 season. Additionally, Texas has acquired 3 other players via trade on the day of the Rule 5 Draft. Players with at least three years of professional service who are not protected on a team's major league roster are eligible for selection by another club for $50,000.00 ($25,000.00 through 1984). If the player selected does not make the opening day major league roster and remain there for the duration of the season, he must be offered back to his original club for one-half the draft price. Texas selections:

LONGEST SAVES

Texas pitchers own the two longest saves in major league history (since the save rule was installed in 1969). On Sept. 3, 2002 at Baltimore, Joaquin Benoit pitched the final 7.0 innings of a 7-1 win, the most innings ever for a pitcher recording a save. He saved the game for winning pitcher Todd Van Poppel, who tallied 2.0 scoreless innings in relief of starter Aaron Myette. Myette was ejected after throwing just 2 pitches. Texas took a no-hitter into the 9th inning of that game before Jerry Hairston led off the final frame with a triple.

Prior to Benoit's effort, the longest save (and still currently 2nd-longest in MLB history) had been by the Rangers' Horacio Pina on April 23, 1972 vs. California. Pina pitched 6.0 shutout innings to finish a 5-2 win for reliever Jim Panther after starter Bill Gogolewski faced just 4 batters. It was just the 7th game in Rangers history and Nolan Ryan was the starting pitcher and loser for the Angels at old Arlington Stadium.

2016 REVIEW

Elvis Andrus set career highs in categories including batting average, OPS, home runs, and RBI in 2016.

2016 SEASON IN REVIEW

FINAL OVERALL RECORD: 95-67 (.586)

FIRST IN A.L. WEST DIVISION, 9.0 GAMES AHEAD OF SEATTLE

HOME: 53-28 **ROAD:** 42-39

DIVISION CHAMPIONS: Texas won the American League West division title for the second straight year and the seventh time in team history (others 1996, 1998, 1999, 2010, 2011, and 2015). It marked the team's eighth trip to the postseason, also hosting the A.L. Wild Card Game in 2012. The Rangers' 5 playoff appearances in the last 7 years are tied with St. Louis for most of any major league club. Texas has won the A.L. West 4 times in those 7 seasons, tied with Detroit (4) and Los Angeles-NL (4) for most of any MLB club in that span. It marked the 3rd time for the club to win division titles in back-to-back years (1998-99, 2010-11, 2015-16).

AMERICAN LEAGUE DIVISION SERIES: The Rangers went 0-3 in the best-of-5 American League Division Series, losing in the ALDS round to the Blue Jays for a second straight season. Texas has now lost 6 consecutive postseason games over the past 2 seasons, all against Toronto. Since the introduction of the LDS round in 1995, there have been 6 instances of a team losing at least 6 straight in that round, and the Rangers own 2 of those 6 (also 9 straight losses - all vs. NYY - from 1996-99). The club's 10-inning walk-off defeat in Game 3 in Toronto marked just the 3rd all-time postseason walk-off loss for Texas (also 2011 WS G6 vs. STL and 1996 ALDS G2 at NYY), but it was first time the Rangers had ever been eliminated from the postseason in such fashion. By losing both home games in the series, Rangers dropped to 1-11 (.100) all-time in LDS home contests, the lowest home winning pct. by any MLB club. Rangers are now 4-7 all-time in postseason multi-game series, 3-1 when having home field advantage and 1-6 when they do not.

BEATING THE BEST: The 2016 Rangers finished with a 60-31 (.659) record against teams that ended with a .500-or-better record this season, the most wins and highest win pct. in MLB. In fact, it was the 8th-highest win pct. against teams .500-or-better in modern MLB history (1901-2016), 3rd-best by an A.L. team to only the 2001 Mariners (.676, 48-23) and 1910 Athletics (.662, 43-22). It was the highest win pct. and 2nd-most wins in club history (67-59 in 1991).

WINNING WITH FEW RUNS: The Rangers finished with an A.L.-high 10 wins with one-or-2 runs in 2016, 3rd in MLB to San Francisco (13) and New York-NL (11). On May 20-21 at Houston, the Rangers won back-to-back games with 2-runs-or-less for the first time since Sept. 18-19, 2004 at Anaheim. The club recorded a 1-0 victory on June 17 at St. Louis on Rougned Odor's solo home run in the 5th inning. It was the Rangers' first 1-0 win since 9/7/14 vs. SEA, first on the road since 6/13/14 at SEA. It was the 14th 1-0 win in Texas history on a solo HR, last on 8/28/12 vs. TB (Ian Kinsler HR) and the first road instance since 7/20/08 at MIN (Taylor Teagarden HR).

THE DIFFERENCE: The Rangers scored 765 runs last season and allowed 757, a run differential of +8 that was easily the lowest in modern major league history for a team with 95+ wins. The previous low for a team of 95-or-more wins had been a +66 by the 1977 Orioles, who finished 97-64. The Rangers' Pythagorean W-L record on baseball-reference.com was 82-80.

WINS AND LOSSES: The Rangers went 95-67 last season to win the A.L. West. Club's 95 wins were T2nd-most in club history, posting 96 in 2011 and 95 in 1999. It marked the 7th time in the last 8 seasons (2009-16) for the Rangers to win at least 87 games, only club in the majors to accomplish that in the span. Seven of the 14 highest win totals in Washington/Texas franchise history (1961-2016) have come since 2009.

Texas was 15-14 on May 5 after dropping 3 straight in Toronto, and 22-19 on May 18 following a 3-game sweep in Oakland. Beginning with a 3-game sweep from May 20-22 at Houston, Texas went 29-8 (.784) from May 20-June 28, best record and most wins in MLB in that span. That stretch brought the season record to 51-27 – the best 78-game start in club history. That span included a 24-6 stretch from May 28-June 28, which matched the most wins in any 30-game period in franchise history (also 1977). From June 29-July 22, Texas was an MLB-worst 4-15 (.211) to fall to 55-42 on the year. Beginning July 23, club was an A.L.-best 40-25 (.615) the rest of the way to finish at 95-67.

Club was the first team in MLB to reach 50 wins for the 2nd time in 5 years (also 2012), posting 50th win in game no. 77, fewest games in for an A.L. team to reach 50 wins since 2006. Rangers were also the 1st A.L. club to 70, 80, and 90 wins.

Rangers were a season-high 30 games above .500 on Sept. 30 (95-65), just the 3rd season in club history to reach 30-over. In fact, it was just the 7th day overall in franchise history to be 30-over or better. The others: Sept. 28, 2011 (96-66 to end season), and Sept. 27-Oct. 1, 1999. The high mark in franchise history in a season remains 31-over on both 9/28/99 (94-63) and 9/30/99 (95-64).

Texas was 54-36 (.600) in the first 'half', best in the A.L. and T3rd in MLB. Rangers went 41-31 (.569) after the break, 3rd-best in the A.L. and T4th-best in MLB to CHC (50-23, .685), BOS (44-31, .587), and CLE (42-31, .575).

Rangers had a 47-29 (.618) record against A.L. West opponents, best intradivision record for any of the 5 West clubs and the 4th-best intradivision mark in MLB behind Washington (51-25, .671 vs. N.L. East), Chicago-NL (50-25, .667 vs. N.L. Central), and Cleveland (49-26, .653 vs. A.L. Central). It was the Rangers' 3rd-best record ever against the West, trailing 2011 (40-17, .702) and 2013 (53-23, .697), this after being the 5th club in MLB history to win their division despite a sub-.500 record against division opponents in 2015. Rangers also went 16-17 against A.L. East teams and 19-14 (.576) vs. the Central, best since 2012 (28-19, .596).

ATTENDANCE: The Rangers finished with a home attendance of 2,710,402 for 81 dates, an average of 33,462. It was a rise of 218,527 from the 2015 figure of 2,491,875, the 4th-largest jump in MLB to Toronto (+597,208), Chicago-NL (+313,298), and New York-NL (+219,849). Club ranked 5th in the A.L. in attendance in 2016. Rangers hosted 7 sellouts, more than the combined total for 2014-15 (6): April 4 vs. Seattle, May 14 vs. Toronto, May 28 vs. Pittsburgh, June 24-25 vs. Boston, July 30 vs. Kansas City, and Sept. 4 vs. Houston.

BASERUNNING: Texas baserunners recorded 99 stolen bases, 4th in the A.L. and 2nd-lowest total in the past 8 seasons beginning 2009 (91 steals in 2012). The Rangers were successful in 99 of 135 attempts (73.3%), the 6th-highest percentage in the A.L.

Rangers' .433 slugging pct. ranked 4th in the A.L., highest since 2012 (.446) due in large part to the club's increased home run total. Finished 5th in the league in total bases (2394), also most since 2012 (2493).

The Rangers also ranked among league leaders in hit by pitches (2nd, 70), the 4th-highest total in club history (76 in 2015, 75 in 2001 and 2003). The win over the White Sox was the club's largest comeback since 8/1/12 vs. LAA (overcame 6-run deficit in 11-10, 11-inning win), and the 1st time to win when trailing by at least 5 runs in the 8th-or-later since 5/5/00 vs. OAK in a wild 17-16 victory. The win at the Coliseum in June was the club's largest road comeback in nearly 8 years, since another victory in Oakland on 7/25/08 (club trailed 5-0 in 4th, won 14-6). Team overcame deficits of 4+ runs 5 times, 3+ runs on 12 occasions, and multiple-run deficits 29 times.

Texas lost 28 times after having a lead at some point, tied with BAL for 4th-fewest in A.L. (22-DET, 23-CLE, 26-CHC, 28-TEX/BAL). The 28 figure was 3rd-lowest in a full season in club history (21 in 2013, 26 in 2011). Club's largest lead in a loss was a 6-run edge (6-0 thru 3 innings) in an 8-7 defeat on June 24 vs. BOS. It was Rangers' largest blown lead in a loss since 5/14/10 at TOR (6 runs), largest at home in nearly 8 years (8/23/08 vs. CLE).

The 9 walkoff losses were 4 more than any other MLB team through the end of June, and still ranked T2nd in MLB for the season (10-CWS; 9-TEX/CLE/OAK/SD).

Rangers finished 36-11 (.766) in one-run games, the highest win pct. by any team in one-run decisions in the modern era (1901-2016). The Texas finish edged the previous mark of 29-9 (.763) by the 2012 Orioles. The 36 wins matched the 2015 Pirates (36-17) for most one-run victories by any club since 1994. The only A.L. teams since 1979 with as many one-run wins as the 2016 Rangers were the 1990 Rangers (37-22) and 1993 Royals (38-32). It was the Rangers' 5th straight winning season in one-run games, 9th in the last 10 years. Texas went 18-4 in one-run games against A.L. West clubs. Team finished 14-16 in 2-run games.

From June 3-5, the Rangers swept the M's in a 3-game series in Arlington to take a 3.0-game lead in the division, and would lead by at least 2.5 games the rest of the way. Club was in sole possession of first place for the season's final 122 days beginning June 3, and last date out of 1st place (alone or tied) was after win May 28 vs. PIT (-0.5 GB). Club was no lower than T2nd place after season's first 4 days.

The Rangers won the division by 9.0 games, T2nd-largest margin for any of the 7 division titles in club history (+10.0 GA in 2011, +9.0 GA in 2010). Had a season-high 10.5-game lead in the division on both Sept. 3 and Sept. 24, just the 2nd and 3rd dates in franchise history with a lead over 10.0 games (+11.0 GA on 9/30/10).

