Thank you for taking an interest in UN Youth NZ's Globalisation Tour of 2020!

This application pack is designed to provide you with some information about the Tour, including its itinerary, costs and the application process. You must read through the pack in its entirety before submitting your delegate application.

Should you have any further questions, please feel free to email the Co-Directors, Paige and Jason, at globalisationtour@unyouth.org.nz.

Visit the event website and the UN Youth New Zealand Facebook page for more details.

THE GLOBALISATION TOUR

The Globalisation Tour will provide students with a once-in-a-lifetime opportunity to gain first-hand insight into globalisation within East and Southeast Asia with a focus on economics, politics and culture.

In January and February 2020, 12 bright tertiary students will be selected by UN Youth New Zealand to represent their country and tertiary institutions on an educational tour spanning across five countries in 29 days. Visiting government agencies, international organisations, global and local businesses, universities and NGOs, delegates will have a chance to discuss some Asia's biggest challenges and opportunities with leaders from around the region. You could be among them!

The Tour also includes a two-night residential planning weekend which will take place from 22 November to 24 November 2019 in Wellington. This weekend will be used to finalise trip logistics, provide delegates with a taste of what is to come, and give them a chance to get to know each other. It is compulsory for all delegates to attend planning weekend in its entirety.

The Tour and planning weekend will be staffed by two Co-Directors, Jason Guan and Paige Kawana. They are responsible for the planning and execution of every aspect of the trip, as well as the pastoral care of the delegation.

The delegation will spend time exploring Kuala Lumpur's diverse neighbourhoods, gaining insight on the rapid development that has occurred within Malaysia and what adverse effects this may have.

HO CHI MINH CITY

The delegation will learn about the successes and unintended consequences of Vietnam's rapid development in its largest city, which offers an exciting mix of old and new traditions.

CITY HIGHLIGHTS

Home to the world's busiest container shipping port in the world, Shanghai is China's commercial and financial centre. There is no better place to see the economic development that China has undergone in the last few decades than walking along the Bund. The size and pace of Shanghai is mind-boggling.

The delegation will spend time soaking in the city's vibe, with all of its new world grandeur, and old fashioned charms.

It has one of the world's largest consumer markets and in 2017 Forbes predicted it would be East Asia's leading power by 2040. CO-DIRECTOR'S PROFILES

JASON GUAN

Jason has a passion for tech and innovation, particularly in the healthcare sector. He also loves Southeast Asian food - possibly why he signed up to this tour in the first place.

APPLICATION QUESTIONS:

You must write a cover letter addressed to the Co-Directors of no more than 1000 words in length. This letter must be in PDF and answer the following questions. You should aim to write approximately the same amount for each answer.

- What motivated you to apply for Globalisation Tour 2020?
- What skills and strengths would you bring to the Globalisation Tour? (Please use examples from positions of responsibility, achievements, awards and extra-curricular involvement).
- What aspect of the tour do you think will challenge you the most? How would you overcome or deal with this?
- What do you think the importance of understanding globalisation is? How do you think you would gain this from participating in this Tour?

HEAD DELEGATE

The Co-Directors will be selecting a Head Delegate for the Globalisation Tour. The role of Head Delegate is to assist the Co-Directors in the preparation of the delegation for meetings, and communicating with the Co-Directors on behalf of the delegation. This role will involve extra responsibility both in the lead up and during the Tour.

The ideal Head Delegate candidate will be organised, have exceptional communication skills, be resolution orientated and have the ability to address adverse circumstances with an open mind, shall they arise.

If you would like to be considered for the role of Head Delegate, please answer the following questions in no more than 400 words at the end of your cover letter. This will be in addition to the 1000 words dedicated to answering the questions above.

- Why do you think you would be an effective Head Delegate?
- How would ensure that all delegates felt comfortable approaching you with issues they may not feel comfortable approaching the Co-Directors with?

FREQUENTLY ASKED QUESTIONS:

WHAT ARE YOU LOOKING FOR WHEN SELECTING DELEGATES?

We would like to build a diverse and balanced delegation, so we are looking for a variety of things; students who would benefit from the trip, who would work well with the rest of the delegation, are leaders within their community, who would represent UN Youth well on Tour, and who have the potential to give back to UN Youth and New Zealand upon their return from the trip. However, the most important quality we seek is a genuine interest in the educational content of the Tour. Past experience with UN Youth New Zealand is not necessary.

IS THE PLANNING WEEKEND IN WELLINGTON COMPULSORY?

Yes, all the delegates must attend Planning Weekend (22 November – 24 November 2019) in its entirety. Failure to commit to planning weekend may result in the loss of your place in the delegation.

ARE ANY OF THE PAYMENTS REFUNDABLE?

Should a delegate withdraw on or before 04 December 2019, they would be eligible to receive a refund for the payment due 06 November 2019 only. Should a delegate withdraw on or after 04 December 2019, they will not be eligible for any refund.

CAN I PLAN MY OWN TRAVEL OUTSIDE OF THE GLOBALISATION TOUR?

You must travel with the delegation from Auckland on 25 January 2020 through all the cities to end of our stay. During allocated free time, you may explore on your own but you must return to the designated meeting places at the time determined by the Co-Directors.

IS THERE A LIMIT ON THE NUMBER OF DELEGATES FROM EACH INSTITUTION OR DEGREE?

There is no limit on the number of delegates we take from each institution or degree. Although we may take the regional balance of the delegation into account if there are applicants of similar merit. Generally, each application will be considered on its own merits and we hope to take the best applicants on the Tour.
