

AUCKLAND TERTIARY CASE COMPETITION 2020 COMMITTEE APPLICATION PACK

UN Youth Auckland is looking for motivated and diligent university students to organise Auckland Tertiary Case Competition 2020, our flagship tertiary event!

Applications are due with a copy of your CV in PDF format by **11:59PM Tuesday 29th October** to Chris Ernst, the 2020 Auckland President, at christoph.ernst@unyouth.org.nz. Questions may be directed to Chris Ernst as well.

The committee will be overseen by the 2020 Auckland Regional Council and the Auckland Tertiary Case Competition Coordinator will report directly to the 2020 Auckland Vice-President for Universities.

OVERVIEW OF AUCKLAND TERTIARY CASE COMPETITION

Auckland Tertiary Case Competition will involve teams competing to design and present the best solution to a chosen “case” - a pressing international issue. The event will allow tertiary students to see the world from a new perspective and create an innovative plan with real-life feasibility and impact. We hope that participants will develop a tangible desire to make the world a better place and learn the skills to help them do it. ‘

The event was run as the flagship event of our tertiary programme for the first time in 2017 for around 150 students. While it is labelled as a case competition, the event is significantly different to other business-focussed case competitions operated by other university clubs. The committee will have discretion to reconsider whether this is the best branding for the competition.

Being on the organising committee will be a rewarding experience for tertiary students to learn leadership and organisational skills in a team environment. You will work with passionate and like-minded volunteers while developing a conference focussing on civics education and networking.

The event is expected to be held in April 2020. The vision for this event is undecided and it will be up to the committee to set in consultation and approval by the Auckland Regional Council.