DAYS OF THE WEEK: Sunday: 13-12; Monday: 13-9; Tuesday: 17-8; Wednesday: 11-14; Thursday: 7-6; Friday: 16-10; Saturday: 18-8. Club had winning records on 6 of the week's 7 days, most since 2013 (also 6 of 7). Led MLB in both wins and winning pct. on both Tuesdays and Saturdays. The 17 Tuesday wins were a club record, and the 18 wins on Saturday were T3rd-most in any season (20 in both 1996 and 2004).

DAY/NIGHT: Texas was 24-23 in day games and 71-44 at night. The .617 win pct. in night games set a club record, slightly ahead of a .614 (78-49) mark in 1999. It also ranked 2nd in the A.L. and 3rd in MLB to Chicago-NL (.659, 58-30) and Cleveland (.626, 67-40). Rangers won a franchise-record 10 consecutive day games from May 22-June 26, MLB-best 15-7 (.682) in day tilts at that point before going 9-16 the rest of the way. The only delayed game on the road came June 27 at New York-AL, a total of 3:56 spanning two delays for a game that ended at 2:44 a.m. ET, believed to be the latest ending ever for any Rangers contest. Team's delay of 2:42 before a 9:47 p.m. CT first pitch on Aug. 13 vs. DET marked the longest in Arlington since 9/6/14 vs. SEA (3:13). That 2014 game was also the last game in Arlington with a first pitch as late (10:18 p.m.). The club's rainout on 4/17 vs. BAL ended the Rangers' MLB-best streak of 448 consecutive regular season games played without a postponement, 1st time the Rangers had been postponed (home or road) since 5/29/13 vs. ARI at Globe Life Park in Arlington. The delay on Sept. 19 vs. Los Angeles-AL occurred when a miniscule storm cell covered only the area directly around Globe Life Park, as there was no other rain within 100 miles of the park during the 38-minute stoppage.

It ended a streak of 448 consecutive regular season games played without a postponement, longest such streak in MLB at the time. Team did not have any

doubleheaders for a 3rd straight season and have not seen a road washout since April 17, 2013 at Chicago-NL.

The team's last doubleheader was a Memorial Day twinbill on May 27, 2013 at Arizona (lost both games), a split double dip that was part of the original schedule. TEXAS RANGERS BASEBALL HALL OF FAME

The Texas Rangers Baseball Hall of Fame was created in 2003 to honor those individuals who have excelled for the franchise both on and off the field.

Under a process instituted in 2009, the Hall of Fame selection committee, which is comprised of all living Texas Rangers Hall of Fame inductees, veteran members of the media, and Rangers club officials, meets to consider individuals based on their playing contributions. Individuals in a non-playing capacity are also considered for induction by the Rangers organization.

To be considered for Rangers Hall of Fame selection, former players must have spent a minimum of four seasons in a Texas uniform and be retired as an active player for a minimum of one year.

Infielder Michael Young, a seven-time All-Star and the team leader in numerous offensive categories, was selected as the 2016 inductee into the Texas Rangers Baseball Hall of Fame. Young was inducted as the Hall of Fame's 20th member in pre-game ceremonies on Saturday, July 30 at Globe Life Park in Arlington. The 39-year-old Young, who re-joined the Rangers as Special Assistant to the General Manager in November 2014, retired in January 2014 after an outstanding 13-year major league career.

The Texas Rangers Hall of Fame plaques are located in the Texas Rangers Hall of Fame exhibit, which opened for the 2010 season in the space previously occupied by the Legends of the Game Baseball Museum. The Hall of Fame exhibit is open free of charge to ticketed fans during Rangers home games.

RETIRED UNIFORM NUMBERS

26 JOHNNY OATES

On Saturday, August 6, 2005, the Texas Rangers Baseball Club retired the number 26 in honor of late manager Johnny Oates before a 10-3 victory against the Baltimore Orioles. A crowd of 34,632 gathered at Rangers Ballpark in Arlington to watch the ceremony.

Oates became the 14th full-time manager of the club on Oct. 14, 1994. He spent six seasons at the helm, from 1995-2001, leading the Rangers to first three division titles and postseason appearances in franchise history, in '96, '98 and '99. In 1996, Oates shared the American League Manager of the Year Award with Yankees skipper Joe Torre, and in 1999 he led the team to a then-record 95 wins.

In his five seasons in Arlington, Oates compiled a record of 506-476 and a .515 winning percentage. On August 2, 2003 the organization honored Oates by inducting him into the inaugural class of the Texas Rangers Baseball Hall of Fame. Known for his steady leadership and strong values, Oates passed away on Christmas Eve 2004.

34 NOLAN RYAN

The first uniform number to be retired in Texas Rangers history was the number 34 worn by pitcher Nolan Ryan from 1989-93. The team held a retirement ceremony on Sunday, September 15, 1996, before the Rangers played the Milwaukee Brewers before a sellout crowd of 45,941 at Rangers Ballpark in Arlington.

Ryan signed with Texas as a free agent on December 7, 1988. He went on to finish his career in Arlington as baseball's all-time strikeout leader with 5,714. Among the feats he accomplished with the Rangers were his 300th victory (July 31, 1990 at Milwaukee); his 5,000th strikeout (Oakland's Rickey Henderson on August 22, 1989 at Arlington Stadium); his sixth no-hitter (June 11, 1990 at Oakland); and his seventh no-hitter (May 1, 1991 vs. Toronto at Arlington Stadium).

He was elected to the National Baseball Hall of Fame in his first year of eligibility on January 5, 1999 and was enshrined into the Hall on July 25, 1999. The seven-time All-Star was honored on Nolan Ryan Appreciation Day at Arlington Stadium on Sunday, September 12, 1993. His final major league appearance was September 22 that year at Seattle. He is the only player in major league history to have his number retired by three different teams (also California in 1993 and Houston in 1996).

42 JACKIE ROBINSON

On April 15, 1997, Major League Baseball retired the number 42 worn by Hall of Famer Jackie Robinson, the first African-American player in the major leagues. That date marked the 50th anniversary of Robinson's major league debut with the Brooklyn Dodgers in 1947.

The Rangers held a retirement ceremony for the number 42 prior to a game with the Los Angeles Dodgers on September 2, 1997 at Rangers Ballpark in Arlington. Six players and three coaches had worn the number 42 for Texas. In 1997, outfielder Marc Sagmoen switched to number 37 on April 16 in recognition of the retirement of 42.

The complete list of "42's" for the Rangers: Nellie Fox, coach (1972); Jackie Moore, coach (1973-76; 1993-94); George Medich, pitcher (1978-79); Wayne Terwilliger, coach (1981-85); Keith Creel, pitcher (1987); Scott Coolbaugh, third baseman (1989-90); Dan Smith, pitcher (1992); Dennis Cook, pitcher (1995-96); Marc Sagmoen, outfielder (1997).

TRIPLE PLAYS

BY RANGERS (5)

AUGUST 8, 1977 VS. OAKLAND AT TEXAS: With Roger Moret pitching, Mitchell Page and Rich McKinney walked to open the fifth inning. Manny Sanguillen hit a grounder to third baseman Toby Harrah, who stepped on third to force Page, threw to second baseman Bump Wills, who forced McKinney, and threw to first baseman Mike Hargrove to get Sanguillen. The Rangers won, 3-0.

JUNE 17, 1999 AT NEW YORK: With Aaron Sele pitching, Tino Martinez and Paul O'Neill each singled to start the inning, giving New York runners at first and second base with no outs. Chili Davis hit a liner to second baseman Mark McLemore, who flipped the ball to shortstop Royce Clayton to double off Martinez at second. Clayton threw the ball to first baseman Lee Stevens to triple-off Paul O'Neill as both runners were moving on contact. The Rangers won, 4-2.

AUGUST 6, 2001 AT BOSTON: With Rob Bell pitching, Brian Daubach led off bottom of fourth inning with a walk and advanced to second on Chris Stynes' single. Scott Hatteberg lined out to shortstop Alex Rodriguez, who threw to second baseman Randy Velarde to double up Daubach at second. Velarde then tagged Stynes to complete the triple play. Boston won, 10-7.

APRIL 14, 2002 VS. SEATTLE AT TEXAS: With Kenny Rogers pitching, Ruben Sierra doubled to lead off the top of the fourth inning and John Olerud followed with an infield single, advancing Sierra to third. Ron Wright, in just his second major league at-bat, hit a ground ball back to Rogers, who threw to shortstop Alex Rodriguez to force Olerud at second base. Sierra was then caught in a rundown between 3rd and home, Alex Rodriguez to catcher Ivan Rodriguez to 3rd baseman Hank Blalock to Rogers, who applied the tag. Rogers then threw to second baseman Michael Young, who tagged out Wright attempting to advance to second base to complete the triple play. Seattle won the game, 9-7.

According to the Elias Sports Bureau, the 1-6-2-5-1-4 triple play was the most touches (people handling the ball) on a triple play in the majors since August 29, 1969, when Billy Williams of the Chicago Cubs hit into a 3-6-5-1-4-7 TP vs. Atlanta. The six Braves participating, in order, were Orlando Cepeda, Gil Garrido, Clete Boyer, Pat Jarvis, Felix Milan and Rico Carty.

MAY 20, 2009 AT DETROIT: With Matt Harrison pitching, Brandon Inge doubled to lead off the bottom of the fourth inning and Ryan Raburn followed with a walk. Gerald Laird hit a line drive to second baseman Ian Kinsler, who threw to shortstop Elvis Andrus to double up Inge at second. Andrus then tagged Raburn to complete the triple play. Detroit won, 5-3.

BY OPPOSITION (7)

AUGUST 13, 1972 VS. KANSAS CITY AT TEXAS: With Dick Drago pitching, the Rangers had Dick Bosman on second and Elliott Maddox on first in the bottom of the third inning. Toby Harrah hit a chop in front of the plate, and catcher Ed Kirkpatrick threw to third baseman Paul Schaal to force Bosman. Schaal then relayed to second baseman Cookie Rojas, covering first, to get Harrah. When Maddox tried to go from first to third on the play, he was thrown out at third on Rojas' return throw to Schaal. The Rangers won, 13-4.

JUNE 10, 1979 AT BALTIMORE: With Dennis Martinez pitching, the Rangers had Pat Putnam on first and Al Oliver on second in the top of the sixth inning. With runners going on the pitch, Buddy Bell hit a line drive to third baseman Doug DeCinces, who threw to second baseman Rich Dauer to double off Oliver. Dauer then relayed to first baseman Eddie Murray to get Putnam and complete the triple play. Baltimore won, 5-4.

JUNE 23, 1979 AT OAKLAND: With Craig Minetto pitching, the Rangers had Billy Sample on first and Oscar Gamble on second in the top of the fourth inning. John Grubb hit a soft liner to third baseman Wayne Gross, who was ruled to have made the catch by umpire Bill Kunkel. However, Rangers third base coach Frank Lucchesi, thinking the ball had been trapped, waved the runners from first and second. Gross, attempting to double Gamble off second, threw the ball into centerfield, but centerfielder Tony Armas retrieved the ball and threw to shortstop Dave Chalk in time to double Gamble off second. Armas then took the ball from Chalk and ran over to first base to catch Sample off the bag for the third out. Armas had an assist and putout on the triple play. The Rangers won, 8-5.

