

Logic Pro X - Get Pro Mixes on Your Beats

By Joseph Evans

Module 1 - The Pre-Mixing Process

Welcome to this course! At the end of each module there will be an exercise to complete. So please make sure to download all of the exercises and follow the instructions.

Exercise #1

Please click the link below and download the source files to this course so you can mix the beat as we go along.

<https://drive.google.com/open?id=oBwlh7IJD81DVSzZuUF9RMmgtYoE>

After you download the beat create a new session, import the files, and organize them like you seen me do in the course.