JULY 28, 1979 VS. BOSTON AT TEXAS: With Dennis Eckersley pitching, the Rangers had Buddy Bell on first and John Grubb on third in the bottom of the first inning. Al Oliver hit a sinking liner towards right, and both runners, thinking the ball would drop, started to advance. However, second baseman Jack Brohamer made a diving catch and threw to first baseman Bob Watson to double Bell off first. Watson then relayed to third baseman Butch Hobson, who stepped on third to get Grubb and complete the triple play. Boston won, 1-0.

MAY 22, 1981 AT SEATTLE: With Jerry Don Gleaton pitching, John Grubb and Pat Putnam walked to lead off the eighth inning. With both runners going on the pitch, Mario Mendoza hit a line drive to shortstop Rick Auerbach, who stepped on 2nd to double off Grubb. Auerbach then threw to first baseman Bruce Bochte to catch Putnam for the third out. The Rangers won, 6-2.

JUNE 1, 1991 VS. SEATTLE AT TEXAS: With Randy Johnson pitching, Mario Diaz and Gary Pettis walked to lead off the second inning. Brian Downing hit a grounder to third baseman Edgar Martinez, who stepped on third to force Diaz, then threw to second baseman Harold Reynolds to force Pettis. Reynolds made the relay to first baseman Pete O'Brien to get Downing. Seattle won, 12-8.

APRIL 22, 2016 AT CHICAGO-AL: With Jose Quintana pitching, Mitch Moreland hit a bases-loaded line drive to rightfielder Adam Eaton that would result in a 9-3-2-6-2-5 triple play on which all 3 baserunners had difficulty responding to whether the ball would be caught. Ian Desmond was retired when overrunning the bag in his return to first base. Prince Fielder was then caught off third base for the last out. It was the first triple play by a Texas opponent in nearly 25 years, and the first against the Rangers in a road game in almost 35 years since May 22, 1981 at Seattle.

PASSED BALLS

The Rangers set a single-season major league record by committing 73 passed balls in 1987, surpassing the old mark of 49 by the 1959 Baltimore Orioles. Of the 73, 65 came with Charlie Hough on the mound, 46 in his final 21 starts and 25 in his last 11 outings. Geno Petralli had 35 total passed balls (32 with Hough on the mound), three more than the previous major league record accomplished by J.C. Martin of the Chicago White Sox in 1965. Don Slaught had 20 (17 catching Hough), and Mike Stanley committed 18 (16 with Hough) as that trio comprised the A.L.'s top three catchers in passed balls. All three broke the Rangers' record for passed balls for an individual catcher, set by Jim Sundberg in 1980 (17). The Rangers had three passed balls in a game four times, four and five twice each, and six once. Petralli's six passed balls on August 30 at Detroit tied the major league record for one game set by Harry Vickers of the Cincinnati Reds on October 4, 1902. Geno also had four passed balls in the seventh inning on August 22 vs. Chicago, matching the big league mark established by Ray Katt of the New York Giants on September 10, 1954.

THE RANGERS BEFORE TEXAS

The current Texas Rangers franchise originated on October 26, 1960, when the American League awarded an expansion franchise to Washington, D.C. That followed the transfer of the original Washington franchise to Minnesota after the 1960 season. The expansion Senators played in Washington from 1961-1971 before moving to Texas after the 1971 season.

WHY THE TEXAS RANGERS?

On Nov. 23, 1971, club owner Robert E. Short announced the franchise he moved from Washington D.C. would be named the Texas Rangers. The nickname pays honor to the legendary police agency, the Texas Rangers. The inaugural game was supposed to be played on April 6, 1972, but was postponed by a players' strike. The Rangers lost to the California Angels, 1-0, on April 15 in the team's first game. In the first home game on April 21, 1972, the Rangers defeated the Angels 7-6 at Arlington Stadium.

THREE MILLION FANS IN A SEASON

There have been two instances in Washington/Texas franchise history of surpassing the 3 million mark in home attendance: 2012 and 2013. The club's two-year total of 6,638,553 in 2012-13, as well as average attendance of 40,727 in that span, both ranked 4th in the majors behind only Los Angeles-NL, New York-AL, and San Francisco.

The Rangers drew 3,460,280 fans for 81 home dates in 2012, the highest single-season figure in franchise history and the first time to ever surpass the 3 million mark. Club records were established with 38 sellouts and 59 crowds of at least 40,000. The team saw 3 separate streaks of at least 5 straight sellouts in 2012 after never having more than 4 sellouts in a row prior to that season. The Rangers reached the 3 million mark for the first time on September 13, 2012 in home date no. 71. The team surpassed 1 million that year on May 27 (home date no. 23) and 2 million on July 23 (home date no. 46), both besting the previous records to those milestones by four dates. Texas recorded sellout no. 22 on June 24, 2012 (home date no. 35), surpassing the previous mark of 21 sellouts in 1994. In 2012, the Rangers sold out a club-record 9 consecutive home dates from April 23-May 13, and also saw 5 straight sellouts both May 16-27 and June 29-July 7. For the entire 2012 season, the Rangers saw just 2 crowds of less than 30,000 in Arlington.

** - Starter*

ALL-STAR TIDBITS

- The 2016 contest marked the 6th time in 7 seasons for Texas to have both a pitcher and position player appear in an All-Star Game.
- Yu Darvish (2012-13-14) became the 2nd A.L. pitcher to ever be an All-Star in as many as his 1st 3 ML seasons (rookie status in year one), joining Jonathan Papelbon in his 1st 4 years with Boston (2006-09).
- Joe Nathan's save in the 2013 game was the 2nd by a Ranger (also John Wetteland in 1999), following Mariano Rivera in that contest.
- A Texas player had a hit in 10 straight All-Star Games with a plate appearance from 2003-12, the lone exception being 2007, when Michael Young (Rangers' only All-Star that year) did not play. Beginning in 1998, a Ranger has had a hit in 14 of the last 19 All-Star Games (Alex Rodriguez was 0-for-2 in 2002, Nelson Cruz was 0-for-1 in 2013, Adrian Beltre walked in lone PA in 2014, Ian Desmond was 0-for-1 in 2016).
- For the 2012 game in Kansas City, the Rangers set club records with: 8 total All-Stars, 5 position player selections, 3 pitcher selections, and 3 elected starters. It gave the Rangers the most active All-Stars (8) for one club since the 2004 Yankees (8).
- Adrian Beltre became the first Ranger ever elected to start an All-Star Game at third base in 2012 (although there had been 3 previous starts by Rangers at third base). Also in 2012, Mike Napoli joined Ivan Rodriguez (9) as the only Rangers to start a Classic behind the plate.
- In 2012, Yu Darvish became the 4th Rangers rookie selected, joining Jim Sundberg (1974), Jeff Zimmerman (1999), and Neftali Feliz (2010).
- The club saw at least 2 pitcher selections in 4 straight years from 2010-13, and had at least one pitcher in 5 consecutive seasons from 2010-14, this after no pitchers from 2006-09 and only 3 total selections in a 10-year span from 2000-09.
- The Rangers had at least one All-Star starter for 15 consecutive seasons from 1992-2005.
- Adrian Beltre (2, 2011-12), Josh Hamilton (5, 2008-12), Alex Rodriguez (3, 2001-03), and Ivan Rodriguez (9, 1993-2001) are the only Rangers to start more than one AS game.
- Michael Young is the only player with 2 game-winning RBI in the 9th inning or later in All-Star Game history dating to 1933 (2006 and 2008).
- Hank Blalock hit a game-winning, 2-run pinch HR off Eric Gagne in the bottom of the 8th inning to give the A.L. a 7-6 win in 2003 at Chicago's U.S. Cellular Field. He became the 12th player to homer in his first All-Star at-bat.
- Juan Gonzalez (1993) and Ruben Sierra (1989) won the Home Run Derby. Josh Hamilton finished second despite a record showing in 2008, and Nelson Cruz took second in 2009.
- Nolan Ryan became the oldest All-Star winner ever with his relief victory in '89.
- Kevin Brown is the only Ranger pitcher to ever start an All-Star Game, winning the 1992 game.
- Six Texas managers have served as coaches in an All-Star game: Whitey Herzog - 1973, Billy Martin - 1975, Pat Corrales - 1979, Bobby Valentine - 1988, Johnny Oates - 1995, 1997, Ron Washington - 2007.
- In 1972 infielder Toby Harrah was named to the squad as a replacement for injured Luis Aparicio, becoming the first Ranger All-Star, but Harrah was injured and replaced by Bobby Grich.

RANGERS HITTING FOR THE CYCLE (9)

ODDIBE MCDOWELL (7/23/85) — Oddibe McDowell was the first player in Rangers' history to hit for the cycle, accomplishing that feat on July 23, 1985 vs. Cleveland at Arlington Stadium. McDowell doubled in the first inning, singled in the third and tripled in the fourth off starter Neal Heaton. He added another single in the sixth off Jeff Barkley and achieved the milestone with a solo HR off Tom Waddell in the eighth.

MARK TEIXEIRA (8/17/04) — On August 17, 2004 at Rangers Ballpark against Cleveland, Teixeira became the 2nd player in Rangers history to hit for the cycle in a game, the first in over 19 years. Teixeira struck out in the first inning and doubled in the third off Tribe starter Cliff Lee. He homered in the fourth inning and tripled in the fifth off Cleveland reliever Rick White. Teixeira completed his cycle with a seventh inning single off reliever Cliff Bartosh before being removed for a pinch runner. **Notes:** At the time, was the 14th switch-hitter in ML history to hit for the cycle, and had 2 hits from each side of the plate in his cycle, just the 3rd known switch-hitter to do so (no info for Otis Clymer).

GARY MATTHEWS JR. (9/13/06) — On September 13, 2006 at Comerica Park in Detroit, Gary Matthews Jr. became the 3rd player in Texas Rangers history to hit for the cycle in a game. He went 4-for-4 with 3 runs and 3 RBI, becoming the first Rangers player to hit for the cycle on the road. Matthews singled in the first inning, doubled in the second, and tripled to center field in the fourth off Tiger starter Justin Verlander. He completed the cycle in the rare "natural order" with a solo home run off LHP Mike Maroth on the first pitch to lead off the top of the sixth inning. Matthews became just the 14th player in major league history and seventh in the A.L. to hit for the cycle in natural order (1B, 2B, 3B, HR). **Notes:** Became the 19th switch-hitter in major league history to hit for the cycle…only 3 leadoff hitters -- Eric Byrnes (2003), Craig Biggio (2002) and Neifi Perez (1998) — had cycled over the previous 13 years.

IAN KINSLER (4/15/09) — On April 15, 2009 at Rangers Ballpark in Arlington, Ian Kinsler became the 4th player in team history to cycle in a game against Baltimore. He went 6-for-6 with 5 runs, 4 RBI, and 13 total bases, becoming the first player in the modern era (since 1900) to have a 6-hit cycle in a 9-inning game. Kinsler doubled in the first inning, homered in the third, and singled in the fourth off starter Mark Hendrickson. He singled again in the fourth off Radhames Liz, tripled in the sixth off Brian Bass, and doubled again in the eighth off Matt Albers. **Notes:** Established a club record for hits in a 9-inning game, and also matched club records for extra-base hits (4) and runs scored (5) in a single game…his 13 total bases matched the second-highest single-game total in team history…historic game occurred on Jackie Robinson Day throughout MLB, as the second baseman was wearing a nameless no. 42 jersey for the contest.

BENGIE MOLINA (7/16/10) — On July 16, 2010 at Fenway Park in Boston, Bengie Molina became the 5th player in team history to cycle. Molina singled in the second and doubled in the fourth off starter Felix Doubront. He then hit a grand slam in the fifth off Fernando Cabrera and tripled in the eighth off Ramon Ramirez to complete his cycle. He left the game with tightness in his right quadriceps after the triple. It was one of 4 cycles in the majors that season, the only one by an A.L. player. **Notes:** It was the 15th time a catcher has hit for the cycle, the first Ranger and first catcher ever with a cycle vs. the Red Sox…he was the 9th player, 8th since 1900, and first catcher ever with a grand slam as part of a cycle…was named A.L. Player of the Week for his efforts.

ADRIAN BELTRE (8/24/12) — On Aug. 24, 2012 at Rangers Ballpark against Minnesota, Adrian Beltre posted his second career cycle, the other coming with Seattle on Sept. 1, 2008 in Arlington. He became the first player in the modern era to cycle in the same park as both a home and visiting player. Beltre tripled in the first, doubled in the second, and homered in the fifth off starter Samuel Deduno. He then singled in the seventh off Kyle Waldrop to complete his cycle. **Notes:** Became just the second player in MLB history to have a 3-HR game and cycle in the same week, joining Joe DiMaggio in 1948…it was the first cycle by an A.L. player since Bengie Molina for Texas in 2010.

ALEX RIOS (9/23/13) — On Sept. 23, 2013 at Rangers Ballpark against Houston, Alex Rios recorded his first career cycle. Texas starter Derek Holland tossed a complete-game shutout in the 12-0 win. Elias Sports Bureau noted it was only the 5th time in a 100-year span for teammates to have a cycle and shutout in the same game, first instance since the 1998 A's (Jimmy Haynes/Mike Blowers). Rios had an RBI double in the first and infield single in the 3rd, both off starter Jordan Lyles. He hit a solo homer in the 5th, and triple to right-center in the 6th, both off David Martinez. Rios left the game after 7 innings without batting again and Texas holding a 12-0 lead, joining Adrian Beltre, Bengie Molina, and Gary Matthews Jr. as only Rangers to cycle within the first four plate appearances in a game.

SHIN-SOO CHOO (7/21/15) — On July 21, 2015 at Coors Field against Colorado, Shin-Soo Choo recorded his first career cycle in the Rangers' 9-0 win. It was the 3rd time for a Texas batter to cycle in a shutout win, accounting for a 3rd consecutive instance. Choo doubled in the 2nd inning and homered in the 4th inning off Rockies starter Kyle Kendrick, then singled in the 5th inning against Yohan Flande. After grounding out versus Flande in the 7th, Choo led off the 9th with a triple against Rex Brothers to complete his cycle.

ADRIAN BELTRE (8/3/15) — Adrian Beltre became just the 4th player in MLB history with 3 career cycles (also Long John Reilly, Bob Meusel, Babe Herman) when he completed the feat on August 3, 2015 vs. Houston. Each of his 3 cycles came in Arlington, the only player ever to cycle 3 times in one park. He became the first batter with multiple cycles in a Texas uniform (also 8/24/12 vs. MIN). Beltre's effort gave the Rangers 4 of the last 8 cycles in MLB, and a league-best 6 cycles from 2009-16. Beltre tripled in the first inning off starter Lance McCullers and doubled in the 2nd inning off Josh Fields. He also singled in the 3rd inning and homered in the 5th off Mike Fiers, becoming just the 6th player in the expansion era (since 1961) to hit for the cycle by the end of the 5th (credit Elias). It was the Rangers' 2nd cycle in a span of 2 weeks, the first time in club history with multiple cycles in a single season.

PITCHERS AND THE LONG BALL

On June 30, 1997, at Dodger Stadium, Texas pitcher Bobby Witt belted a solo home run off Ismael Valdez in the sixth inning of a 3-2 Rangers win. It was the first homer by an AL pitcher in a regular season game since Baltimore's Roric Harrison went deep on October 3, 1972 (G1) at Cleveland. In Game 4 of the 1974 World Series, Oakland's Ken Holtzman homered against the Dodgers. Witt hit the first home run by a Rangers pitcher since the franchise moved to Texas in 1972. The most recent homer by a pitcher in the franchise had been by Pete Broberg of the Washington Senators on September 19, 1971 vs. Boston at RFK Stadium.

Yu Darvish homered on Aug. 24, 2016 at Cincinnati's Great American Ball Park off Tim Adleman in the fifth inning for the second and most recent long ball ever by a Texas pitcher. It snapped the Rangers' 19-year home run drought for pitchers, which had been the fifth-longest among all MLB clubs. Ian Desmond followed Darvish's blast with another home run, the first instance of an A.L. club hitting back-to-back home runs involving a pitcher since Tampa Bay on June 4, 2000 at New York-NL (Felix Martinez and Esteban Yan).

PITCHERS AT THE PLATE

Since the designated hitter rule was adopted in 1973, 11 Rangers pitchers have batted in a regular season American League game (listed below). Included in this list is an at-bat by David Murphy, who started in left field and ended the game as a pitcher on June 4, 2013 at Boston. Since 1973, Rangers pitchers have combined to bat .143 (48-336) with 10 doubles, 2 triples, 2 home runs and 18 RBI (including Murphy). Yu Darvish's home run on Aug. 24, 2016 at Cincinnati came in the final plate appearance by a Texas pitcher in 2016.

John Burkett was the first Texas pitcher to start a game in the batting order against a National League club. He singled in his first at-bat.

HOME RUN RECORDS IN 2005

In an 18-3 victory over Houston on May 21, 2005, the Rangers established a club record with 8 home runs. It marked just the 10th time since divisional play began in 1969 that a team had hit 8-or-more home runs in a game, the first ever in interleague play, and was just the 15th team ever with 8-or-more homers in a single game. Texas hit club-record 4 home runs in the 2nd inning, tied for the most ever by a team in one inning of an interleague contest (also CHC, 6/21/08 vs. CWS - 4th inning). All 4 Texas home runs in that 2nd inning came with 2 outs, just the 2nd time in American League history for a team to hit 4 home runs with 2 outs in a frame (also Boston, 4th inning on 7/18/98 at Detroit). With Houston's 2 home runs in the game, 9 different players homered, matching the A.L. record for individuals from both teams with at least one home run. The Rangers had 7 different players homer in the contest, matching an American League record (4th time). Texas would match the 8-homer record on June 30, 2005 in an 18-5 win over LA of Anaheim.

A MAJOR LEAGUE FIRST

The Rangers-Cubs game on June 18, 2002 at Wrigley Field marked the first time in major league history that as many as four players with 400 career home runs had appeared in the same game. The foursome consisted of Juan Gonzalez and Rafael Palmeiro from Texas, and Fred McGriff and Sammy Sosa of Chicago-NL.

GOLD GLOVES WITH POWER

In 2002, Alex Rodriguez became just the 4th player in major league history to hit 50-or-more home runs in a season while also earning a Gold Glove Award. Rodriguez belted 57 homers, the most ever by a Gold Glover, and recorded a .987 fielding percentage (10 E/741 TC). The others to do it were Willie Mays (1965 for San Francisco), Ken Griffey Jr. (1997 and 1998 for Seattle), and Andruw Jones (2005 for Atlanta.

FIVE WITH 25 HOME RUNS

In 2011, the Rangers featured 5 players with at least 25 home runs. It matches the 2nd-most 25-homer players by any club in major league history, also tying the club record that was first reached by the Rangers in 2005. There have been 12 teams in baseball history with at least 5 different 25-homer players in a season, but the Rangers, Red Sox (1977 and 2003), White Sox (2002 and 2012), and Orioles (1996 and 2016) are the only franchises to do it twice.

ROBERTO CLEMENTE AWARD

Since 1971, Major League Baseball has annually presented an award that recognizes a player who best exemplifies the game of baseball through sportsmanship, community involvement and positive contributions to his team.

In 1973, following the tragic death of Roberto Clemente, the award was named to honor the man whose spirit and goodwill will always be remembered. The 12-time All-Star and Hall of Famer was killed in a plane crash in 1972 delivering food and medical supplies to earthquake victims of Nicaragua. The award recognizes those individuals who truly understand the value of helping others.

TEXAS (30) AT BALTIMORE (3) - AUGUST 22, 2007 (GAME 1)

On Aug. 22, 2007, at Baltimore's Oriole Park at Camden Yards, the Rangers established a modern day record by scoring 30 runs in the first game of a doubleheader. Below is a list of various records and notes associated with this historic contest. Special thanks to Elias Sports Bureau for their assistance with this compilation. All notes are updated through the end of the 2016 season.

- The Rangers' 30 runs are the most in any game in modern major league history (beginning 1900), one more than 29 runs by both the Red Sox (June 8, 1950 vs. StL-AL) and White Sox (April 23, 1955 at KC). It was the 9th time ever in baseball history for a team to score 30 runs (beginning 1876). Rangers' previous club record for runs scored was 26, on April 19, 1996 vs. Baltimore.

- The Rangers' 29 hits remain a club record, 6 more than previous mark of 23 hits, done twice: April 2, 1998 vs. Chicago-AL and June 24, 2004 vs. Seattle (18 innings). The 29 hits were 2 shy of matching the modern record of 31, done by Milwaukee on Aug. 28, 1992 vs. Toronto. Club had 27 hits on July 25, 2011 vs. Minnesota, which ranks as the 2nd-most in team history.
- Rangers' 65 plate appearances matched AL record for a 9-inning game, also done by Milwaukee on Aug. 28, 1992 vs. Toronto. Figure was one shy of modern major league record of 66 PA's by Philadelphia on Aug. 25, 1922 vs. Chicago.
- The Rangers' 57 at-bats tied the AL record for a 9-inning game, also done by Milwaukee on Aug. 28, 1992 vs. Toronto. The major league record for at-bats in a 9-inning game is 58, by the New York Giants twice, both on Sept. 2, 1925 vs. Philadelphia and July 11, 1931 vs. Philadelphia.

- Club's 21 singles were 3 more than previous team record of 18 (done 4 times).
- Team's 30 RBI are a major league record, although the statistic has only been tracked since 1920. Previous mark was 29 RBI by Boston-AL on June 8, 1950 vs. St. Louis-AL.
- The 5 runs scored by both David Murphy and Jarrod Saltalamacchia matched a team record. Saltalamacchia established a Rangers rookie record with 7 RBI in a game. Ramon Vazquez also had a career-high 7 RBI.
- It is the only time that 2 players on same team had 7 or more RBI in the same game since Aug. 19, 1962, when Yankees' Mickey Mantle (7) and Elston Howard (8) pulled the trick.
- The Rangers were the first team with 4 players (Metcalf, Byrd, Saltalamacchia, Vazquez) with 4 RBI or more in the same game since a Phillies quartet (Rose, Maddux, Schmidt, Boone) did so on May 17, 1979 at Wrigley Field. That game was a 23-22 win for Philadelphia over the Cubs. Only instance since was by the Mets on June 27, 2012 at Chicago-NL.
- It was the first time for Texas to have 2 grand slams in one game (Byrd and Metcalf) since July 4, 2004 at Houston (Mark Teixeira and Hank Blalock).
- Texas also won the 2nd game of the doubleheader 9-7, as the 39 runs scored by the Rangers in the twinbill is an American League record and a major league record for the modern era. Previous mark was 36 runs by Detroit vs. St. Louis-AL on Aug. 14, 1937. The NL record is 43 by Boston vs. Cincinnati on Aug. 21, 1894.
- The 33 combined runs was a club record until the Rangers' 19-17 defeat (36 total runs) on Aug. 12, 2008 at Boston.

HOWARD JOHNSON — MANAGER

BORN: NOV. 29, 1960 IN CLEARWATER, FL RESIDES: NASHVILLE, TN

Johnson returns to manage the organization's High-A affiliate in 2017 after leading his club to a California League championship last season in his first year with Texas. Johnson was named the 2016 CAL League Manager of the Year after guiding the High Desert Mavericks to a league-best 82 wins and 6-1 postseason record en route to capturing the first league title by a Texas High-A affiliate since the 2002 Charlotte Rangers won the Florida State League championship.

The former All-Star third baseman was named the Seattle Mariners major league hitting coach on November 26, 2013 and served in that capacity until June 20, 2015. He finished the 2015 campaign as a hitting instructor in the Mariners farm system. Johnson originally joined the Mariners as a hitting coach at Triple-A Tacoma during the 2013 season. Prior to his time with Seattle, Johnson spent 11 seasons in the Mets organization in various roles, including major league hitting coach (2008-10), minor league instructor (2001-07), and professional scout (1997-2001). In 2002, Johnson led the Short-Season Brooklyn Cyclones to a 38-38 finish in his first managerial experience. His roster that season included current Rangers Field Coordinator Corey Ragsdale at shortstop.

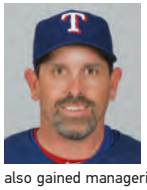

Johnson was two-time All-Star during a 14-year big league career with the Tigers (1982-84), Mets (1985-93), Rockies (1994), and Cubs (1995). He batted .249 with 228 home runs and 760 RBI over 1,531 major league games, winning a pair of Silver Slugger Awards. He was part of the 1984 Detroit Tigers and 1986 New York Mets World Series Championship teams. In 1987, Johnson became the second infielder in major league history to register a 30-30 season after hitting 36 home runs and stealing 30 bases; accomplished the feat again in 1989 (36 HR, 41 SB) and 1991 (38 HR, 30 SB). Johnson led the National League in home runs (38) and RBI (117) in 1991, becoming the first switch-hitter to lead the National League in home runs. He was originally selected by Detroit in the first round (12th overall) of the 1979 amateur draft (January Secondary) out of St. Petersburg Junior College. Johnson graduated from Clearwater (FL) High School.

Johnson and his wife, Kim, reside in Nashville, Tennessee and have three children: daughters Shannon and Kayla Mae and son Glen. His son played independent league baseball from 2011-13, with Howard playing a handful of games alongside Glen in 2012 with Rockland.

BORN: APRIL 19, 1961 IN CLEBURNE, TX **RESIDES: AUSTIN, TX**

Owen returns to a managerial role in 2017 after one season as a part of the big league staff. He was originally slated to be the Hickory manager in 2016, but joined the big league team in February as the interim third base coach and remained with the club through the end of the season.

In his lone season as a manager in the Texas farm system, Owen guided High-A High Desert to a playoff appearance in 2015. Owen's High Desert club captured a second half California League South Division title and totaled the third-most wins for a High Desert team in the last seven seasons. The former major league infielder enters his ninth season in the Texas organization overall.

Prior to joining the managerial ranks, Owen spent four seasons on the Round Rock coaching staff. Owen originally joined the organization in 2009 and served two seasons as a minor league infield coordinator. Although he never appeared in a major league contest for the Rangers, Owen ended his 13-year playing career with the organization at Triple-A Oklahoma City in 1996. He spent five seasons in the Houston system as a coach with Round Rock from 2002-06, and also assisted the club with front office and broadcast work from 2000-02.

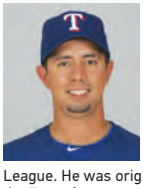

Owen was originally drafted by Seattle in the first round (sixth overall selection) of the 1982 June draft and went on to hit .246 with 46 home runs and 439 RBI over 1,544 big league games. In addition to almost four seasons with the Mariners (1983-86), he also spent time in the Boston (1986-1988), Montreal (1989-1992), New York-AL (1993), California (1994-95) and Texas (1996) organizations. He was a member of the Red Sox World Series team in 1986, batting .300 (6-20) with 5 walks in 7 games. Owen batted .366 (15-41) with 7 walks over 14 games in the 1986 postseason for Boston. He still shares the major league record for runs scored in a single game with 6 on August 21, 1986 at Cleveland.

The Cleburne product attended the University of Texas and was selected as an All-American in 1982. He led the Longhorns to the College World Series in both 1981 and 1982, earning a spot as the shortstop on the All-Tournament Team in the 1982 College World Series. Owen was also a Southwest Conference All-Conference selection in both 1981 and 1982.

He and his wife, Gail, have four children: Jacob, Preston, Hannah, and Trent. His brother, Dave, appeared in 92 major league games with the Chicago Cubs and Kansas City Royals.

RANGERS SPANISH RADIO NETWORK

In November 2016, the Rangers entered into a multi-year agreement with Univision Deportes Radio to be the team's new Spanish radio flagship beginning with the 2017 season.

The majority of the Rangers' home and away games will be broadcast by KFLC 1270 AM, which was previously the Rangers' Spanish radio home from 1999-2010. Selected games will be carried by Univision's La Jefa KFZO 99.1 FM when programming conflicts arise on KFLC.

In January 2017 Univision announced that it would expand its Univision Deportes brand to radio across 10 markets in the United States, including Phoenix, Los Angeles, Miami, New York, Chicago, Houston, Dallas, San Antonio, McAllen and Las Vegas.

Univision owns and operates 64 radio stations, including in 15 of the top 25 U.S. Hispanic markets, covering 72% of the U.S. Hispanic population. Univision's radio stations consistently rank at the top of their market and in the country, regardless of language. Among Hispanics, radio is one of the top three media forms, together with TV and mobile.

In addition, the Rangers Spanish Radio Network will provide Rangers baseball coverage to a number of stations throughout Texas and Arkansas. The Rangers will continue to oversee all radio production and network elements of the broadcasts.

ELENO ORNELAS

SPANISH RADIO PLAY-BY-PLAY

Eleno Ornelas is in his 18th season as a radio broadcaster for all Rangers Spanish, his 15th as the lead play-by-play announcer. In addition to his broadcast duties, Ornelas serves as the team's Spanish language interpreter and contributes to the Rangers Hispanic marketing and community initiatives in the Dallas-Fort Worth Metroplex on a year-round basis.

He was presented with the 2014 Golden Microphone Award from the National Association of Mexico Broadcasters, the organization's highest award.

Ornelas began his broadcasting career at KRVA Radio in Dallas in 1993 before moving KESS-AM as a full-time sports announcer in 1998. He joined the Rangers organization as a full-time employee in 2003. In addition to the Rangers, Ornelas has done radio play-by-play for the Dallas Mavericks and covered the Dallas Cowboys and Dallas Burn during his tenure with KESS. He currently does Spanish radio broadcasts for Oklahoma City Thunder home games. Ornelas is a native of Juarez, Mexico and was a professional baseball announcer in that country before coming to Texas. He has an extensive background as an administrator in the Mexican amateur baseball leagues in North Texas, serving as President of the Dallas League from 1993-98.

JOSE GUZMAN

SPANISH RADIO COLOR

Jose Guzman returns as the Spanish radio analyst for Rangers' home games in 2017. The former major league pitcher rejoined the broadcast team in 2015 after previously serving in that role on a fulltime basis from 2004-09.

Guzman also provided analysis on the Rangers Spanish home television broadcasts from 2010-13. He makes appearances in the community on behalf of the team. Guzman compiled an 80-74 record in 193 career appearances with the Rangers and Cubs from 1985-93. He won 11 or more games four times with Texas and was the team's Pitcher of the Year and A.L. Comeback Player of the Year in 1991. Shoulder injuries plagued him for much of his career, although he came out of retirement to pitch for the Independent Fort Worth Cats in 2001 and 2002.

GLOBE LIFE PARK IN ARLINGTON

On April 1, 1994, a new era for the Texas Rangers began with the opening of The Ballpark in Arlington. The beautiful baseball-only facility serves as the centerpiece of a 270-acre complex which solidifies Arlington, Texas as an entertainment giant in the Southwest. The facility, which changed its name from Rangers Ballpark in Arlington to Globe Life Park in Arlington on February 5, 2014, has hosted two World Series, an All-Star Game, and over 57,000,000 fans in its 22 years of operation.

Globe Life Park in Arlington, completed in just 23 months, is a state-of-the-art building with the utmost in customer convenience. Yet, the 48,114-seat open-air park was designed and built with tradition and intimacy in mind, containing features such as a granite and brick facade, exposed structural steel, an asymmetrical playing field, and a home run porch in right field. Texas architecture is featured throughout, from the outer facade to the Lone Stars in the concourses and on the seat aisles.

This unique complex also includes a four-story office building within the park and a youth baseball park, a 12-acre lake, and parks and recreation space on the perimeter. Total cost of the project was approximately $191 million.

SIZE

Globe Life Park in Arlington contains approximately 1,400,000 square feet. The park measures 114 feet from street level to the top of the roof canopy.

HISTORY

The agreement between the Rangers and the City of Arlington, Texas to build a new ballpark was announced on October 24, 1990. Actual construction began on April 24, 1992. The ballpark was originally named The Ballpark in Arlington on September 28, 1993. The first game was an exhibition contest between the Rangers and New York Mets on April 1, 1994 with the first regular season game played on April 11, 1994 between the Rangers and Milwaukee Brewers.

From May 7, 2004 until March 18, 2007 Globe Life Park in Arlington was named Ameriquest Field in Arlington as a part of an agreement between the Texas Rangers and Ameriquest Mortgage Company. The agreement ended and the company returned the naming rights to the team on March 19, 2007 with the facility being renamed Rangers Ballpark in Arlington.

PLAYING FIELD

NATURAL GRASS: The playing surface of Globe Life Park in Arlington consists of certified Tifway 419. The turf was provided by Tri-Tex Grass in Granbury, Texas and was laid in October 2007. Drainage lines are laid every 15 feet over the entire field. The playing surface is then covered by 4-5 inches of pea gravel and 14-15 inches of sand mixture as the field has the capacity to drain 9-10 inches of water per hour. The field's irrigation system allows the entire outfield to be watered from one station, producing 750 gallons per minute or 50,000 gallons per hour, as compared to 18,000 gallons per hour in Arlington Stadium.

FIELD DIMENSIONS: As indicated above, the outfield dimensions are asymmetrical, a feature common to ballparks constructed in the early 20th century. From home plate to the left field foul pole is 332 feet with an increase to 390 feet in the left field power alley. Straightaway center field measures 400 feet, then moves to the deepest point, 407 feet, approaching right center. The Rangers' bullpen comes into play in right field as a 381-foot power alley juts out to 377 feet at the right corner of the bullpen. There is again a dramatic decrease in distance in the right field corner as the foul pole sits just 325 feet from home plate. The outfield fences are eight feet in center and right fields and 14 feet in left. The playing surface is 22 feet below street level. According to studies done before construction, the prevailing winds are south-southeast. The effect of the wind is greatly reduced by the fact that the ballpark is completely enclosed by a four-story office building in center field. In addition, a giant windscreen, measuring 42 by 430 feet, was installed on the roof of the office building to further minimize the wind.

WIDER HOME PLATE SCREEN: With the first addition of 88 new Home Plate Seats in 2009, the width of the screen behind home plate was extended from 60 to 110 feet, running from the inside first base photo well to the inside third base photo well. This provides increased protection for fans sitting in those seating areas.

FOUL POLES: The yellow foul poles down each line were taken from Arlington Stadium and were replaced after the 2015 season.

SEATING

The overall seating capacity of Globe Life Park in Arlington for 2017 is 48,114 seats on five levels. All of the seats in the ballpark are angled towards home plate as the seating bowl cranks in towards the field down both the left and right field lines to provide better sightlines. The actual seats are green plastic chairs measuring from 18-22 inches in width. Most of the seats in the ballpark contain cup holders. The Rangers replaced approximately 11,000 seats in the lower seating bowl and lower suite level prior to the 2013 season and another 1,000 seats on the upper suite level prior to the 2014 season. There is a special feature on aisle seats in the park, a Texas Lone Star that is similar to the ones that adorn both the outer facade and concourses. There are five levels of seating at The Ballpark: lower deck, lower suites, club level, upper suites and upper deck. There is also an upper and lower deck in the home run porch in right field, and new outfield seating in center field.

HOME PLATE SEATS: A new premium seating option was added for 2009 with the addition of two rows of Home Plate Seats. A third row of Home Plate Seats was added for 2013. A total of 148 seats are located in front of sections 21-30 between the two dugouts. The Home Plate Seats provide the following amenities:

— Proximity to Home Plate: The distance from the home plate screen to the plate is 50 feet, one inch, nearly 8 feet shorter than the previous configuration.

— Wider Seats: The Home Plate Seats are 22 inches in width and have additional leg room from the regular Ballpark seating rows. The seats are cushioned and feature higher backs. There is metal drink rail for the first row and cup holders for the second and third rows of Home Plate Seats.

COMMISSIONERS BOXES: For 2009, the Rangers also added 66 seats in 2 rows with the addition of a Third Base Commissioners Box, an extension of Sections 16 and 17 past the third base dugout. Those seats are similar to the First Base Commissioner's Box, which was added as a fulltime location in 2000.

CLUB LEVEL: This is a premium seating area with wider seats (22 inches). The club level, with its white paneling and black and white tiled floors, stretches around the entire length of the seating bowl with direct access to both the lower and upper suite levels. There are numerous food and beverage establishments on this level open only to club level patrons and suite holders.

SUITES: There are 127 suites, 58 on the lower level and 69 on the upper level, including 3 dinner suites, 9 party suites and 115 Hall of Fame Suites. Each suite bay (containing two suites) is named for one of baseball's all-time star players enshrined in Baseball's Hall of Fame. Sepiatone murals of the legends are located outside each suite.

BALLPARK TECHNOLOGY

The Rangers made significant improvements in the video, technology, and audio systems at Globe Life Park in Arlington for the 2011 season. The club partnered with Daktronics Inc. and the Sony Corporation to deliver high-definition digital content throughout the ballpark in a number of different formats. The upgrades, which dramatically enhanced the in-park experience for Rangers fans with high quality video, technology, and audio and additional information, included the following elements:

VIDEO BOARDS: The existing video board on the roof of the Home Run Porch, which was 24 by 36 feet (864 square feet), was replaced by a new board that measures 42 by 120 feet (5,040 square feet). In addition, a video board that is 25 by 29 feet (725 square feet) replaced the Coca-Cola matrix board on top of the office building in centerfield. The old video board used standard definition technology while the new boards are high-definition.

Both the Home Run Porch and Centerfield video displays utilize Daktronics newest 15 millimeter LED technology, featuring tighter resolution and improved image quality. This technology and its control system allow for complete flexibility in programming. The

video boards can operate as single giant displays or be divided into multiple zones (windows) to show a wide variety of statistics, information, graphics, animation, and live and recorded video.

The Daktronics Pro Star Video Display Board, which measures 12 feet high and 84 feet wide and replaced the manual scoreboard on the left field wall prior to the 2009 season, was also upgraded with HD technology. The three boards provide HD video capability to fans from any vantage point in Globe Life Park in Arlington.

IPTV SYSTEM: The Daktronics LED video and the existing ribbon and field-level displays that were installed in 2009 were combined with more than 800 Sony® professional-grade LCD monitors to create a venue-wide digital media network. The Daktronics system is an internet protocol television (IPTV) solution that delivers multiple live content on 10 high-def channels to any display in the ballpark.

The Rangers utilize Daktronics industry-leading data integration capabilities to instantly present up-to-the-minute scores, statistics, news and information on any IPTV channel. The Sony LCD monitors are located throughout Globe Life Park. This includes all permanent concession stands, where the monitors can become changeable menu boards, allowing for the display of concession items in HD and the ability to change pricing in-game.

"L Bar" technology is available as part of the IPTV system, allowing for information and advertising opportunities on screen during game action.

SHOW CONTROL SYSTEM: At the center of the control solution is the Rangers Show Control system, with the ability to take in various video, scoring, timing, statistical data and out-of-town scores and even point of sale information. With the Show Control system, all displays across the network can be turned on or off, control their volume or change the channel so all the displays show the same piece of content. One system provides total control and total integration. With the click of a single button one message can be delivered anytime to all displays everywhere throughout the ballpark. The Rangers added more cameras to further enhance the "in-park show" at Globe Life Park. Sony oversaw a complete rebuild of the Globe Life Park scoreboard control room to incorporate the new system.

AUDIO SYSTEM: Globe Life Park in Arlington audio system also received a total overhaul with the old speakers being replaced and the additional of technology upgrades and production equipment to compliment the enhanced video product.

The above upgrades in technology follow the installation of three full color LED linear panels, Daktronics ProAd© Displays, which were installed for the 2009 season in the following locations:

*On the Lower Suite Level fascia from foul pole to foul pole measuring 3 feet high with a total length of 948 feet

*On the Lower Home Run Porch fascia measuring 3 feet high with a total length of 193 feet

*On the fascia below the Diamond Club in left field measuring 3 feet high with a total length of 135 feet.

The total length of the LED linear panels measures 1276 linear feet, the 3rd longest of any major league park behind Dolphins Stadium (2118 feet) and the new Yankee Stadium (1285 feet). The panels allow for more key game information in addition to serving as advertising space.

OTHER BALLPARK AMENITIES

— Office Building: One of the signature features of Globe Life Park in Arlington is the four-story office building that encloses the structure from left center to right center fields. The office building has 35,000 square feet on each level. The first floor includes the Majestic Grand Slam Shop and ticket windows, the second and third floors are leased for commercial office space, and the Rangers' executive offices occupy the fourth floor. The side of the building facing the playing field consists of floor to ceiling glass on each floor with balconies stretching the entire length of the structure on the top three levels. Steel trusses also adorn the building. The roof of the office building contains a total of eight ad panels around the center field scoreboard.

— Texas Rangers Baseball Hall of Fame, an exhibit that is located in part of the space previously occupied by the Legends of the Game Baseball Museum. The exhibit contains the plaques of Rangers Hall of Famers as well as other artifacts and photos from the franchise's history. It is open to fans free of charge during home games.

— A 225-seat auditorium and theater, located on the second floor of the Rangers Hall of Fame.

- Rangers Youth Ballpark, a natural grass facility with seating for 650 in a grandstand designed in similar fashion to Globe Life Park in Arlington. Dimensions are for youth leagues and a variety of youth games and activities take place in the facility, which is located just north of Globe Life Park in Arlington.

— A 12-acre lake which was named for late Rangers broadcaster Mark Holtz in September, 1997, with adjoining park and recreational space. Linear park named for former Arlington Mayor Richard Greene at the corner of Nolan Ryan Expressway and Ballpark Way. Picnic area in the complex named after former Tarrant County Commissioner Punch Wright.

COST

The revised cost of the overall project was approximately 191 million dollars. The financing was derived from $135 million in bonds issued by the Arlington Sports Facilities Development Authority with the remaining equity raised through the sale or lease of luxury boxes and seat options in the new ballpark, loans guaranteed by the Rangers, the concessions contract with Sportservice and city street funds.

Annual debt service for the municipal bonds is provided by public-private sharing. That is comprised of a $3.5 million rental payment from the Rangers and a one-half cent City of Arlington sales tax. The sales tax was approved in an Arlington municipal election by a 65 percent majority on January 19, 1991, and expired when the debt was retired in November, 2001.

The Rangers have a lease with the City of Arlington, and the club maintains and operates the entire facility.

ARCHITECTURAL DESIGN TEAM

Design Architect: David M. Schwarz Architectural Services of Washington, D.C. was the design architect on the project. Schwarz was selected from among 17 architects who originally made presentations in Aug., 1991. He has been involved in a number of projects in Texas including the Bass Performance Hall, Cook-Fort Worth Children's Medical Center and Sundance West, also in Fort Worth. His imaginative design of the park reflects a traditional look of older ballparks and includes a major Texas influence.

Architect of Record: HKS, Inc. The Dallas-based firm, which was founded in 1939, has grown to become the fifth largest architectural firm in the country, and has executed commissions for over nine billion dollars of structures in 39 states and seven foreign countries. HKS is the design architect for the Texas Rangers new ballpark scheduled to open in 2020.

RECENT GLOBE LIFE PARK IN ARLINGTON UPGRADES

Over the a span of six off-seasons (2011-16), the Rangers made extensive renovations to Globe Life Park in Arlington, a period in which the club allocated over 50 million dollars in ballpark improvements and upgrades. The improvements in the video, technology, and audio systems at the ballpark prior to the 2011 season are documented on the previous two pages.

FOR 2012, upgrades were made that included a complete renovation of Vandergriff Plaza and much of the office building first floor in centerfield with the construction of a new Batter's Eye Club, Restaurant/Sports Bar, Kid's Zone, and concession stands. In addition, the areas that previously contained the bleacher seating were remodeled and the visitors' bullpen was reconfigured. A summary:

HYUNDAI CLUB: A new indoor seating area was built at the top of Greene's Hill in centerfield to replace the "batter's eye" structure that has been in place since the opening of The Ballpark in Arlington in 1994. The Hyundai Club features four rows with seating for approximately 100 that provides a spectacular view of the playing field through two-way glass, which is totally dark on the field side. The 6,250 square foot climate-controlled club features its own buffet, bar, dining area and rest rooms. The Batter's Eye Club is utilized for both group rentals and as an individual seating area for select games.

CAPTAIN MORGAN CLUB: Another new addition was Captain Morgan Club. Rangers-themed restaurant/sports bar constructed in the first floor area of the office building behind the left-center field seats. The two-level facility contains 9,152 square feet and

overlooks the playing field. Captain Morgan Club is open to the public before, during, and after Rangers home games and is available for rental when the club is on the road and in the off-season. Fox Sports Southwest and ESPN Radio have studio space in this area. The facility is operated by the Globe Life Park in Arlington concessionaire, Sportservice.

KID'S ZONE: A play area for children was built in the first floor area of the office building closest to centerfield. The 6,470 square foot Kid's Zone houses a number of interactive games and attractions and operates in a similar manner to the former Vandergriff Plaza Sports Park. This facility is open during all Rangers home games and is also available for rental at other times.

THE BUDWEISER BOWTIE AT VANDERGRIFF PLAZA: The area that previously housed the Children's Sports Park was been completely rebuilt and to include four full service concession stands as well as seating clusters. A large video board is mounted on the back of the Batter's Eye Club to provide viewing of the game action from this location. This area encompasses nearly 12,000 square feet. One feature that remained in Vandergriff Plaza is the life size bronze statues of Nolan Ryan and the late Tom Vandergriff, for whom the plaza is named. The statues, which were produced by noted sculptor Toby Mendez of Washington County, Maryland, were dedicated in 1997.

SEATING AREAS/DECKS: The aluminum bleacher seats on the left and right field sides of Greene's Hill were replaced by individual ballpark seats. The capacity of the area, called the Outfield Plaza, is 424, a decrease of 1,075 from the previous bleacher seating. Covered deck areas with open seating and tables were built above the seating areas on both the left and right field sides of the Batter's Eye Club.

VISITORS BULLPEN: The visitors' bullpen was reconfigured to run parallel to the left center fence in the same orientation as the Rangers bullpen, occupying an area that was previously bleacher seating.

WIDER CONCOURSE: The concourse leading from behind section 3 into Vandergriff Plaza was widened to provide a more efficient traffic flow.

FOR 2013, upgrades to Globe Life Park in Arlington included the addition of a third row of Home Plate Seats, extensive renovations and upgrades to the private club and concessions areas behind home plate, a new retail store and concessions stands on the Main Concourse, and deeper dugouts and field camera bays. A summary:

NEW HOME PLATE SEATS: A third row of Home Plate Seats was added in front of the two existing rows of premium seating which were built for the 2009 season. The 52 new seats brought the number of Home Plate Seats to 148 between the two dugouts. The new row of seats decreased the distance from the home plate screen to the plate from 52 feet, 8 inches to 50 feet, one inch.

WIDER DUGOUTS AND CAMERA BAYS: In addition to the new Home Plate Seats, the dugouts and camera bays on both the first and third base sides were moved forward by approximately three feet, allowing for wider space in both areas. This required a rebuilding of the dugout steps and railings on both the first and third base sides while decreasing foul territory in these areas to 42 feet, 6 inches from the front of the inside camera bays to the foul lines.

NEW CAPITAL ONE CLUB: The existing private club, now the Capital One Club, which is located on the mezzanine level behind home plate, was renovated and expanded. The Rangers and Capital One Bank entered into a multi-year partnership which included naming rights to the private home plate club. Structural work was done in the center of the club to remove several sections of steel to greatly improve the view of the field. New cooking areas, bars and dining room space became the focal point of the center area. Permanent seating was relocated to two rows on the left and right of the Capital One Club's center, and the number of permanent seats was increased from 76 to 104. The renovation also created a more spacious club with square feet in the climate controlled space increasing from 8,100 to 9,100 and the number of linear feet facing the glass towards the field being extended from 108 to 215.

MAIN CONCOURSE CONCESSIONS: The existing concessions stands located on the Main Concourse behind home plate were renovated to create display cooking areas, similar to what was done in Vandergriff Plaza prior to 2012. The previous entrance to the Capital One Club and the seating area in Section 126 was removed, giving fans entering the ballpark through the Home Plate gate a wide-open view of the playing field. The entrance to the renovated Capital One Club was moved to the area where the Suite elevator is located on the Main Concourse behind home plate.

NEW RETAIL STORE: A new Rangers merchandise store was constructed in the space where the West Box Office previously existed on the Main Concourse between the Home Plate and First Base Gates. The 2,120-square-foot store is open in-game and features a wide variety of Rangers merchandise items. The First Base Box Office, which is located on Randol Mill Road to the east of the First Base Gate, is once again the ballpark's primary box office, as it was when the building opened in 1994. The Season Ticket Holder Services area also was relocated to the concourse side of the First Base Box Office.

NEW CONCESSION LOCATIONS: New concessions stands were added on the south end of the new retail store and along the outer wall of the Main Concourse on the third base side of Globe Life Park. Similar to the stands renovated behind home plate, these locations feature state-of-the-art cooking equipment and additional points of sale and ease congestion along the Main Concourse on the first and third base sides.

FOR 2014, off-season construction at Globe Life Park in Arlington included a complete renovation of the Diamond Club, which will be known as the Jack Daniel's Club, the replacement of over 1,000 seats in the Upper Level suites and a complete overall of the Sportservice suite kitchen on the club concourse level behind the press box. The Rangers also installed LED lighting on the relief panels on the exterior of the park.

JACK DANIEL'S CLUB (FORMERLY DIAMOND CLUB): The space which measures 14,381 square feet was completely renovated. The existing half walls and a reception desk at the entry were removed to open the access into the space. A new bar was built near the center of the room, with dining and casual seating clusters becoming part of the dining room space. The railing along the top of the main room was modified to create a plate rail for dining or casual seating. The tiered dining areas also received new furniture to include spaces for dining and seating. The entire area received new carpet and paint.

UPPER LEVEL SUITE SEATS: All 1,098 seats in the 69 suites on the Upper Level were replaced with new padded seats.

SUITE KITCHEN: A complete overhaul of the kitchen which supports food and beverage for all 126 ballpark suites was done. The 3,600 square foot kitchen is located in the back of the press box on the Club Level. This was the first major upgrade of this space since the park opened in 1994 and allowed Sportservice to provide expanded menu options and faster service to the suite customers.

EXTERIOR LIGHTING FOR BAS RELIEFS: The original neon lighting under the Bas Reliefs on the exterior of Globe Life Park was replaced with white LED lighting. Much of the neon lighting has failed over the past few years due to exposure to weather. The bas reliefs were created by sculptor Michael Curtis of Washington, D.C. for the opening of the new park in 1994 and illustrate the rich history of Texas, including the arrival of professional baseball, oil, and ranching. Curtis created ten different bas relief subjects out of clay that measure four by 19 feet each. Located in the granite work near the park's smaller arches, each relief was reproduced nine times to fully wrap around the building. The new lighting significantly enhanced one of the signature features of Globe Life Park in Arlington during the park's 20th anniversary season.

FOR 2015, the All You Can Eat Grill, which was formerly Friday's Front Row Grill from 1994-2003, located behind the seating in the Upper Home Run Porch, was completely renovated and renamed the Cholula Porch. It marked the first renovation of this area in the park's history. The 20,000 square foot space was reconstructed into one large banquet space that will accommodate events of 400-500 individuals, the largest single event space at Globe Life Park in Arlington. The kitchen space was doubled in size to provide more efficiency and allow for great volume. The space is utilized for food service for the All You Can Eat seats in the Upper Home Run Porch on game days and is available for outside rental the rest of the time.

FOR 2016, a new left field video board and field lighting system dramatically changed the in-game experience at Globe Life Park.

LEFT FIELD VIDEO BOARD: The LED video display is located on far left side of office building roof above the area of the visiting bullpen and provides video board coverage for nearly every fan in the park. The board is 34 feet high by 94 feet wide and features the same 15HD pixel layout as the video displays in right and center fields. It has a higher brightness level to combat the direct sunlight that it receives in left field. Its wide angle visibility appeals to a vast majority of seats in Globe Life Park. Daktronics, which previously installed Globe Life Park's video boards in right field and center field as well as a new IPTV system prior to the 2011 season, also designed, manufactured, and installed the new board.

FIELD LIGHTING: Prior to 2016, the Rangers entered into an agreement with Eaton's Ephesus Lighting to implement an advanced light-emitting diode (LED) system for the field lights at Globe Life Park in Arlington The LED Lighting System is designed to enhance the viewing experiences of fans attending Texas Rangers games at Globe Life Park as well as those watching the games on television. The Eaton's Ephesus installation provides a 40% reduction in fixtures and up to a 60% decrease in energy use, while improving illumination and uniformity throughout the playing surface at Globe Life Park. There is also no decrease in illumination over time with the new system. The new LED system, with its instant-on capability, eliminates the warm-up period associated with more traditional bulb-based lighting. This enables Globe Life Park to instantly resume lighting after fireworks shows or other special events. The Eaton's Ephesus installation uses Stadium Pro fixtures to offer color temperature tuning and the ability to generate unique fan experience effects. The Ephesus LED system interfaces with an advanced DMX control system to provide these capabilities.

RULES OF INTEREST

BLOWN SAVE: When a relief pitcher enters a game in a save situation and departs with the save situation no longer in effect because he has given up the lead, he is charged with a blown save. If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist, he is not charged with a save opportunity. This method has been part of the Rolaids formula since 1988.

CONSECUTIVE-GAME HITTING STREAKS: A consecutive-game hitting streak shall not be terminated if a player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly or no hit. Consecutive game hitting streaks do not carry over from season to season.

CONSECUTIVE-GAME PLAYING STREAK: A consecutive-game playing streak shall be extended if the player plays one half-inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

DAY/NIGHT GAME: Any game scheduled to start after 5:00 p.m. will be considered a night game. If a game is scheduled to start at or before 5 p.m. and is delayed by rain or for any other reason it shall be considered a day game. However, both games of a twi-night doubleheader shall be considered night games. When afternoon and night games are played on the same day and separate admissions are charged, they will be counted as one day and one night game and will not be considered a doubleheader.

DETERMINING GAMES BACK IN STANDINGS: Determine the games above .500 of team in first place, minus the games above .500 of team you're trying to figure out. Example: If the team in first is 5 games above .500 and you are trying to figure out how many games back a team that is one game above .500, then 5-1=4 so the team is 4 games back. Or the number of fewer wins plus the number of extra losses than the leader in the standings, divided by 2.

DISABLED LISTS:
10-DAY: The player must remain off the active roster for a minimum of 10 calendar days, starting on the day following the player's last game.

60-DAY: Same rules apply, however, this may only be used when the team's 40-man roster is full. Any player placed on the 60-day disabled list after Aug. 1 may not play for the remainder of the season, including any postseason game.

HOW TO FIGURE...

BATTING AVERAGE: Divide the number of hits by the number of at-bats. Example: Player A is 12-for-40, or hit .300.

EARNED RUN AVERAGE: Multiply the number of earned runs by 9; take the number and divide it by the number of innings pitched. Example: Pitcher B has allowed 12 earned runs in 45 innings of work for a 2.40 ERA.

SLUGGING PERCENTAGE: Divide the number of total bases by the total number of at bats. (At-bats do not include walks, sacrifices, hit by pitcher, or times awarded first base because of interference or obstruction). Example: Player A's 12 hits include six singles (6), one double (2), two triples (6) and three home runs (12) for a total of 26 total bases in 40 at bats and a .650 slugging percentage.

FIELDING AVERAGE: Divide the total putouts and assists by the total of putouts, assists and errors.

ON-BASE PERCENTAGE: Divide [hits plus total bases on balls plus hit-by-pitch] by [at-bats plus total bases on balls plus hit-by-pitch and sacrifice flies]. For purposes of this percentage, ignore being awarded first base on interference or obstruction.

7-DAY: The 7-day disabled list is used exclusively for concussions. Like the 10-day list, the player remains on the 40-man roster but is not counted against the active roster. After 10 days, if the player is still on the 7-day list, he automatically rolls onto the regular 10-day disabled list with credit for those 10 days.

HOLD RULE: The hold is not an official statistic, but it was created as a way to credit middle relief pitchers for a job well done. If a reliever comes into a game to protect a lead, gets at least one out and leaves without giving up that lead, he is credited with a hold. You can not get a save and hold in the same game.

MAGIC NUMBER: Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

PLAYER ROSTER LIMITS: 40 from Sept. 1 to opening day; 25 from opening day to Aug. 31, although teams have the option to carry 24 players instead of 25.

QUALIFICATIONS FOR A BATTING CHAMPIONSHIP: Highest batting average based on a minimum of 502 plate appearances, including official times at bat, bases on balls, hit by pitch, sacrifice hits, sacrifice flies and times awarded first base due to interference or obstruction.

QUALIFICATIONS FOR A FIELDING CHAMPIONSHIP: Highest fielding average and (a) catcher must have played in at least 81 games; (b) infielder or outfielder must have played in at least 108 games; and (c) pitcher must have 162 innings pitched. NOTE: These figures DO NOT determine Rawlings Gold Glove winners at the end of the season.

QUALIFICATIONS FOR A PITCHING CHAMPIONSHIP: Lowest earned run average with a minimum of 162 innings pitched.

QUALIFICATIONS FOR A ROOKIE: Not more than 130 at-bats or 50 innings pitched in the major leagues during a previous season or seasons, nor more than 45 days on a major league roster during the 25-player limit (prior to Aug. 31, excluding time in military service). Time on the disabled list does not count towards rookie status.

QUALITY START: Defined as a start where a pitcher lasts 6 or more innings and gives up 3 or less earned runs.

SAVE RULE: Credit a pitcher with a save when he meets all three of the following conditions: (1) He is the finishing pitcher in a game won by his club; (2) He is not the winning pitcher; and (3) He qualifies under one of the following conditions: (a) He enters the game with a lead of no more than three runs and pitches for at least one inning; or (b) He enters the game, regardless of the count, with the potential tying run either on base, or at bat, or on deck (that is, the potential tying run is either already on base or is one of the first two batsmen he faces); or (c) He pitches effectively for at least three innings. No more than one save can be credited in each game.

TRADING REGULATIONS: For assignment from one major league club to another, waivers are necessary ONLY beginning Aug. 1 and ending the day following the close of the championship season. At all other times, no waivers are necessary for trades at the major league level.

WAIVER PERIODS: End of season to 30th day of season; 31st day of the season to July 31; Aug. 1 to end of season. Player are available on waivers in reverse order of standings at the time waivers expire, if more than 30 days after start of season; otherwise in reverse order of standings at the close of the previous season.

YEAR OF SERVICE: 172 days constitute a full major league year of service.

The Texas Rangers MLB Youth Academy at Mercy Street Sports Complex, presented by Toyota broke ground in January 2016. To date, four of the fields are complete, including the Josh "Hambone" Hamilton Field, Kerhsaw's Challenge Field, Mimi's Field, and improvements to the existing high school field. The Oates Field, presented by Papa John's and Globe Life Training Center are currently under construction and will be completed by late summer 2017.

The Rangers, Texas Rangers Baseball Foundation, Major League Baseball, the Major League Baseball Players Association and Dallas-based Mercy St. are partnering to build the new state-of-the-art facility, which will provide free (or reduced cost) and year-round opportunities for North Texas youth, on a 17-acre site at the intersection of Hampton and Bickers.

In addition to Hamilton, Rangers players Adrian Beltre, Prince Fielder, Cole Hamels, and Martin Perez have contributed to the project's construction.

The Hamilton Field and Kershaw's Challenge Field are hybrid turf fields for children ages 13 and under while the Oates Field, presented by Papa John's will be full turf with minor league specifications and seating for 750. The Globe Life Training Center will feature a full turf professional-sized infield, six batting/pitching cages, classrooms, and a weight and nutrition room.

The Texas Rangers MLB Youth Academy at Mercy Street Sports Complex, presented by Toyota will be available to children throughout North Texas, especially the more than 8,000 kids who live within the West Dallas neighborhood and youth from the greater Dallas-Fort Worth Metroplex area. In addition to providing year-round baseball and softball instruction and play, including hosting tournaments, coaching clinics and skills camps, the Academy will provide youth with access to tutoring programs, college prep classes, college and career fairs, financial literacy and internship programs, courses teaching math through the use of baseball statistics, and MLB industry alternative career workshops.

Youth also will have opportunities to be involved in drug resistance and gang-prevention programs and healthy lifestyle classes. Additionally, all Academy members and other community youth benefit from Academy facilities and programs through baseball vocational programming, such as umpiring seminars, athletic field management, scouting and player development, sports information training, and athletic sports training.

The Texas Rangers Baseball Foundation will employ staff to oversee the Academy, and will work with Mercy Street and their existing programming. Mercy Street participates in the Rangers RBI program with 500 young people, and they, along with the nearly 2,500 additional Reviving Baseball in Inner Cities (RBI) participants throughout the Metroplex area, will have access to the Rangers Academy. The Operations of the Academy will be covered entirely by the Texas Rangers Baseball Foundation, which also will provide equipment, supplies, utilities and other operating costs.

TEXAS RANGERS YOUTH ACADEMY AT MERCY STREET SPORTS COMPLEX PRESENTED BY TOYOTA

The Texas Rangers MLB Youth Academy is the ninth announced youth Academy in the United States, joining the most recently announced intentions to build Academies in San Francisco and Kansas City. There are five operational MLB Urban Youth Academies in the country in Cincinnati (Ohio), Compton (California), Houston (Texas), New Orleans (Louisiana) and Philadelphia (Pennsylvania). Additionally, the Washington Nationals recently established their own Youth Baseball Academy in Washington D.C. The first MLB Urban Youth Academy in Compton was established in 2006, and together, all Academies currently provide free, year-round baseball and softball training and instruction to approximately 12,000 young men and women Academy members and over 20,000 more through additional tournaments and programs.

RANGERS SPRING TRAINING IN SURPRISE, ARIZONA

The Texas Rangers are in their 15th season holding their major and minor league spring training in Surprise, Arizona. After 42 years in the state of Florida, the Rangers moved to Surprise, which is located northwest of Phoenix in Maricopa County. The complex, which the Rangers share with the Kansas City Royals, is located on a 132-acre site and opened in September of 2002 for Texas' Arizona Instructional League program.

The City of Surprise completed a significant renovation of both the Rangers and Royals facilities for 2016. Highlights of the Rangers' renovation included:

• Increase of the team's major and minor league complex from 37,000 to approximately 49,500 square feet.

• Completely remodeled 3000 square-foot major league clubhouse and a new 6300 square-foot major and minor league weight room and conditioning facility. In addition, a 1600 square-foot outdoor work out area with artificial turf and a canopy is located adjacent to the weight room.

• Renovated major and minor league training rooms that include all new hydrotherapy equipment and five pools.

• Renovated meal areas on both the major and minor league sides with full kitchens in each area.

• New media workroom and 3600 square-foot multi-purpose meeting facility adjacent to the Rangers complex.

• Installation of a retractable netting system in the covered hitting tunnels.

The renovations for both the Rangers and Royals were designed by Populous with Hunt Construction serving as the general contractor for the project.

The Rangers and Royals play their home games at Surprise Stadium/Billy Parker Field, a beautiful 10,714-seat ballpark. Surprise Stadium includes a lower seating bowl, an upper level with 530 club seats, six suites, and adjoining party decks, and seating for approximately 3,000 on the outfield berm.

The main access into Surprise Stadium three sets of gates located in centerfield, left field and right field. All of the seats in Surprise Stadium seating bowl were replaced for the spring of 2016. The stadium also includes two complete merchandise stores and a 1,500 square foot visitor's clubhouse. Free public parking is located on the left and right field sides of Surprise Stadium off North Bullard Ave.

Field dimensions of Surprise Stadium are 350 feet down the left and right field lines, 379 feet to left and right center, and 400 feet to straightaway center. The outfield fences are eight feet high. The playing surface is Tifway 419 natural grass. The Rangers will always use the first base dugout with the Royals on the third base side.

Both the Rangers and Royals have six full practice fields and a half field for use by the major and minor league teams. Each team has one full field with lights with that field having the exact dimensions of its home park (Globe Life Park in Arlington for the Rangers; Kauffman Stadium for the Royals). Four of the fields for each team are in a cloverleaf configuration with an observation tower centrally located that will be used primarily for the minor leagues. There is also a conditioning field for both clubs. Each of the team's practice facilities also includes indoor and outdoor batting cages and pitching mounds.

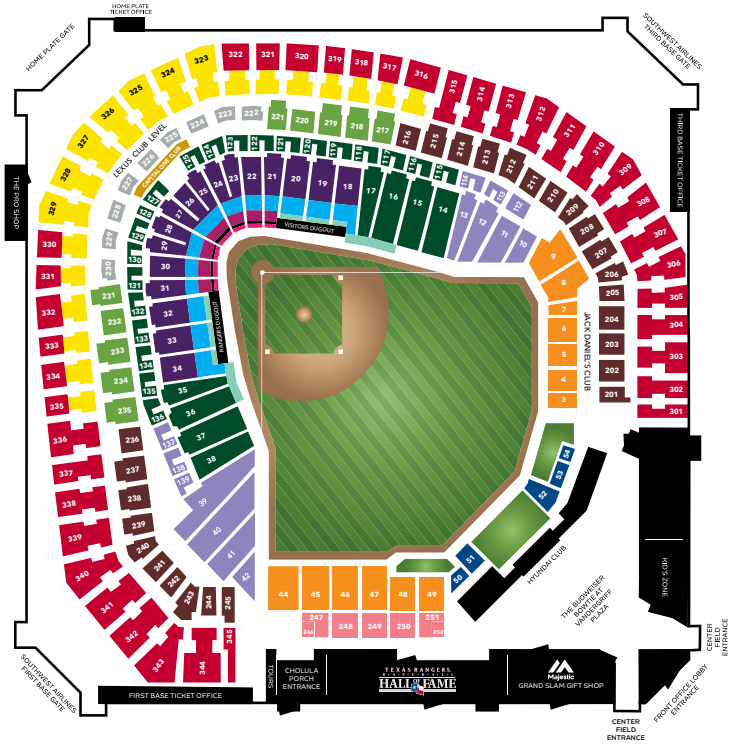

The facility is owned and maintained by the City of Surprise. The complex was designed by the Kansas City architectural firm of Helmuth, Obata, and Kassabaum (HOK), which previously designed two-team spring training facilities in Jupiter, Florida and Peoria and Tucson, Arizona. Builder of the complex was Barton Malow HOK.

The facility was originally constructed by funds approved with the passing of Proposition 302, a 30-year funding plan which generates funds for sports, recreation, and tourism in Maricopa County. The proposition was passed by County voters on November 7, 2000, a week after the Rangers announced plans to open negotiations with the City of Surprise. The agreement on a 20-year lease between the Rangers and Surprise was announced on March 23, 2001 with the groundbreaking ceremony taking place on May 21, 2001. The facility was dedicated on December 7, 2002. Both teams agreed to a seven-year extension of the lease through 2029 in 2015.

In addition to the baseball complex, the Surprise Recreation Campus also includes the Surprise Regional Library, Aquatic Center, Tennis and Racquet Complex, Youth Baseball Complex, Dream Catcher Park and a Community Park.

Prior to locating in Surprise, the Washington/Texas franchise held spring training camp in Pompano Beach, Florida from 1961-86 and Port Charlotte, Florida from 1987-2002.
